order, whose interests we are bound to safeguard. We have pledged ourselves to care for the orphans and the aged. May this Grand Lodge see its duty in a larger way than ever before. In all of our sessions may we exemplify the tenets of our order. Keep all of our discussions in harmony with our plighted friendship. May all of our votes be cast consistently with our vow of love. Above all self seeking may there be the quest of thy truth. Bless the officers of this Grand Lodge and particularly the Grand Master, who has borne the heat and burden of the day. Bring his labors to a fitting conclusion at this Grand Lodge in the joy of labors loyally completed. Teach us to pray with the spirit and the understanding: Our Father, who art in heaven hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those that trespass against us. And lead us not into temptation, but deliver us from evil: for thine is the kingdom, and the power, and the glory, forever, Amen.

The Deputy Grand Master, by order of the Grand Master, then proclaimed the Grand Lodge open for the transaction of business.

The Grand Master ordered the flag to be displayed, whereupon the Grand Warden placed the colors to the right of the Grand Master. America was sung and all saluted the flag.

GRAND OFFICERS' REPORTS

REPORT OF GRAND MASTER.

To the Grand Lodge I. O. O. F. of Illinois.

Dear Brothers:

While there must always come to one a feeling of satisfaction in the completion of an allotted task, yet the satisfaction felt by me in becoming a Past Grand Master of this great jurisdiction of Illinois is tinged with regret at what seems now, in retrospection, to have been so short a time to serve the Order; and a further regret that the great breadth and scope of Illinois prevents the Grand Master from visiting, in the given time of three hundred and sixty-five days, each lodge in the state, as every Grand Master would like to do.

Looking backward over the year's work, the record is filled with all the happy memories, pleasant associations, and the sentiment with which life is filled; with the remembrance of sacrifices of time and money, made by splendid men and women of the Order, in the work of our Fraternity, and a personal feeling of an honest effort having been made to justify the honor which you placed upon me, when you selected me as your Grand Master for this year.

With the joys and pleasures, have come the heartaches and sad memories, as we always find in traveling the great pathway of life, for, since my installation, I have stood at the graveside of two stalwart members of this Grand Lodge; each, a loyal friend; each, an honored citizen in his respective community, and Odd Fellowship has, and will continue, to miss the services of Past Grand Master L. M. Kagy and Grand Marshal Philip Reitz.

STATE OF THE ORDER.

Throughout the jurisdiction, as shown by the detailed reports, the work of the Order has not only held its own during this year of commercial stress, but, despite the disorganized condition of business and the existence of the long continued coal and rail strikes, the lodges throughout the state have held the interest of their members and, in the aggregate, show a splendid increase in our total membership. Splendid new temples have been built, and the outstanding indebtedness against those built in former years has, in many instances, been paid off during the past twelve months.

The most loyal co-operation has existed between the various branches of the Order, and the officers of the Grand Lodge, both elective and appointive, have given of their time unrestrainedly, that the interests of the Order might be advanced. Deputy Grand Master Phillips, Grand Warden Turner, Grand Conductor Mayer, and the District Deputy Grand Masters in general, have responded to every call made upon them, and each is entitled to a share of the credit for the condition of the Order today.

My report to this Grand Lodge would be incomplete if I failed to call attention to the appreciation owing by this body to Past Grand Master Blood, as Grand Instructor, and Brother Adam Green, as his Assistant, for the splendid and untiring service rendered by these Brothers in the work of their department.

The following is a roster of the officers and committees who have served during this year, as made under my official announcement of October 28th, 1921:

Vacancies.

During the year certain changes have been made necessary in the above elective and appointive offices. because of vacancies due to resignations and deaths. In making appointments to fill the unexpired terms, I have endeavored to select those who, by experience and qualification, were best able to serve the needs of the Order, and I trust that my action will meet with your approval. These appointments will appear in the various Proclamations hereinafter set forth.

OFFICIAL COMMUNICATIONS.

The following communications have been officially issued from this office during the year:

SALUTATORY.

October 28, 1921.

To the Subordinate and Rebekah Lodges, I. O. O. F. of the State of Illinois, Greetings:

In entering upon the duties of the office of Grand Master of this jurisdiction I have a keen appreciation of the honor conferred upon me, and the obligation and demand which it imposes upon my time.

In the good that it has accomplished throughout the civilized world our Order stands pre-eminent among other similar organizations of the world. Illinois, with her long line of efficient officers and loyal membership, has in the past nobly done her part in building this splendid structure which touches the hearts and redounds to the glory and good of all mankind.

Let us, as the successors of the worthy builders of this Order, show ourselves worthy of the trust placed within our keeping.

DISTRICT DEPUTIES AND COUNTY ORGANIZATIONS.

Lodges, counties, and districts should propmtly complete their organizations so that the best results may be accomplished.

The District Deputy will, as provided in our laws, have general supervision in matters in his district. He is the representative of the Grand Master, is the officer to whom matters are submitted in appeal from the Lodge Deputy, and should be communicated with for information or in matters of dispute.

The County President will have charge of the arrangements for District or County meetings of the lodges, and in all cases possible I ask that you have a County Meeting at each lodge in the District. This is a good way to generate good fellowship and leads to valuable suggestions as to the best forms for conducting the work of the lodge.

THE LODGE DEPUTY.

Each Subordinate lodge, at its first meeting after receipt of this letter, or as soon thereafter as possible, is requested to recommend a Past Grand duly qualified to serve as Lodge Deputy. This officer should be familiar with the laws of our Order, and one in whom the members have confidence. I shall rely much upon the hearty co-operation of this officer. Please fill out the Lodge Deputy Certificate blank herewith enclosed, and mail same to the Grand Secretary, John H. Sikes, Springfield, Illinois.

Under existing legislation the President of the Rebekah State Assembly is authorized to appoint a deputy in each Rebekah Lodge to serve as her deputy therein. Direct advice will be given to the Rebekah lodges by the President of the Assembly for their guidance in this matter.

OUR HOMES.

Our Homes constitute the Order's greatest benevolence, and touch the hearts of men and women, both in and out of the Order. They are the most tangible evidence of the watchful care practiced by our membership. I urge upon you to pay these homes a visit, and I bespeak for them the same heartfelt support as given in the past.

LODGE OFFICERS.

I trust that the officers of each lodge will show their appreciation of the honor conferred upon them by the lodge members, by a proper preparation of their work, so as to discharge their duties acceptably. Commit your respective parts so that rituals will not be used in con-

ferring work, and you will find yourselves amply rewarded for the time spent by the favorable impression made upon the candidate, and in the pride of the members who elected you.

In conclusion, I wish for you a prosperous and happy year, and hope for and ask of you such a unified effort in all branches of our Order, as will build still stronger and will preserve unblemished the high ideals of American Odd Fellowship.

Fraternally yours,

A. L. YANTIS,
Grand Master.

APPOINTMENT OF DISTRICT DEPUTIES.

SHELBYVILLE, ILL., November 1, 1921.

DEAR BROTHER—There is enclosed herewith your certificate of appointment as District Deputy for your District.

It is no small honor that your District has conferred upon you in recommending you to fill the position of District Deputy Grand Master. It is an evidence of confidence, esteem, and good will in which you are held by the membership of your District, and I take pleasure in acting upon this recommendation and in issuing this commission.

The District Deputy is the personal representative of the Grand Master and for many purposes he is the Grand Master in his respective District. It is impossible, of course, for the Grand Lodge to really compensate, in money, District Deputies for the service expected of them. On the other hand no Odd Fellow is ever "paid" in money, for what he does for the Order. The office of District Deputy carries with it the greatest possible honor that can be bestowed upon a Brother in his District, and is so regarded in all jurisdictions.

However, great as is the honor of the position of District Deputy, I am of the opinion that the actual money expended by a District Deputy in the discharge of his official duties for railroad fare should be refunded to him, and this I will undertake to do so long as the appropriation lasts, if monthly expense memo is sent to the office of the Grand Secretary. It is necessary that monthly expense account be rendered that we may be enabled to know where we stand with reference to appropriations at all times.

I desire at this time to call your attention to the appointment of Brother H. M. Blood, P. G. M., 224 W. Huron Street, Chicago, Illinois, as Grand Instructor, and the appointment of Brother Adam Green of McLeansboro, Illinois, as Assistant Grand Instructor for the coming year. The most active co-operation should exist between the District Deputies and the Grand Instructor, and I ask that you be prompt in

your official relations with this officer as well as with the undersigned.

Wishing for you a pleasant and successful term, and hoping for a material growth in your District, I remain

Fraternally yours,
A. L. YANTIS,
Grand Master.

SPECIAL SESSIONS.

During the year many requests have been made for Special Sessions of the Grand Lodge to be held in connection with Schools of Instruction. It was not always deemed advisable to grant these requests, but, with a view to reaching as many sections of the state as possible with these "Booster Meetings," a number of such sessions were held, same covering the territory from the extreme northwest corner of the state at Savanna to Cairo on the south; from Peotone in the northeast to Shawneetown on the Ohio River; and from Lawrenceville on the east to East St. Louis on the west. All the Special Sessions were splendidly attended and each one justified the efforts made to hold same. The calls issued were as follows:

LODGE DEPUTIES WILL INSTALL OFFICERS.

SHELBYVILLE, ILL., December 12, 1921.

DEAR BROTHERS—Because of the conflict heretofore existing in the law, relative to the authority of the District Deputy and Lodge Deputy to appoint Installing Officers, questions are coming into this office from many Deputies as to who should take charge at the installation services.

The Grand Lodge has cured this conflict in the amendment to Art. 5 G. L. Const., and I wish to refer all District and Lodge Deputies to the 1922 edition of the Code of Laws, wherein it is provided that the Lodge Deputy shall act as the Installing Officer.

It is the wish of this office that you communicate this fact to all lodges in your District, so that the installations may be held promptly. Where joint installations are being held, either the Lodge Deputy or any qualified Past Grand whom they may agree upon may act.

Fraternally yours,

A. L. YANTIS,

Grand Master.

NEW TERM LETTER.

The Goal a Ten Per Cent Gain in Membership.

SHELBYVILLE, ILL., December 31, 1921.

DEAR BROTHERS—It has been said that "Prosperity makes friends, and adversity tries them." There have been many grave problems confronting the citizenship of this nation since the close of the war, and today civilization still confronts the readjustment that war made inevitable.

The need has perhaps never been greater for the good services, not only of the practical side of our great Order, but for the mental stimulus and comfort derived from its associations; from its teachings; from its lessons; and from its fellowship.

With the world-cry upon every hand for a decreased armament, for greater safeguards against war, for a closer brotherhood of man, Odd Fellowship should appeal to men and women today as never before.

The new fiscal term is commencing. Splendid men and women in all activities of life await but your guiding hand to conduct them to your lodge portals. Character should never be sacrificed for numbers, but growth and progress should not be stifled by conservatism. With able officers in your chairs; with loyal membership in your ranks; with active district organizations about you; with the lessons of Odd Fellowship in your minds and its obligations still engraved in your hearts, your lodge gain in membership should be 10 per cent this year.

As your Grand Master, I call upon your loyalty to the Order and your obligation to those who await the beneficial influence of our Fraternity.

The goal of a 10 per cent gain for Illinois Lodges, for this term, has been set. Will your lodge be on the "Honor Roll?" Appoint your membership committee now, and your next report will show the result.

May the year of 1922 bind more closely together our great brotherhood, and may Providence be gracious to each of you, is the wish of this office.

Fraternally yours,
A. L. YANTIS,
Grand Master.

DEATH OF GRAND SIRE.

PROCLAMATION.

SHELBYVILLE, ILL., February 3, 1922.

To the Officers and Members of Subordinate and Rebekah Lodges, I. O. O. F. of Illinois:

It is with feelings of deepest sorrow that announcement is made of the death of Hon. Joseph Oliver, Grand Sire of our Fraternity, which occurred at his home in Toronto, Canada, Sunday morning, January 8th, 1922.

As a tribute to this distinguished citizen and staunch Odd Fellow and in conformity with the proclamation of the Hon. Lucian J. Eastin, Grand Sire, it is ordered that the charter of the Grand Lodge of this jurisdiction and the charters of all Subordinate and Rebekah bodies be draped in mourning for a period of sixty days from this date and that such action be noted in your records.

Done at Shelbyville, Illinois, this third day of February, A. D. 1922.

A. L. YANTIS,
Grand Master.

ANNIVERSARY SPEAKERS.

Anticipating a request from many sources for Anniversary speakers, the following letter was sent out to District Deputies. As a result of the subsequent action by the Deputies, the names of a number of able speakers, within our ranks, were sent to this office. These were tabulated by sections and I was able to furnish names to many lodges who were looking for Anniversary speakers. This is but another evidence of one of the ways in which the District Deputies may be of service to the membership of the state.

SHELBYVILLE, ILL., February 7, 1922.

District Deputy Grand Masters I. O. O. F. of Illinois:

DEAR BROTHERS:—A large percentage of our more than one thousand and fifty lodges will defer their request for speakers for their Anniversary meetings in April, until shortly before the date selected. In order to promptly advise such lodges of a speaker whom they can procure, it is necessary that we know the names of Brothers in the various communities who are able, ready, and willing to give a few hours time to this very worthy occasion.

In every County or District there are from one to several members whose daily work is such as to qualify them for making a short address on our Anniversary occasion. We, of course, think first of ministers and lawyers, but there are men in other occupations who are also well qualified and willing to serve. Will you, as District Deputy, find out the names of such speakers in the various communities of your District; take the matter up with such men, and send to me a list, whether it be one or more, who signify to you their willingness to serve the Order on this occasion by responding to such call as may be made upon them within a reasonable distance from their homes, between dates of April 23d and April 30th, inclusive; it being understood that such lodge as they may favor will pay their actual expense incurred in attending the meeting.

In submitting the names please give the name, occupation, and address of each.

Thanking you for your prompt efforts,

Fraternally yours,

A. L. YANTIS,

Grand Master.

DELINQUENT MEMBERS.

Realizing that business conditions are not such as to warrant an average growth in membership, I deemed it advisable to make a special effort to retain as many members as possible, many of whom would have been dropped for nonpayment of dues.

Accordingly during the month of March I requested Subordinate Lodges to forward to the Grand Secretary's office a list of all Brothers who on the first day of April, 1922, would be six months or more in arrears for dues. In response to this request 471 Subordinate Lodges reported, and forwarded a list of delinquent members, their post-office addresses, and the amount due on April 1st. A strong personal letter was mailed from the Grand Secretary's office to each of these delinquent Brothers, the result of which will be the saving to the Order of a large number of members.

In order to make an approximate estimate on the value of these personal letters, twenty Subordinate Lodges were addressed during the month of May to ascertain results. Fourteen Subordinate Lodges responded, giving the names of Brothers who had made payment and the amount paid.

SUMMARY.

A summary of these fourteen reports shows that 268 members were delinquent with a total indebtedness of $2,231.68. The response shows that 65 of these delinquent members made payments after receiving personal letters, the amount paid by them being $434.95.

On a percentage basis these fourteen lodges show that 24 per cent of the delinquent members made payments subsequent to the receipt of personal letters. The totals show that 19 per cent of the total amount of dues was paid to Subordinate Lodges.

Provided this ratio held good, the result of this special effort would be as follows, viz.: 471 Subordinate Lodges reported 6,501 delinquent members, the total amount due from these Brothers being $50,907.35. Twenty-four per cent of the delinquent members would be 1,569 Brothers retained in the Order. Nineteen per cent of the total amount of dues owed by the Brothers would be $9,672.39 saved to our lodge treasuries.

To save the Order 1,569 Brothers who otherwise might have been dropped for nonpayment of dues and to place $9,672.39 in our lodge treasuries is sufficient evidence that this special effort was worth while.

The Subordinate Lodges reporting on which the above figures are based are as follows, viz.:

Lodge No.	No. of delinquent members reported.	Total amount due.	No. members paid.	Amount paid.
1	24	$157.40	8	$54.40

FOUR THOUSAND FIVE HUNDRED AND FOUR (4,504) ODD FELLOWS IN ILLINOIS DROPPED FOR NONPAYMENT OF DUES IN THE YEAR 1921.

SHELBYVILLE, ILL., March, 1922.

DEAR BROTHERS—The startling announcement is made that 4,504 Odd Fellows in Illinois were dropped for nonpayment of dues in the year 1921. To those who are familiar with our statistics, this is not a surprise for the reason that we annually drop for nonpayment of dues, three per cent of our total membership. This loss would be disastrous if it were not for the fact that we initiated, during the same time, 9,931 members and added a large number by card and reinstatement.

The net gain in membership for the year 1921 was 4,986. If no members had been dropped for nonpayment of dues, our gain would have been 9,490.

What is the Cause and the Remedy?

Cause—1—Many members do not realize the magnitude of this Order, the great good that it accomplishes and the privilege of holding membership in such a fraternity.

Cause—2—A large number of Financial Secretaries fail to realize the importance of their positions. More than any other officer in the lodge, the Financial Secretary is responsible for members who are dropped for nonpayment of dues.

The Remedy.

The Financial Secretary ought at all times to be ready to inform a Brother as to his standing in his lodge. He should be prepared to accept money and issue receipts at any time of the day or night. If he is thoroughly imbued with the spirit of Odd Fellowship, he will give liberally of his time and talent to retain members in the Order.

Argument.

Impress upon every member that the future of the Order depends upon him. That the Orphans' Home at Lincoln is His Home. That the Old Folks' Home ot Mattoon is His Home. That 1,000 children have grown to useful men and women by His help. That 76 of our Home boys offered their lives for Him in the great war. That the gold star in front of five of their names should never be forgotten.

Few members would be dropped for nonpayment of dues if they were reminded that Odd Fellowship is a patriotic, loyal organization; a character builder, an architect of good citizenship.

A Request and Proposition.

In attaining a ten per cent net gain this year, three per cent can be made by not dropping any members for nonpayment of dues.

With this letter is enclosed a form upon which I request the Financial Secretary to list the names and addresses of all members of YOUR lodge who on the first day of April, 1922, will be six months or more in arrears for dues. A letter will be addressed to these members from the Grand Secretary's office, which letter, I hope and believe, will be the means of saving a large number of delinquent Brothers to the Order.

Let us work together to the end that the number dropped for nonpayment of dues in the year 1922 will be the smallest percentage ever shown by our lodges in any one year.

Fraternally yours,

A. L. YANTIS,
Grand Master.

With the idea of further stimulating an interest in obtaining new members, a small pamphlet entitled "ODD FELLOWSHIP: ITS ORIGIN AND PROGRESS" was issued on March 1, 1922, and was distributed to the Subordinate Lodges throughout the state. Many repeated requests for an additional supply of this pamphlet were received; several requests coming from other states, which causes us to feel that the distributing of this booklet may have been of some value to the Order.

ODD FELLOWSHIP; ITS ORIGIN AND PROGRESS.

SHELBYVILLE, ILL., MARCH 1, 1922.

BROTHERS:—I am sending you under seperate cover 25 booklets entitled "ODD FELLOWSHIP; ITS ORIGIN AND PROGRESS," for use in obtaining new members.

Think Brothers, now, each one of you, of one or more young men who, in your opinion, would be eligible for admission in your lodge, and turn in the name, or names, to the Secretary.

Then the Brother recommending the name of the prospect will sign his name on the cover of one of the booklets, (one for each name nominated), and the Secretary will mail such signed booklet to each prospect, so named.

Now, after a few days, not over a week, each Brother should make an effort to see the parties whose names he has given to the Secretary, and who have had a chance to read over the booklet, sent by request of such Brother, and present an Application blank, and at the same time will invite him to fill out the same, to be presented to the lodge.

This work should be done in a systematic manner, and such further information as may be desired given to the "prospective" candidates, as, for instance, the fees and dues charged by your lodge.

As many of these booklets as the lodge *will agree to distribute* will be sent you without charge.

I ask you to make use of these booklets in the manner suggested above, and hope for your full co-operation at once.

It is in the interest of our Order as a whole, as well as the individual lodges, that we make a net gain of not less than 10 per cent this year. We cannot hope to do this unless we say, "WE WILL DO IT", and we can accomplish our aim if we make up our minds that it can be done and go about it with enthusiasm.

May I ask the Secretary to call the attention of the lodge to this matter at each of your next four meetings?

Assuring you of real co-operation on the part of your Grand Lodge officers, and looking forward to a most successful year in Odd Fellowship, I am,

Fraternally yours,

A. L. YANTIS,

Grand Master.

ANNIVERSARY PROCLAMATION.

To the Officers and Members of all Subordinate and Rebekah Lodges, in the Jurisdiction of the State of Illinois, I O. O. F.—Greeting:

In conformity with established usage, and in obedience to the will of the Sovereign Grand Lodge of the Independent Order of Odd Fellows, and the proclamation of our Grand Sire, recommending and enjoining appropriate commemoration of the One Hundred and Third Anniversary of the founding of our Order, and by suitable observances of the day in public thanksgiving to Almighty God, for His manifold mercies:

Now, therefore, I, A. L. Yantis, Grand Master of the Grand Lodge of the Independent Order of Odd Fellows of the State of Illinois, do most earnestly request and enjoin all lodges working under the jurisdiction of our Grand Lodge, to assemble at some convenient place, on the 26th day of April, 1922, or some day convenient thereto, and there, by appropriate exercises, recall to mind the blessing which Odd Fellowship has proven to humanity during the one hundred and three years since its standard was raised on the American continent; to express the pride we justifiably take in the existence and work of the two Homes of our Order in this state, and in thanksgiving to God for His blessings of the past, to beseech His continued favor in the efforts of our Order in humanity's cause.

Geo. Turner

DEPUTY GRAND MASTER

Streator, Ill.

A general dispensation is hereby granted to all lodges of this jurisdiction to use the name and regalia of the Order upon such occasion, subject to the lawful restriction of our laws.

Dated at Shelbyville, Illinois, this fifteenth day of March, A. D. nineteen hundred and twenty-two, and in the year of our Order the one hundred and third year.

A. L. YANTIS,
Grand Master.

FLOODS AND DISTRESS.

Early in April, Illinois was, as we all recall, visited by a series of floods and tornadoes, which came at a time when many who were affected were little prepared financially to recover from the effects. Letters began to flow into the Grand Master's office from the sections affected, telling of the havoc wrought and of the contemplated appeal for relief which would immediately follow; one community reporting that their lodge would probably have sixty families in immediate need of relief from the Order. Realizing that the membership over the state would wish to have the cry of distress immediately heeded, and in order to have sufficient funds to meet any demand that might arise, the following letter was sent out.

FLOODS—TORNADOES—DISTRESS.

SHELBYVILLE, ILL., APRIL 22, 1922.

DEAR BROTHERS:

Illinois has been visited by the most disastrous floods and high winds in the history of the state.

Our newspapers have been filled with detail of the damage and destruction of property at Beardstown and other places.

Odd Fellowship has always responded promptly to the call of distress. Many of our Brothers and Sisters have reached the limit of heroic suffering and must have help.

Our Order is not an insurance organization and does not undertake to replace lost or damaged property or to supply assistance to those who are able to help themselves, but it does undertake to relieve distress and suffering where our members, by reason of limited means, unemployment, loss of property or sickness, are unable to provide the necessaries of life.

Special Deputy.

A Special Deputy Grand Master is now in the stricken district with instructions to render temporary assistance in anticipation of a liberal response to this call for help.

Contributions.

As Grand Master, I suggest that contributions be made in amounts from $1.00 to $10.00 according to the ability of each lodge to donate to this most worthy cause.

Remittances should be made to Grand Secretary John H. Sikes, Springfield, Illinois, who will receipt for the same and make a detailed report to the Grand Lodge. I urgently request Subordinate Lodges to act upon this appeal for help at your first meeting to the end that Odd Fellowship may do its full part in relief of the great distress and suffering which has come to our jurisdiction.

Fraternally yours,

A. L. YANTIS,
Grand Master.

DONATIONS AND RELIEF.

The response by Lodges was given in the true spirit of Odd Fellowship and the sum of $4,883.74 was paid into the Grand Secretary's office by the lodges of this state. Personal representatives of the Grand Master's office were immediately sent into each section where storm and flood had been reported; local committees were waited upon and they were asked to state their needs. At Beardstown, Past Grand Master J. W. Yantis paid over to the local committee, and through it to distressed members of the Order, a total of $225.00, a report upon which follows immediately hereafter. Adam Green of McLeansboro made a personal tour of the Ohio River district; Brother Clyde McAllister, of the territory west of Meredosia; and Brother W. B. Clark investigated the flood territory in the vicinity of Jonesboro. To the great credit of Odd Fellowship in this state, I can now report that not a single lodge, except at Beardstown, made any request for relief from the Grand Lodge funds, but, in every instance, the members in distress were cared for by their immediate fellows.

There remains, in this Special Fund received from the lodges, a balance of $4,644.74, and inasmuch as the demand for Special Relief is constantly arising for aged and indigent members, and with the realization that, as calamities have occurred before, so are they apt to come again, I recommend that this balance be appropriated and placed in the Special Relief fund of the Grand Lodge, so that it may be used to relieve distress in the future.

REPORT ON BEARDSTOWN RELIEF.

To A. L. Yantis, Grand Master, I. O. O. F., Jurisdiction of Illinois.

SHELBYVILLE, ILL., JULY 1, 1922.

DEAR SIR AND BROTHER:—At your request, I visited Beardstown during the flood in April and am pleased to report as follows:

The entire city of Beardstown, with exception of the C. B. & Q. Station and one of the school buildings, was inundated. Sidewalks

and ground floors of stores, hotels, and residences were covered with water, and the streets were flowing rivers.

Notwithstanding all this, the optimism of the citizens of Beardstown was marvelous. Rowboats were traveling the streets almost as thick as automobiles in the average town, and women and men garbed in rubber hip boots were wading the streets and stores in the transacting of business.

The organization of the city for relief was complete. I found the relief committee of Ark Lodge No. 16, I. O. O. F., was functioning and much credit is due the membership of Ark Lodge. Brother H. W. Fischer as chairman of the committee gave much time and splendid service. I placed in the hands of this committee two hundred and twenty-five dollars, which the committee will account for in detail.

I also placed with Brother Clyde McAllister, of Meredosia, seventy-five dollars to use if the emergency required; Brother McAllister later returned this seventy-five dollars, stating they were well able to handle all the conditions there.

The true spirit of fraternity permeated among our members in the stricken district, and all were pleased with the prompt action of the Grand Lodge officers in calling relief and meeting the emergencies.

There was placed in my hands five hundred dollars for this purpose, from which there was paid, as above stated, two hundred and twenty-five dollars and expenses incurred of fourteen dollars, leaving a balance returned to the Grand Lodge of two hundred and sixty-one dollars.

Fraternally submitted.

J. W. YANTIS,

Special Deputy Grand Master.

MEMORIAL PROCLAMATION.

SHELBYVILLE, ILL., MAY 6, 1922.

Whereas, It is right and proper and the very nature and spirit of the Order demands that a day be set apart in each year on which the members of our Fraternity may unite in solemn memorial exercises in behalf of our honored dead, and proclamation having been made by the Grand Sire, designating the second Tuesday in June as Memorial Day in conformity with our law, therefore, I. A. L. Yantis, Grand Master, do hereby request that all Subordinate and Rebekah Lodges of this jurisdiction assemble on that day or on some date convenient thereto and hold appropriate services in commemoration of the lives of their deceased members.

Since the last memorial proclamation, we have been called to mourn especially the departure of the two leading officials of the Sovereign Grand Lodge. On May 12th, 1921, Grand Secretary Good-

win died at Baltimore, and on January 8th, 1922, Grand Sire Oliver passed away at Toronto. Both were zealous and devoted, and both earned and deserved the affection of their brethren. On February 3d, 1922, Past Grand Sire Cl. T. Campbell, our oldest Past Grand Sire, died at his home in London, Ontario, and March 29th, 1922, Brother William H. Leedy, Grand Secretary of Indiana and long one of the most eminent and trusted members of the Sovereign Grand Lodge, passed to his reward. On October 19th, 1921, our own beloved Past Grand Master L. M. Kagy was called to his Eternal Home and on March 21, 1922, Past Grand Master Martin W. Schaefer, of Illinois, died at his home in Belleville, Illinois. The lives of these distinguished and faithful members furnish noble examples which deserve special contemplation on this occasion.

Done at Shelbyville, Illinois, this 6th day of May, A. D. 1922, and in the 104th year of our Order.

A. L. YANTIS,
Grand Master.

Under instructions from the Grand Lodge, the Grand Master is requested to submit the resolution to a referendum vote of the Subordinate Lodges, the result of which is to be tabulated by the Grand Secretary and the same to be reported to the next session of the Grand Lodge.

Resolution and Committee's Report.

The above resolution is known as Document No. 53, and the committee report is known as Document No. 77, being the sixteenth report of the Committee on the State of the Order. (See Grand Lodge Journal, 1921, Pages 407 and 425.)

The following letter accompanied the above circular communication:

NEEDS OF THE OLD FOLKS' HOME.

Mattoon, Illinois, July 19th, 1922.

To the Grand Master
A. L. Yantis,
Shelbyville, Illinois.

DEAR SIR AND BROTHER: We take pleasure in giving you the information requested, relative to the immediate need for more room at the Old Folks' Home.

There are now one hundred and sixty-eight members in the Home, which fills it to capacity. There is a waiting list of nineteen accepted applications. It requires from eight to ten months after an applicant is accepted before he can be admitted; this condition creates dissatisfaction and hardships for the applicant, the lodge and the management of the Home, and leads to unfair criticism.

When the Home was first built the membership in Illinois was 50,928 Subordinate and 23,377 Rebekahs. The Order grew until in 1907 we had 80,000 Subordinate and 40,000 Rebekah members and we enlarged the Home to care for sixty additional members. Since that time our Order has grown to 135,000 Subordinate and over 85,000 Rebekah members. The splendid growth of our Order calls for increased facilities in the Home.

ing in detail of the personal visitations made by me, nor do I deem it proper to elaborate upon the program of the various meetings. It is proper, however, that I note at least a part of the meetings to show the sections of the state visited by me, and principal among these were:—

ODD FELLOWS LEAGUE AND RELIEF BOARD.

Appended hereto is the report of this organization, and, judging from this and my personal information, I give my warm approval to the work of this Board and to the continued aid of it as a helpful agency in the work of caring for sojourning members in Chicago.

OUR HOMES.

The annual report of our two Homes, as submitted by the respective Boards, and the general information possessed by our members, is such that I will limit my report, as to these proud possessions of our Order, to the mere statement that, as Grand Master, I most warmly approve of the manner in which the respective Boards have discharged their duties during the year and I most heartily congratulate the Order in Illinois on the continued assistance rendered by Dr. and Mrs. Lucas and Brother Sayler and Sister Riley, as Superintendents and Matrons of the two respective Homes.

Particular interest exists, of course, at this time, in the proposed enlargement of the Old Folks' Home. I am happy to report that the individual lodges, from whom a referendum vote was asked upon the question of whether we would provide the means to care for the aged and needy members who cannot now gain admission because of lack of room, have voted approximately three to one in favor of the needed improvement, and the necessary assessment to pay for same.

SPECIAL RELIEF.

The requests for Special Relief are gradually increasing, due partly to the publicity of certain cases where special relief has been given and partly to the need of caring temporarily for aged members of

the Order who are awaiting admission to the Old Folks' Home. In every case of a demand for relief of this nature, I have carefully investigated the merits, and have required that the lodges not only show that they have performed their full duty in the past, but that they continue to share the burden so far as equitable. In other words, it has been my belief that no lodge should be permitted to shift the responsibility of caring for a needy member upon the Grand Lodge. A list of Special Relief cases will be found in the Grand Secretary's report.

DISTRICT DEPUTY SYSTEM.

The District Deputy system has now established itself as a permanent part in the organization work of the state. Within thirty days after the beginning of the present Grand Lodge year, 90 per cent of the Districts had received their appointments, and the organization work of such Districts was being perfected. Today practically each of the one hundred and twelve Districts is functioning under the group system. The District Deputies, with other District officers, have labored faithfully, using the strength of the larger lodges to help enliven the interest of smaller and more dormant neighbors. In addition, the splendid working body of District Deputies has afforded an ever ready hand to the Grand Master's office for the settlement of disputes, and I am sure has been the means of smoothing away many troublesome questions.

EFFICIENCY DIPLOMAS.

Acting upon the recommendation of Grand Instructor Blood, Past Grand Master, and Grand Secretary Sikes, and believing that there were many members of our Order who have served their term as Noble Grand before the Diploma Extraordinary was provided for, who, because of their proficiency and continued interest in the Order, would appreciate a tangible recognition of their ability and service, arrangements were made, at the beginning of my term, for what is known as "The Efficiency Diploma for Past Grands." This Diploma serves the same purpose for the Past Grand that the Diploma Extraordinary does for the Noble Grand and Vice Grand, i. e., "The applicant must be able, without the aid of a ritual, to recite the opening and closing ceremonies appertaining to the Noble Grand's office, the entire unwritten work of a Subordinate Lodge, and the Noble Grand's charge in the Initiatory Degree." That our action has been worth while is evidenced by the large number of Diplomas which have been granted, and as the examination must, under the rules, be taken in open lodge, I feel that some good to the lodges has resulted from these Diplomas.

SUBORDINATE CONSOLIDATIONS.

The following consolidations have been made during the year:—

TRIAL MATTERS.

Applications for Change of Venue.

In the course of prosecution by various lodges against respective members, applications have been made in several instances for a change of venue. In neither case has the application been granted, as a sufficient showing to justify such a change was not made, and experience has taught me that only upon the most positive showing should the burden of a trial, and the troubles of one lodge, be shifted to the shoulders of some neighboring lodge.

Appeal Case No. 494, Judiciary and Appeals Committee.

E. L. McConaughy et al
Appellants,
vs.
Hickory Grove Lodge No. 230,
I. O. O. F., Rochelle, Ill.
Appellee.

Appeal Case
No. 494.
J. & A. Comm.

Submitted by stipulation of all parties to the Grand Master, during pendency of appeal to the Judiciary and Appeals Committee.

Opinion by A. L. Yantis, Grand Master, January 27, 1922.

On November 29, 1921, an appeal in the above entitled cause was filed with the Grand Secretary, wherein Brothers E. L. McConaughy and George Kramer prayed an appeal from the action of defendant lodge in its decision to expend money from the general fund of said Lodge for the improvement of a dwelling house owned and located on ground bought by said Lodge in 1912.

"The cause is submitted to the Grand Master under the following stipulation: It is hereby stipulated between E. L. McConaughy on behalf of the appellants, and J. E. Barber on behalf of the appellees, that on representations being made to the appellants that expense of accumulating interest and expense of litigation and other matters, by the appellees, that it would be better to have a quicker decision than could be expected from the Committee on Judiciary and Appeals, it has been agreed upon by the parties thereto that the decision be left to the judgment of Grand Master A. L. Yantis, of Shelbyville, Illinois. Provided, that no defense or concession is hereby waived by any of the

parties, that would be available on a hearing before the Committee on Judiciary and Appeals to the advantage of said parties, nor are any principles of right in the matter so surrendered, but that, reposing special trust and confidence in the Grand Master, the right of appeal from any decision he may render is waived by the parties. In so referring the decison of the matter to the Grand Master, it is the hope and trust of all parties that the matter may be decided so that it will be to the great advantage of the Lodge, now and in the future, and all the parties hereto bind themselves to accept the expected decision in the proper spirit of mutual amity and brotherhood, and bury all differences that may have arisen. The following facts are agreed upon:

1st. The appellee bought, on or about the year 1912, for a stated consideration of $6,000.00, (real consideration, $5,000.00), 80 feet by 66 feet of city real estate containing thereon a frame one-story, store building and a one and one-half (1½) story dwelling house, with the purpose of some time building thereon a Lodge Hall. Of the $5,000 paid for the property, about $1,600.00 was raised at the time by donations from individual Odd Fellows, the balance of the purchase price, or $3,400.00, being the accumulations of past years from all sources. The Rebekahs were helpful in raising a part of the aforesaid $1,600.00.

Further agreed facts may be submitted. A written opinion is respectfully requested from the Grand Master, containing his decision, which it is agreed upon must be based upon personal view and contact with the whole matter."

In pursuance of said stipulation, the Grand Master on January 27, 1922, made a personal visitation to the premises involved herein, and thereafter met with all parties interested in said cause; a notice of such meeting having previously been given to all parties concerned.

Further facts submitted at said hearing are in substance as follows: that the dwelling house in question had become, a few months ago, in a bad state of repair; that the same was rented for $15.00 per month, but during recent years several months' rent was lost each year because of an undesirable class of tenants from whom the rent could not always be collected; that the general condition of said property was such as to make it a poor advertisement for the Order; that on August 4th the Trustees of the Lodge reported to the Lodge that if the property was improved, at an estimated cost of $1,400.00 to $1,500.-00, it could be rented for $30.00 per month to the Chamber of Commerce of Rochelle, on a three year lease. At a former meeting it had been stated that the cost of improvement would probably be $1,100.00. At said meeting on August 4th, a motion was made that the Trustees be authorized to make repairs, provided the above lease could be obtained. There were twelve members present; ten voted for the motion and Brothers McConaughy and Harris voted against same. On November

3, 1921, bills totaling $1,387.03, balance due for repairs on the building, were read. A motion was made that the lodge sell a $500.00 bond and take $200.00 out of the general fund and that the balance needed be borrowed; the motion was carried, and objection was then made by appellant McConaughy, on the ground that the taking of money from the general fund for repairs in the maintenance of a dwelling house was illegal. The Noble Grand ruled that the transaction was legal; from which decision Brother McConaughy appealed to the Lodge, and, the Lodge having sustained the Noble Grand, an appeal was perfected to the Judiciary and Appeals Committee by Brothers E. L. McConaughy and George Kramer.

During the pendency of this appeal those who performed the work in repairing said dwelling had become insistent for their money and notified the Lodge that suit would be filed unless payment was immediately forthcoming.

Two questions present themselves. Was the action of the Lodge legal under the laws of the Order in attempting to draw money from the general fund, to pay for improving real estate in which the Lodge has its funds invested (same being a dwelling house and not used for the accommodation of the Lodge)?" 2d. "If the Lodge acted improperly, is it legally liable for the payment of the improvement bills?" .

As to the latter proposition, there is no question but that the Lodge is liable to the workmen for the material and labor furnished, and a mechanic's lien would lie against the property in question. As to the former question, the law of the Order seems to be also definitely settled. Subordinate Lodges may invest their surplus funds in real estate, etc., of undoubted value (Art. 8, Chapter 2, Sec. 313, Sovereign Code, 1915). Appellant concedes that the property in question was well worth $5,000.00. the amount paid in 1912. Being the owners of said property, the duty devolved upon the Lodge to maintain the property so as to be a credit to the Order, and so as to produce the best income possible.

From a consideration of all facts it appears that an additional income of $180.00 a year has been assured the lodge by its expenditure of approxiately $1,500.00, which is 12 per cent gross; therefore the amount expended would seem to be reasonable upon the general proposition that such investment must yield 10 per cent gross to cover taxes, maintenance, and adequate net returns.

The general fund of the lodge may be drawn upon to a reasonable extent for the purpose of protecting the rental value of lodge real estate, (Journal 1903, page 156).

Diligence upon the part of the individual membership of a lodge, in conserving the lodge finances, and in seeing that the funds are

applied to the purposes which are sacred to the Order, is to be commended, but, in the present case, it is the opinion of the Grand Master that a lodge has the undoubted right to instruct its Trustees to improve and repair any real estate owned by the lodge, and that the general fund of a lodge may be drawn upon to a reasonable extent therefor. The weight of evidence in this case supports the contention that the amount here to be expended was reasonable under all the circumstances. The action of the lodge is therefore sustained and it is ordered that Hickory Grove Lodge No. 230 shall proceed to pay the bills involved in this appeal.

A. L. YANTIS,
Grand Master.

APPEAL FROM ACTION OF GRAND MASTER.

Approximately three hundred and fifty decisions have been rendered by me upon as many and varied questions involving every phase of our law and procedure, it would seem. The greater mass of these were upon questions which have been directly decided in former years and which could be answered by a specific and exact citation of our Code, the Sovereign Grand Lodge Code, or some decision of former years. Some were upon a varied statement of fact, requiring a construction by this office of the existing law, and, as to these, reference will be hereafter made. Whether in regular course through the lodge, or by individual members seeking information, I have given my most careful study, and have endeavored thereby to be of as much service as possible to the membership.

All of my actions along the above line have been accepted, except in one instance. For convenience, I will refer to this as "The Sprague Case."

THE SPRAGUE CASE.

October 22, 1921, H. W. Sprague, a member, I believe, of Subordinate Lodge No. 30 in the jurisdiction of Wisconsin, and of Gresham Rebekah Lodge No. 464, Illinois, submitted to Past Grand Master Owen Scott, of the Judiciary and Appeals Committee, the question. "Can a Rebekah Lodge alter or change its By-Laws by a motion only," and, further, "To whom should an appeal be taken from action or decision of a Rebekah Lodge." His questions were forwarded to my office and were answered to the effect that changes to Rebekah By-Laws must be by resolution, as prescribed in the laws, and same approved by the Judiciary and Appeals Committee, and that appeals from the action of the Lodge should go to the Judiciary and Appeals Committee, and for further information and advice on incidental questions of law or procedure I referred the Brother to the Rebekah Lodge Deputy.

Through much involved correspondence which followed, it appears that Julia A. Sprague, the wife of H. W. Sprague, was dropped for non-payment of dues from Gresham Lodge No. 464. Papers, purporting to be a complaint or charges against Gresham Rebekah Lodge No. 464, were thereafter forwarded to the Grand Secretary's office by Brother Sprague, and in due course reached this office. From a careful consideration of same and the correspondence previously had, it did not appear that the matter complained of was such AS TO INVOLVE the surfender or revocation of the Charter under which said Lodge exists, but that the redress of Julia A. Sprague from any improper action which the lodge had taken concerning her WAS BY APPEAL from the action of the lodge to the Judiciary and Appeals Committee, and on January 23, 1922, Brother Sprague was so advised. He persistently corresponded with this office concerning the matter and on March 3, 1922, the following letter was written to him:

SHELBYVILLE, ILL., MARCH 3, 1922.

Mr. H. W. Sprague,
Chicago, Illinois

DEAR SIR AND BROTHER:—For the last time, I am returning your papers, relative to your complaint against Gresham Lodge. If you see fit to forward them again to this office, they will be placed in my files. I say this with all courtesy, Brother Sprague, for the reason that I feel that I have given your matter fair consideration, and have advised you as far as it is possible for me to do.

The situation presents itself to me as follows: Gresham Lodge has heretofore taken certain action, i. e., dropped your wife from membership for non-payment of dues. This action you claim to be unwarranted and erroneous, for various reasons heretofore given by you. You have been advised that in my judgment an appeal lies, from the action of the lodge, to the Judiciary and Appeals Committee. I am still of that opinion, but cannot and will not be your legal advisor, and must ask that you recognize my position in such matters, i. e., not intermeddling or siding-in in controverted matters, where a full opportunity for adjudication is open.

Fraternally yours,

A. L. YANTIS,
Grand Master.

On August 28, 1922, the following appeal was submitted to the office of Grand Secretary John H. Sikes:

To the Honorable Grand Lodge of the Independent Order of Odd Fellows, of the Jurisdiction of Illinois. Greeting:—

I, Henry W. Sprague, a member in good standing of Fond du Lac Lodge No. 30 of the jurisdiction of Wisconsin, a certificate of said

membership in said lodge under seal of said Lodge now on file in the office of John H. Sikes, Grand Secretary, I. O. O. F. of Illinois.

Furthermore, I am a member in good standing in Gresham Rebekah Lodge No. 464, existing under a Charter from the Grand Lodge of Illinois.

Whereas, On March 3, 1922, and for some time prior, had as counsel and representative of a member of said Gresham Rebekah Lodge No. 464, attempted through correspondence to obtain recognition from Brother A. L. Yantis, Grand Master of I. O. O. F. of Illinois, regarding a certain complaint made by said member and on March 3, 1922, recevied the following letter:

H. W. Sprague,

For the last time I am returning your papers, relating to complaint against Gresham Rebekah Lodge. If you see fit to forward them again to this office, they will be placed in my files.

Signed,

A. L. YANTIS,
Grand Master.

Whereas, March 29th, 1922, I, Henry W. Sprague, in my own name filed with John H. Sikes, Grand Secretary I. O. O. F. of Illinois. a complaint charging Gresham Rebekah Lodge No. 464 with violating the Constitution and Laws of the Grand Lodge of Illinois and the Laws of the Sovereign Grand Lodge, I. O. O. F.;

Whereas. Brother A. L. Yantis, Grand Master, has refused to recognize said charges and refuses to act as the law requires;

Therefore, I hereby appeal to your Honorable Body from said action of Brother A. L. Yantis, Grand Master, and most respectfully ask your Honorable Body to cause the Grand Secretary I. O. O. F. of Illinois to issue a summons to said Gresham Rebekah Lodge No. 464, causing them to appear before the Judiciary and Appeals Committee in answer to said charges.

Yours respectfully and fraternally,

Henry W. Sprague,
4115 South Oakly Ave.,
Chicago, Illinois.

August 28th, 1922.

Action of the Grand Master approved and appeal dismissed.

SOVEREIGN GRAND LODGE, I. O. O. F., DETROIT, MICHIGAN, SEPTEMBER 18-23, 1922.

SHELBYVILLE, ILL., AUGUST 28, 1922.

DEAR BROTHERS—The next session of the Sovereign Grand Lodge, I. O. O. F., will be held in the city of Detroit, Michigan, September 18-23, 1922.

In addition to the sessions of the Sovereign Grand Lodge a great deal of entertainment has been prepared for visitors who attend

this convention, to which all members of the Order and their friends are invited.

Railroad Rate.

A rate of one and one-half fare for the round trip has been granted by all Passenger Associations in the United States and Canada on the IDENTIFICATION CERTIFICATE plan.. Tickets will be sold to Detroit and return only over the same lines.

Members of the Order wishing to avail themselves of the reduced fare must, when purchasing a ticket, present to the railroad agent their Identification Certificate. One Certificate will be sufficient for the member and the dependent members of the family.

These Certificates can be procured from Grand Secretary, John H. Sikes, Springfield, Illinois, upon application and without expense.

Information.

Those wishing special information and program can obtain the same upon application to Chas. H. Teller, 8225 Gratiot Ave., Detroit, Michigan.

A. L. YANTIS,
Grand Master.

WEAK LODGES.

Grand Secretary Sikes has submitted a list of the lodges in the state having a membership of forty or less, and same make a total of ninety-six lodges. It is almost impossible for a lodge, with less than forty members, to properly function in these times. Many of these lodges ought to be consolidated; some can be revived into good active lodges, and those which are holding territory without gaining members therefrom, thereby keeping some neighboring lodge from active work in such neighborhood, should have their Charters revoked. The District Deputies have been giving earnest attention to this matter, and the reports received at the close of this term, through their efforts, will be a valuable guide in this matter in the future.

DISPENSATIONS AND LODGE CIRCULARS.

Approximately three hundred Dispensations have been issued during the year, the greatest number, of course, being for social affairs. Many were for parades and local celebrations; some pertaining to a change in time or place of meeting. All applications which could possibly be granted, under the laws of the Order, were promptly complied with, and the number received indicates a desire upon the part

of the lodges, not only to comply with the law in this respect, but also to keep the Grand Master in closer touch with the respective lodges and their activities. All requests for Dispensations to use degree robes and paraphernalia in parades and public displays have been refused, as the Sovereign Grand Lodge law not only prohibits such public use of initiatory supplies, but in the opinion of the Grand Master the best interests of our Order are not served by such display.

Several applications, for permission to solicit other Lodges, have been refused. Only one of these has caused any serious annoyance to this office, and only upon one occasion has the Grand Sire had cause to ask this jurisdiction for an explanation of its conduct during the year. This was in connection with a circular letter sent out by Neilson Lodge No. 25 of Troy, Illinois. On December 1, 1921, Neilson Lodge requested information from the Grand Secretary, relative to soliciting funds from the lodges to aid in a building project, and were definitely advised by him that they should not, under existing laws, attempt to solicit funds from other lodges in the manner proposed. Notwithstanding this advice, they issued, on January 1, 1922, a circular letter enclosing notes of indebtedness payable in 1942 without interest, and sent them broadcast to the lodges of this and neighboring states. The Grand Masters of other states immediately remonstrated to this office and the Grand Sire requested an explanation. I at once ordered Neilson Lodge to discontinue the sending of circulars, to submit a statement of lodges and members from whom money had been received, and that they make a refund of all such amounts; further, that they furnish to this office a list of those from whom money was so received and to whom refunded. The following circular letter was also sent out:

ILLEGAL SOLICITATIONS.

JANUARY 20, 1922.

DEAR BROTHERS: Neilson Lodge No. 25 of Troy, Illinois, has, under date of Jan. 1, 1922, circularized the lodges of this and neighboring states with an appeal for aid to help Neilson Lodge obtain additional cash with which to erect a new building. With the circular they have enclosed a Promissory Note for $10.00 payable by said lodge on Jan. 1, 1942, without interest.

The law of the Order has prohibited such action for many years and no circular of this character can lawfully be issued or distributed in this manner; neither may any lodge entertain any such application unless the same has been previously authorized by the Grand Lodge, which authority has not been given in this case.

Neilson Lodge No. 25 has been ordered to recall these notes and to refund such money as they may have obtained and the lodges of the state are hereby notified to disregard their appeal.

This law was made necessary because of untold annoyance to lodges and much strife resulting therefrom.

Fraternally yours,

A. L. YANTIS,

Grand Master.

Neilson Lodge complied with my request and on February 3, 1922, I was advised as follows by the Grand Sire, "You have handled this matter admirably and I am sure we shall hear nothing more of it".

DECISIONS.

As above stated, the majority of questions submitted were upon points heretofore definitely decided and were answered by a reference to specific sections of the Code. I refrain, therefore, from encumbering this report with the great mass of these decisions, and submit only those which I believe should, in the interests of the Order, be submitted to this Grand Lodge, as follows:

Q. "Upon the death of a member and removal of the body to a neighboring city, if the officers of his lodge be requested to accompany the remains and conduct the ritualistic service at the grave, should such officers be compelled to pay their own expenses?"

Ans. No. Expense should be borne by the lodge to which the officers belong, and may be paid from the general fund.

Q. "Has a member, who is more than thirteen weeks in arrears for dues, but not dropped, the right to vote in lodge affairs?"

A. Yes, upon all general lodge matters. A special restriction applies to matters pertaining to trials.

Q. "If a lodge owns a cemetery for the general benefit of the lodge, can it draw upon the general fund for the purpose of rebuilding the fences surrounding the same?"

A. Yes.

Q. "Can the Grand Master grant authority for the use of any part of Subordinate Degree robes and paraphernalia, in connection with lodge work in the Rebekah degree?"

A. Neither the Grand Master nor any other officer has authority to grant permission for the use of degree robes and paraphernalia by any other branch of the Order than that to which such paraphernalia belongs. The work of the various degrees in our Order is supposed to be secret and all display of degree robes and paraphernalia pertaining to the secret work, in tableaux, parades, etc., is prohibited by the Sovereign Grand Lodge and the Grand Lodge of this state.

Statement; At an election for representative, two names are in nomination; twenty-six ballots were cast, Brother "A" receiving thirteen, Brother "B" twelve; one blank ballot appeared.

Q. "Did Brother "A" have the necessary majority and was he elected?"

A. No. A majority of all votes cast shall be necessary to an election. Ballots for persons not properly in nomination shall be considered blanks—and all blanks shall be counted as votes, (Annual Code 122, Section 414). Section 1345, Merrill's Code, not in point, being a Sovereign Grand Lodge decision based on Montana Code.

Q. "Can a lodge distribute entertainment tickets among its members for sale by them and pass a valid resolution that unless same are sold the price thereof shall be taxed up against the individual members as dues, and thereby place such members in arrears and bad standing on the books of the lodge?"

A. No, dues can only be charged as provided in the By-Laws, and can only be changed in accordance with the laws relating thereto.

Q. "Can a lodge amend its by-laws to provide for the non-payment of sick benefits after one continuous full year's payments?"

A. Yes, Section 10, Art. 10, Annual Code, provides a minimum of not less than $1.00 after the first continuous year.

Q. "If a Noble Grand of a Rebekah Lodge has served a majority of the meeting nights of the term, but was absent on the night for the installation of officers for the new term, and had been absent the two preceeding meeting nights, could her office be declared vacant on said installation night and she be thereby prevented from receiving the honors of her office?"

A. The installation night is the first night of the new term, and, as the Noble Grand had been absent only the two last meeting nights of her term, her office could not be declared vacant.

Q. "If a member attempts to commit suicide, but death does not result and he is confined in the hospital for several weeks thereafter, is he entitled to sick benefits?"

A. No. If the disability results from vice or breach of the laws of the state, sick benefits do not accrue. Under the law in Illinois, attempted suicide is a crime.

Q. "If a member, although physically well himself, is quarantined because of the sickness of some member of his family, does the lodge owe him weekly benefits?"

A. No, weekly benefits are only payable in case of the sickness or disability of the member himself.

Q. 1. "Can a lodge take a prospective candidate to a lodge in some other community and there cause the initiatory degree to be conferred upon him?"

A. No.

2. "Can same be done if it was a District meeting?"

A. No, only candidates for membership in the lodge which was holding the meeting can receive the initiatory degree at such meeting.

3. "Could Litchfield Lodge hold a meeting in the hall of Nokomis Lodge, with its own officers and team, and confer the initiatory degree upon candidates who desired membership in Litchfield Lodge?"

A. No; a lodge cannot hold meetings outside of its own jurisdiction (it may under Dispensation change its temporary meeting place within the boundaries of its own jurisdiction).

4. "Do the above decisions apply to any other degree besides the initiatory?"

A. No; other degrees may be conferred.

Q. "Is it permissible, under our laws, for the lodge to permit the lodge rooms to be used for dancing and card playing, either under the auspices of the lodge or by outside organizations?"

A. Yes, there is nothing in the laws of our Order which prohibits such use, and the matter is governed entirely by the majority sentiment of the individual Subordinate Lodges, so long as the transaction of regular lodge business is not interferred with.

Q. "Can the Subordinate Lodge maintain part of its quarters for club room purposes?"

A. Yes; provided the use made of such rooms does not interfere with the lodge hall or with the transaction of lodge business.

Q. "Can smoking be permitted in the lodge quarters?"

A. Yes, but not in the lodge hall during meetings.

Q. "Under the law of the Order can a member be expelled from the lodge for voluntarily telling how he voted upon an application for membership?"

A. No. A member cannot be compelled to state how he voted, but he has the right to voluntarily state. To deny this right to a member would close the door upon any effort to punish any officer who has falsified as to the result of a ballot.

Q. "If a lodge changes its by-laws and decreases the weekly benefits, does the decrease apply to Brothers who were on the sick list prior to the date of the change?"

A. The amendment applies to those who are on the sick list the same as to those who take sick thereafter; but said by-laws would not be effective until the date when approved by the Judiciary and Appeals Committee.

Q. "Is the Flag Ceremony still in force in Subordinate and Rebekah Lodges?"

A. Yes.

Q. "If an application for membership is received, duly referred and reported upon and ballot taken, and same found to be favorable, but, before the applicant is initiated, circumstances are discovered

concerning the general character of the applicant, which cause him to be regarded as unworthy for membership, can a reballot be taken as to his being admitted into membership?"

A. Yes, although it is an unusual procedure.

Q. "Can a member serve as Lodge Deputy and at the same time hold the office of Trustee?"

A. Yes.

Q. "When an applicant, who has been dropped for non-payment of dues for over one year, wishes to reinstate, would the reinstatement fee be just the amount of the initiatory fee or would same include the entire fee for initiation and degrees?"

A. Section 551, Annual Code 1922, states how the application shall be handled. Section 601, Code 1922, states the fee, i. e., "No member shall be reinstated for a less sum than hereafter noted: Under Art. 8, Section 2, the same fee as is charged for an initiate of the same age or such lesser sum (not less than one year's dues) as the by-laws may prescribe."

Q. "In case two or more lodges wish to hold a joint installation of officers, can same be held prior to the first meeting night in the term of one or more of the lodges, if the installation is held under the auspices of a lodge which is holding its first meeting night of the term?"

A. Yes.

Q. "Will the installation of the officers of such other lodges be legal and effective?"

A. Yes.

CONCLUSION.

In closing this report, I beg to thank the membership of Illinois for the splendid support given to the administration this year, and for the many courtesies extended to the Grand Lodge officers. To my associate Grand Officers, to the various committeemen, and to the District Deputy Grand Masters, I wish to express my deep appreciation for the faithful co-operation rendered by them. I have earnestly tried to perform my duty to the best of my ability, and in so doing I have, at all times, been supported by Deputy Grand Master Phillips and Grand Warden Turner. I gratefully acknowledge the uniform kindness and the efficient service of Grand Secretary John H. Sikes and of Past Grand Master H. M. Blood, as Grand Instructor. The good work accomplished during the past year is due, in no small degree, to the efforts of these two officers and the assistance of Brother Adam Green of McLeansboro, Assistant Grand Instructor. While the various branches of the Order have properly worked independently of each other, yet the relations have, at all times, been most congenial.

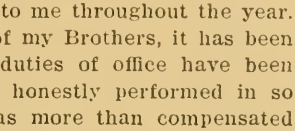
The foregoing report is submitted without unnecessary embellishment, but with a desire to advise the Order of my actions during the year. Every member of this jurisdiction may feel a just pride in the advance made by the Order at a time when every interest is feeling the effects of commercial stress and financial embarrassment. The record of the year demonstrates the esteem in which the Order is held by the public and evidences the loyalty and devotion of our members to the principles of our Order.

As a final word, I know of no language that will express my feelings of the moment better than that used by my father in concluding his work as Grand Master twenty years ago, when he said:

"Let me again express my appreciation of the kindness, courtesy, and fraternal love which have been shown to me throughout the year. If I have failed in the expectation of any of my Brothers, it has been my misfortune, not fault, and, while the duties of office have been heavy at times, the knowledge of a work honestly performed in so grand a cause as our Order represents has more than compensated me for such effort as it was in my power to put forth.

Let us hope that the work of the coming session will be well done, and that it will not be marked by any strife or discord. We are all human and liable to err. If we differ in opinion, remember that each one has a right to his own, and accord to each the same honesty of purpose you claim for yourself."

Fraternally submitted,



Grand Master.

REPORT OF THE GRAND CHAPLAIN

The office of Grand Chaplain is no sinecure these days for the duties of the office have called him into all parts of the state this year. Twenty-two formal addresses have been given at various special meetings. It is a matter of regret that many invitations have been refused because of conflicting dates, but that was inevitable at certain seasons of the year.

The Grand Chaplain attended two of the special sessions of the Grand Lodge, at Aurora and at Moline. On each of these occasions he made an address. The calls at Anniversary season and for Memorial addresses were answered so far as circumstances permitted. At district meetings, lodge banquets and other functions about the city of Chicago he has been present on invitation.

Even more personal ministries have fallen to his lot during the year, several trips out of the city being taken to officiate at funerals of members of the order, or even at weddings. On two occasions an Odd Fellow and a Rebekah were uniteed even more closely than the vows of the order had already united them.

These labors have been accomplished almost altogether without expense to the Grand Lodge. In turning over the insignia of my office to my successor I can only wish for him as kindly treatment as has been given me, and as gracious a Grand Master with whom to co-operate.

ORVIS F. JORDAN,
Grand Chaplain.

REPORT OF GRAND WARDEN.

STREATOR, ILL., August, 1922.

Honorable A. L. Yantis, Grand Master, Shelbyville, Illinois:

MY DEAR BROTHER YANTIS—Again, after what has seemed a very short space of time, we are completing another year and nearing another Grand Lodge session. So I wish to submit to you a report of my activities during the term about to end.

I have made about sixty visits during the year and there were many I could not make. I have attended the following Special Sessions of the Grand Lodge, as called by the Grand Master, and officiated as Grand Warden as prescribed by our Laws:

Chicago—May 10th, 1922. District 1 Meeting.

Rutland—August 4th, 1922. Streator Team No. 468 conferred degree.

I am pleased to report that Rebekah Odd Fellowship seems to be in a flourishing condition throughout the state and the meetings I have attended show the spirit and interest the women have for the benefit of this great Brotherhood's success.

I have tried to fill all the requests made for my services but found it was impossible, but have given of my time in my humble way and have travelled approximately 6,323 miles since the last Grand Lodge Session. I have tried to be of service to the Order and the Grand Master as best I could. I hope the good work of the Grand Master will be carried out in the years to come so that his work will not be in vain as I believe the Order throughout the state will reap the harvest of his sowing. The industrial conditions were such as to stop the growth in numbers but not in spirit and interest for the promotion of the principles of Odd Fellowship this year.

I will say that, in addition to the meetings, I attended the funeral of Brother Phillip Reitz, who came to an untimely death at Joliet on August 7th. I always found Brother Reitz a man who was greatly interested in the Order and I know he has laid aside the responsibility of his own affairs to give his time to the welfare of the Order, and the Order has lost a good, loyal, and hard worker in the death of Brother Reitz.

During the year I have had the pleasure and honor of presenting many Veteran Jewels to members of our Order who have held continuous membership for twenty-five years, and three who have been members for fifty years, namely: Brother Vincent, Odell, Illinois, November 28th, 1921; Brother William Sommer, Streator Lodge No. 602, Streator, Illinois; and our good old Brother A. J. Mourer, of Eureka. These Veteran Jewels are worn by Brothers who have seen many ups and downs in the Order and after all they have decided that it was worth while to be an Odd Fellow, and I think it is an impressive example to our younger members that Odd Fellowship is worth while and worthy of their best efforts.

In conclusion I will say that that I appreciate the high honor of being one of the officers with the Grand Master of this term, because I have enjoyed perfect harmony in my work with all of the Grand

Officers and appreciate the advice and assistance so freely given me at all times. I am only sorry that I could not give more of my time to this noble Order.

To you, Grand Master, I wish to express my personal esteem, and wish for you, in the years to come, happiness and prosperity. I will always cherish in fond memory your friendship to me. You should be congratulated by every Odd Fellow in this state for your splendid administration and the good work you have accomplished during this year of industrial strife.

Sincerely and fraternally yours,

GEORGE TURNER,
Grand Warden.

REPORT OF GRAND CONDUCTOR.

CHICAGO, SEPT. 10th, 1922.

Honorable A. L. Yantis, Grand Master, Shelbyville, Illinois:

DEAR BROTHER YANTIS: As your term of Office as Grand Master is drawing to a close, I feel that it is my duty to render a report to you of the visitations that I have made during the past year, while I have had the honor and the privilege to serve as your Grand Conductor.

It would be impossible for me to go into full details of the many pleasant hours that I have spent, and the many new acquaintances I have made during the past year.

I have attended 131 meetings during my term as Grand Conductor. Every meeting that I attended has been a pleasure to me; if I have been of any assistance to you, or have contributed by my best efforts to this great Order that is near and dear to us all, then I feel that I have been amply repaid for the many hours that I have devoted to Odd Fellowship during the past year.

The work, as I have found it, has always been a pleasure to me, the meetings have all been well attended; the most important of these are the meetings held in this city and known as Grand Master's Night.

There have been a number of Union district meetings held in this city, which I believe have been very beneficial to the Order, and should be encouraged, as they bring more of the membership together and cause a more fraternal feeling to exist among the members. I shall never forget the many pleasant meetings that I have attended where you were present, and the very courteous treatment that you accorded me,

Thanking you for the honors that you have conferred upon me, I am

Sincerely and fraternally yours,

F. C. MAYER,
Grand Conductor.

ODD FELLOWS' LEAGUE AND RELIEF BOARD.

September 10th, 1922.

Honorable A. L. Yantis, Grand Master, Shelbyville, Illinois:

Dear Brother Yantis:—We beg to submit for your consideration, the report of the Odd Fellows' League and Relief Board for the year just closing.

Odd Fellowship, being progressive in its character, was the cause of the Odd Fellows' League and Relief Board being brought into existence.

By our laws an Odd Fellow sojourning in the city, and being sick or in distress, was obliged to report to the nearest lodge. In Chicago and suburbs there are 111 Subordinate Lodges scattered in all parts of the city, but a stranger would find it difficult to locate a lodge to make his needs known. This condition was brought to the attention of some of our live wires, and several attempts were made to overcome this condition. Finally the Odd Fellows' League and Relief Board was organized to overcome this difficulty; organized to care for and assist sojourning Odd Fellows and Rebekahs from outside of Cook County in time of need.

The Lodges of Cook County have pledged themselves to contribute to support this plan; an office is maintained in the Loop District which is open at all times during business hours, where any Odd Fellow or Rebekah can call and receive the courtesy that they are entitled to by the laws of our Order.

The amount paid in by the lodges was barely sufficient to pay the expenses of the office and care for the relief of the members calling; the lodges then subscribed and paid in $788.00 to be kept intact for relief only. For a time this was ample to care for all cases, but, on account of the change of conditions, and increase of business, this fell short. By the generosity of the Grand Lodge an appropriation is being made to assist the members from outside of Cook County. From this appropriation $712.00 was placed in the Relief Fund to be used as a working fund for relief only.

During the past two years the expenses of the office have increased as well as the business of the office; the rent has been increased, so that at the present time the cost of maintaining the office is about $200.00 per month. This, considering the amount of business that passes through the office, is very small.

Our records for the year: There have been 516 calls for aid, coming from every jurisdiction under the Sovereign Grand Lodge; this includes three from Alaska and two from Australia. We have paid out for relief during the year, $3,657.54.

During the year there have been reported to this office 896 calls for information of various kinds; seven cases of missing; 156 cases of sickness and distress have been cared for; 15 deaths; six accidents; 14 imposters have been stopped; and 10 have called for and received legal advice from our legal board.

Trusting that this report will meet with your approval, we are

Fraternally yours,

F. W. JACKSON, *General Secretary.*

S. D. WHITNEY, *President.*

REPORT OF GRAND INSTRUCTOR.

CHICAGO, ILLINOIS, September 26, 1922.

Hon. A. L. Yantis, Grand Master, I. O. O. F., Shelbyville, Illinois:

DEAR BROTHER YANTIS—I cannot begin this, my final report, without expressing the pleasure I have had in working with you during the past year. I shall never forget the uniform courtesy you have shown me throughout the term, making your instructions and directions given almost daily a pleasure to carry out. Your youth, your ability, and your high qualities as an Odd Fellow and a citizen bespeak for you a long life of usefulness. Perhaps I can do no more better than to say with David, "My Brother, I wish you well."

General Conditions.

The general conditions within the Order, notwithstanding many interruptions due to strikes, are good. While we have some lodges which are more or less dormant, several of them are now on the way to recovery. Due to active work on the part of District Deputies, many lodges throughout the state have been revived, and others speeded up, which has materially reduced the number of inactive lodges. Too much praise cannot be given to these District Deputies, who have labored faithfully and efficiently to assist lodges in their respective districts to get on their feet again.

Schools of Instruction.

During the past year I have held a large number of Schools of Instruction, which have been so placed as to practically cover the whole state. The attendance and interest shown at these meetings have exceeded anything in my experience, which leads me to believe that our membership realizes, as never before, that in this day and age EFFICIENCY is the one thing that will carry our Order through the present world crisis and land us safely on solid ground—still the leading fraternal order.

If you were to ask me what, in my judgment, was the weakest point in our organization at this time, I would be compelled to say that it is a tendency to permit inefficient officers to be installed and hold office in our Subordinate Lodges. This is not true in all the lodges, and perhaps it is not true in a majority of them, but it is true in altogether too many. Where the officers are permitted to parade the rituals through a session of the lodge, there you will find candidates taking degrees without proper instruction and examination; Secretaries keeping books that cannot be audited; carelessness in the care of the sick; the funds of the lodge improperly safeguarded, and a lodge traveling on the down grade that leads straight to disaster, sooner or later. To the best of my ability I have called attention to this subject in all the meetings I have attended, and I am gratified to be able to say that my suggestions have met with some success at least.

At this point may I offer the following observation: I believe the time is at hand when our membership must give more attention to the financial situation in many of our Subordinate Lodges. I find many of our lodges attempting to pay larger sick benefits than the provisions of their by-laws will warrant, and it is only a question of time when such lodges will either have to confess themselves bankrupt or increase their dues. While it should not be the principal aim of a lodge to pile up a great reserve in its treasury, that it may be regarded as a "rich" organization, still it is absolutely necessary that every

lodge should provide for unlooked for calls upon its funds, such as are bound to come in the experience of all lodges. If our laws, which provide for the minimum dues which may be charged, also provided for the maximum benefits that could be paid per dollar charged as dues, it would be the means of keeping many lodges off the rocks which are bound to wreck them at no distant date.

Scope of the Schools.

In holding Schools of Instruction everywhere in the state I have taken the broad ground that it was my duty to advise the lodges on all matters appertaining to the conduct of lodge business, as well as ritualistic instruction; always making it clear that it was purely ADVICE, and not decisions, for decisions could be made only by the Grand Master. My suggestions have been received most kindly, and I believe that much good has come from these discussions.

District Meetings.

I have tried to place my Schools where and when District Meetings were held, for the reason I would be able to reach a larger number of the lodges without increasing the necessary traveling expense. In other words, I could reach from a dozen to forty lodges at one and the same time by taking advantage of the district gatherings, and from my experience I do not hesitate to say that all the Schools conducted by the Grand Instructor at the expense of the Grand Lodge should be confined wholly to District Meetings except where he can reach them without expense or at his own expense; that the funds appropriated by the Grand Lodge should be expended in such manner as to reach the greatest number of lodges for the benefit of all. Following this plan, which received your prompt approval, the attendance at these schools has been all that could be desired, with one or two exceptions.

District Deputies.

I cannot say too much in favor of the splendid cooperation given me by your District Deputies. They have, as a general rule, been present and given valuable assistance, and, what is perhaps more important, they have labored hard to put into operation and loyally carry out the suggestions and instructions given at the Schools. Without this cooperation, much of the benefits of the Schools would have been lost, for it is the constant, everyday work done in the districts that finally brings efficiency in the lodges.

Standardized Work.

I have given many years to the subject of Degree Work, and each year I have grown stronger in the belief that it is to the advantage of our Order in Illinois that the lodges make every effort possible to

conform to a standard interpretation of the several Degrees of the Subordinate lodge. A high standard should be established, but it should not be so elaborate as to make it impossible of adoption in the average lodge, except, perhaps, in cases of purely exhibition work. I have been careful to give exactly the same instruction everywhere, and, be these instructions good or bad, they are at least standard and not beyond reach of any lodge that will make an effort to do reasonably good work. A candidate must pay whatever fee for membership is prescribed by the By-Laws of the lodge to which he makes application, and he should be able to get the work in exactly the same manner as he would had he made application to some other lodge. There should be no excuses offered for poor work while the candidate is required to pay the full amount demanded by the By-Laws. To disappoint a candidate is to make him a "member" but not an enthusiastic Odd Fellow. I have urged with all the force of which I am possessed that no Degree be attempted upon a candidate without having been first rehearsed, that the very best work possible for the lodge to perform would be assured when done before the candidate. Many lodges have adopted my suggestion offered in a circular letter early in the term, that degree work be done only every other meeting night, which would give the degree staffs an opportunity to prepare for work the following night. Wherever it is impossible to get the staffs together on an extra night, this method should be adopted.

The Diplomas.

The diplomas you have offered to efficient officers and Past Grands during the year have been helpful in promoting efficiency, and I hope the time is not far distant when every Vice-Grand will be able to serve notice on his lodge that he is fully qualified for promotion to the chair of the Noble Grand by reason of his possession of a Diploma Extraordinary. When the time shall have arrived when every Noble Grand sitting as the presiding officer in his lodge shall not only have qualified himself for the position he holds, but is giving the best there is in him in return for the honors conferred on him by his lodge, there will be but little for Grand Officers to worry about except the executive duties appertaining to their respective offices. The Diploma given to Past Grands who have retained their interest in the work of the Order and can pass a proper examination has done much to encourage those who "carry the brick and mortar" in our lodges. I trust these diplomas will be offered by succeeding administrations, and that the membership will continue to receive them as a token of appreciation for work well performed, not only by the Grand Master, but by the whole Order.

Official Instructors.

I have tried to encourage efficiency in the unwritten work of the Order, and, while a large number have passed satisfactory examinations and have been granted Commissions as Official Instructors (see appended list of Official Instructors), I am sorry to have to report that I have not been able to recommend Commissions for at least one in every lodge, nor even one in every district. This does not, of course, mean that there are some whole districts where there is no Brother who is proficient in the unwritten work, but that no Brother came forward and submitted to an examination which would lead to the granting of a Commission. In this connection I wish to say I believe it to be necessary in order to be sure of this work that every Brother take an examination at least once a year, else little by little he is bound to "slip" and finally find that he is so far off as to make him useless in handing down his work to those who gain membership in his lodge from year to year. It is not enough that a Brother had the work in years that have passed, but that he have it now—the time in which he is living and can render service to those who are daily gaining membership.

Harmony Within the Lodges.

I have called attention to the necessity of maintaining harmony within our ranks in order that we may be able to perform our best work. I am glad to be able to say I have found but little friction anywhere. It must be expected that with a membership so large as ours in Illinois there are bound to be some misunderstandings and differences of opinion here and there, but on the whole it is remarkable how little cause there is for complaint along this line. I am frank to say I attribute this condition largely to the good judgment and spirit of fraternity which you, as Grand Master, have exhibited in the discharge of your duties and responsibilities. The disposition to compromise and adjust differences as they have occurred is to a great extent due to the sound and impartial advice which have characterized your letters and direct instructions and decisions.

Correspondence.

My correspondence with the District Deputies, lodges, and individuals has at times been very heavy, demanding much of my time and best thought. I have carefully scanned every report sent in by District Deputies, and whenever a lodge was reported as failing to hold meetings, or was lax in the handling of its business or in the exemplification of the Degrees, I have taken up the matter with the Secretary of the lodge, always sending the Deputy a copy of my letter that he might know what I had said and be able to cooperate with me

in bringing about an improvement. While this system has involved the writing of hundreds of letters, I believe much good has come from it. Lodges do not as a rule wish to violate the laws, rules, and regulations of the Order, but rather do they find themselves doing so because of ignorance as to what is required. Frequently we have found lodges using By-Laws which were adopted and approved twenty years ago, the membership being wholly unaware of the many changes which had been made in the Constitution governing Subordinate lodges during that time. Whenever such conditions have been discovered, the lodges have readily made the necessary changes which would bring their By-Laws into harmony with the laws of the Order.

CONCLUSION.

Keeping in mind your admonition to confine my report to a brief cutline rather than to go into details, I shall not attempt to cover the more than 150 visits I have made to lodges during the year. Suffice it to say that these visitations have embraced almost every kind of ocasion—from Special Sessions of the Grand Lodge, schools, presentations, anniversaries, memorials and funerals, to missions of peace. It has been an active year with me, and I hope, in some small measure, useful. I lay down my official duties with no small regret that time and opportunity did not permit me to do more. I wish to thank the hundreds of faithful Odd Fellows and particularly Mr. Adam Green, Ass't Grand Instructor, who have so loyally labored with me in the hope that we were rendering some little service which was worth while to our Order and to humanity.

Sincerely and fraternally,

N. M. Wood

Grand Instructor.

REPORT OF ASSISTANT GRAND INSTRUCTOR.

McLEANSBORO, ILLINOIS, OCTOBER 1, 1922.

Hon. A. L. Yantis, Grand Master, I. O. O F. Shelbyville, Illinois:

DEAR BROTHER YANTIS:—In pursuance of the established practice of my worthy predecessors and in compliance with your request, I am pleased to submit to you, and to the Grand Lodge of the I. O. O. F. of the jurisdiction of the State of Illinois, for your consideration, this report of my work as Assistant Grand Instructor for the fiscal year of Odd Fellowship now nearing the close.

First of all, Grand Master, I desire to thank you for the honor conferred and the confidence reposed in me, in appointing me to fill this honorable position.

Knowing, as I do, the responsibility and the important work to be done by an Assistant Grand Instructor, I realized that I had not been selected as an ORNAMENT but as an IMPLEMENT for usefulness to the Order.

At the time of my appointment, I was informed by the Grand Master and the Grand Instructor, that I would be expected to assist them in the work of the Order in the southern end of the state. This I have endeavored to do, by responding to every call, whether it be from the Grand Master, Grand Instructor, Subordinate Lodges, or District organizations.

On November 22, 1921, at the request of the District President, I attended a District Meeting and examplified the ritualistic work of the Initiatory Degree, at Fairfield, in District No. 96. Grand Secretary John H. Sikes was present, and in his usual pleasing manner delivered a very interesting and instructive address.

December 12, I was honored with the presence of the Grand Master, A. L. Yantis, and Grand Instructor H. M. Blood, P.G.M., at my home lodge, Hamilton Lodge No. 191, McLeansboro, Ill., where they held a Special Session of the Grand Lodge and School of Instruction. The Grand Lodge and Past Grand Degrees were conferred on a large number of Past Grands. All present were much interested in the address on Odd Fellowship delivered by the Grand Master, and in the instructions and exemplification of the work conducted by the Grand Instructor. I, with the assistance of the degree staff of Hamilton Lodge, No. 191, exemplified the work of the first degree. I also conducted the examination in the Unwritten work.

January 12, 1922, at the solicitation of Brother C. E. Gardner, D. D. G. M., I attended a District meeting of District No. 112, held with Hebron Lodge No. 19, at Equality. At the afternoon session I gave the Unwritten work and exemplified the Ritualistic work in all of the Degrees. The Brothers present were so deeply interested in the work that I was asked at the evening session to give a repetition of the work of the afternoon.

January 21, I was invited by Woodlawn Lodge, No. 522, to visit their lodge and give them instructions in the Ritualistic Work. I visited their lodge on the above date, and gave them instructions in both the Ritualistic and the Unwritten work.. I also gave the degree staff instructions in drill work. These Brothers were so anxious to acquire the work as it had been exemplified to them that they prevailed upon me to remain over until the next evening and resume my instruction work, which I did, and I feel that my work was not in vain, for at the first District meeting thereafter this degree staff was called to confer the First Degree.

February 6, I attended a District Meeting in District No. 112, held with Junction Lodge No. 434. I gave instructions in the Unwritten work and exemplified the work in the Initiatory, First, and Second Degrees.

On February 16, I attended a Special Session of the Grand Lodge and School of Instruction at Centralia. Grand Officers present were Grand Master, A. L. Yantis, Grand Secretary, John H. Sikes, Grand Marshal, Philip Reitz, Grand Guardian, John Kagy, Grand Instructor, H M. Blood, P.G.M. The Grand Lodge and Past Grand Degrees were conferred on a large class of Past Grands. Grand Lodge Officers all made splendid talks. Brother Blood gave the Ritualistic instructions and I gave the Unwritten work.

March 4, I attended the Special Session of the Grand Lodge and School of Instruction at East St. Louis. Grand Lodge Officers attending this meeting were the Grand Master, Grand Secretary, Grand Marshal, and Grand Instructor. A large number of Past Grands were in attendance and received the Grand Lodge and Past Grand Degrees. Splendid talks were made by each of the Grand Lodge Officers, and a great interest in the work of Odd Fellowship was manifested at this meeting. Much credit is due D. D. G. M. Brother W. A. Murphy for the enthusiasm existing in the Order in his District.

The School of Instruction was conducted by Brother Blood, whose instructions and exemplification of the Ritualistic work were given in a masterful manner. I conducted the examination and gave the entire Unwritten work.

April 26, I attended a District Meeting and anniversary celebration of District No. 100, held with Dahlgren Lodge No. 486. Held

School of Instruction and exemplified the work of the Initiatory Degree.

April 21 I received a telegram from the Grand Master requesting me to get into immediate communication with the lodges or District Deputies in flooded districts along the Wabash and Ohio Rivers, and ascertain as to the need of immediate relief of our members. In response to this request I at once got into communication with the District Deputies by wire and was informed by them that immediate relief was not needed, that none of the members of the Order were reported to be in distress. This information I communicated to the Grand Master.

On May 3, I attended a District Meeting of District No. 103 at DeSoto, in Jackson County. I gave instructions in the Unwritten work, and in the matter of lodge procedure, and exemplified the ritualistic work in the Initiatory, First, and Second Degrees.

June 12 I paid my home lodge an official visit. They had prepared a special program, consisting of music, readings, and an address by the Rev. J. C. Lowe. I was called upon to give the entire Unwritten work for the benefit of the newly installed officers of the lodges represented, and also gave a short talk on the efficiency of lodge officers.

July 11, I attended a Special Session of the Grand Lodge and School of Instruction at Shawneetown. Grand Lodge Officers in attendance were Grand Master, Grand Secretary, and Grand Instructor. The Grand Lodge and Past Grand Degrees were given to a large class of Past Grands. Brother Blood gave instructions and exemplifications of the Ritualistic work and I gave the Unwritten work. The Grand Officers all made splendid talks for the good of the Order.

From Shawneetown, we went the following day, July 12, to Cairo and held a Special Session of the Grand Lodge and School of Instruction. Brother Blood instructed in the Ritualistic work and I gave the Unwritten work. The Grand Master and Grand Secretary delivered very interesting and instructive addresses and the Grand Master perfected a District organization and appointed a District Deputy for District No. 109.

July 26, I went to Waltonville, in Jefferson County, where I held a School of Instruction, exemplifying the ritualistic work in the Initiatory and First Degrees, and gave the entire Unwritten work. This was a District meeting of District No. 94.

August 1, I attended a District meeting of District No. 99, held at Mannie.

August 16, I went to Jonesboro, in Union County, and assisted in organizing a District organization of District No. 104. I exemplified the work of the Initiatory and First Degrees, also gave the Unwritten

work. The Degree Staff of Southern Lodge No. 241 exemplified the Second Degree in a very creditable manner.

August 19, I went to Christopher, in Franklin County, as Special Deputy for the Grand Master.

September 4, I attended an Odd Fellows' picnic and rally day of the Odd Fellows and Rebekahs of White County, District No. 99, at Carmi, and delivered an address, on the principles and progress of the Order.

September 20, I attended a District Meeting of District No. 100, at Broughton, and exemplified the ritualistic work in the Initiatory Degree.

I am pleased to report that I have found the lodges in the southern end of the state in splendid working condition. While many of them have not made much gain in membership the past year, owing to the industrial conditions which have confronted them, they are interested in the welfare and prosperity of the Order.

I have examined, and issued Certificates of Proficiency in the Unwritten work to nineteen Brothers, during the year, and have instructed a great number of Brothers in the Unwritten work.

My relations with the Brothers and my associations and co-work with the Grand Lodge Officers have been exceedingly pleasant. I have indeed enjoyed the time spent in the work. It has been a source of pleasure to me, and, I trust, beneficial to others.

The organization of Odd Fellowship means more to me than wearing a badge of the Order, or memorizing the ritual and Unwritten work; it means to me the friendship of a host of men whose friendship I cherish; a friendship that is practiced in adversity as well as prosperity, and which is not found wanting in the hour of death.

Once more, Grand Master, I thank you with all my heart for the honors and kindness you and your associate Grand Officers have shown me. And to Brother H. M. Blood, P.G.M., Grand Instructor, I most sincerely thank you for the worthy advice and counsel rendered to me, in conducting my Schools of Instruction. If I have been any help to you, in your work, the past year, I am doubly repaid for the miles I have traveled and the hours of sleep I have lost. Trusting that the work of progressiveness now under way will continue, and assuring you and the incoming Grand Officers of my willingness to serve the Order to the best of my ability, I have the honor to remain,

Yours in Friendship, Love, and Truth,

ADAM GREEN,
Assistant Grand Instructor.

FIRST REPORT OF THE COMMITTEE ON RAILROADS, BY BROTHER A. B. CHADWICK.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Railroads would respectfully report as follows: After negotiations with the Western Passenger Association and Central Passenger Association we have secured a fare and one-half for the trip to Springfield on the identification plan, same as last year. Same action taken by Illinois Traction System. While we had hoped for a more generous concession we were unable to secure a better rate.

Respectfully submitted,

A. B. CHADWICK.
ALBERT MYERS.

INTRODUCTION

LINCOLN, ILL., September 15th, 1922.

Hon. A. L. Yantis,
Grand Master, I. O. O. F.

Dear Grand Master: Complying with the rules adopted by the Grand Lodge, we herewith present the annual report of the transactions of the Orhpans' Home. The year has not been an unusual one, and there is but little to report, other than routine matters. However, we can and do report that the operation of the Home has been continued under the well known rules adopted in former years, and no serious problems have confronted us. At times we have been puzzled as to the best course to pursue, but time and patience have brought desired results.

We have considered about fifty applications during the year, more than half of which came from living members of the Order. It seems to be the idea of many members of the Order, that the Home was established for the purpose of caring for the children of any member who desired to find a home for his children. It is increasingly evident each year that the Grand Lodge ordered wisely, when it decided that half orphans should be admitted only when they are practically full orphans. To admit children of living members of the Order would require the expenditure of at least half a million dollars for new buildings within the next five years.

Organization.

At the first meeting after the last session of the Grand Lodge, the Board organized by the election of the following officers:

W. R. McGaughey.....Chairman
J. Parker Smith.....Vice-Chairman
J. J. Crowder.....Secretary

Committees.

Chairman McGaughey appointed the following committees to serve during the year:

Auditing.....Directors Birney and Crowder
Farm.....Directors McGaughey and Thompson
Applications .....Directors Thompson and Crowder
Supplies.....Directors Crowder and Smith
Buildings.....Directors Smith and Birney
School.....Directors Birney and Thompson

The Auxiliary Board.

The work of the Auxiliary Board during the past year has demonstrated anew the wisdom of the legislation which made such a Board possible.

Since the last session of the Grand Lodge, three sessions of the Auxiliary Board have been held at Lincoln, the meetings being held at the same time the Directors were in session. At each session, joint meetings were held, and many subjects discussed pertaining to the Home. Many suggestions have been made by members of the Auxiliary Board which have been of value in the conduct of the Home, and which probably would never have occurred to the Directors.

In a financial way, too, the Auxiliary Board has been of great assistance, and by their contributions and purchases have added materially to the comfort and welfare of the Home.

Mrs. Thompson, President of the Assembly, has attended each session of the Auxiliary Board, and has entered fully and earnestly into the plans of the work, in planning for the future.

The report of the Auxiliary Board, which will be published as a part of the Annual report, will give in detail the work of that Board during the year, and it is hoped that it may be given the careful study it deserves, by the membership throughout the state.

Improvements.

We have recently had constructed cement sidewalks to take the place of most of the brick walks around the several buildings. These old walks had been down for many years, and were badly worn by the constant tread of many feet. We also replaced, with cement, the wooden floors on the porches of Lizzie L. Morrison Hall, (Domestic Science Building), and Cottages Nos. 1 and 3. We have also rebuilt the hay barn, and enlarged it, to meet the present needs. It is intended to build new fence on two sides of the farm during the coming year.

Plans have been drawn for rearranging the toilet rooms in the Administration Building and Cottage No. 1, and for considerable repair work in the basement of Cottage No. 3.

There are a number of improvements that the Directors have under consideration, which may be taken up during the coming year. Among these are the construction of an electric light plant for the Home, and sinking a deep well to furnish a greater supply of water.

Health of the Home.

The past year has been a trying one, from a health standpoint, as scarlet fever was prevalent from February until August. All of these months, the Home was partially quarantined and the sick were rigidly quarantined on the third floor of Cottage No. 2. The disease was not severe but continuous, and new cases were reported frequently.

It is a case of rejoicing that no serious cases were reported, and, so far as known, no bad effects have followed in any case, as so often happens. For this, we are indebted to the watchful and earnest work of our physician, Dr. F. M. Hagans, and to the tireless efforts of the nurse, Mrs. Myrtle King, who patiently stayed with the children, day and night, through the months of quarantine.

This quarantine interfered sadly with the activities of the Home in many ways: The children were deprived of their usual vacations with relatives and friends, and missed the accustomed visits of the loved ones at the Home. The Band could not make its usual visits, greatly to the disappointment of both Band and various lodges, where visits had been promised.

The experience of this year has about convinced us that it will be necessary, in the near future, to build a hospital building, with the necessary equipment for caring for the sick, and preparing their meals. Such a building need not be a large one, but could be so arranged that it might be enlarged at some future time. It could also be used to house children when first sent to the Home, when they should be kept separate from the other children for a week of observation.

Additional Farm Land.

We have recently learned that the farm adjoining the Home farm on the south, consisting of one hundred fifty-one acres, is for sale, and have been negotiating for the purchase of eighty acres of it.

We believe that it would be advisable to buy this land, if it can be purchased at a reasonable price, for we are in need of more land for pasture and for general farm use. It will be remembered that the eighty acres, last purchased, lying west of the Home, is low land, situated in the valley of Salt Creek. Most of this eighty is subject to overflow, and nearly every spring the high water prevents farm work. For this reason, too, we cannot depend on this land for pasture, and crops are uncertain. A drainage district is being organized to drain the Salt Creek valley, from a point five miles southeast of Lincoln, to the confluence of Salt Creek and Sugar Creek, near New Holland, a distance of about twenty miles. It may be years before this drainage project is completed, and in the meantime, our eighty acres of land is not to be depended on for general farm use.

If eighty acres additional should be purchased, we would then have 237 acres, which would not be too large a farm for a such a large and growing family. Other Homes have larger farms, as shown by the report of the Grand Secretary of the Sovereign Grand Lodge for the past year. Following is a list of some of the farms of Odd Fellows' Homes in other states.

Iowa Odd Fellows' and Orphans' Home.....Mason City, 260 acres
Odd Fellows' Home.....Liberty, Mo., 252 acres
I. O. O. F. Home.....Springfield, Ohio, 372 acres
Odd Fellows' Orphans' Home.....Sunbury, Pa., 277 acres
Odd Fellows' Home.....Grove City, Pa., 253 acres
Odd Fellows' Home.....Clarksville, Tenn., 250 acres
I. O. O. F. Orphans' Home.....Corsicana, Texas, 266 acres
Odd Fellows' Home.....Lynchburg, Va., 265 acres
Alabama Odd Fellows' Home.....Cullman, Ala., 231 acres

Further information concerning the proposed purchase of this land will be given at the opening session of the Grand Lodge.

ACKNOWLEDGMENTS.

We are glad to report that the harmony and good feeling, which for years have characterized the Home and its management, have continued through the past year.

The Superintendent and Matron, Dr. and Mrs. Lucas, have continued their splendid work for the children, and deservedly receive the thanks and commendation of the Board and the membership throughout the State.

The teachers, governesses, and employees have given their best efforts to carry on the work of the Home, and we are glad to express our sincere appreciation of their work.

Many Lodges, both Subordinate and Rebekah, have shown their interest in the Home, by contributions to the children and others, have assisted in refurnishing rooms that they furnished in former years. For this, we also extend our warmest thanks.

The reports of the Secretary of the Board, the Superintendent and Matron, and the Auxiliary Board, which follow this report, will give in detail the transactions of the Home during the year, and we earnestly ask the membership to study these reports carefully, that they may know what has been done and what we hope to do.

Fraternally submitted,

BOARD OF DIRECTORS. { W. R. McGAUGHEY, Chairman,
J. PARKER SMITH, Vice-Chairman,
J. J. CROWDER, Secretary,

It is hoped that the membership will carefully study this report, and thus become more familiar with the work of this Home, of which we are all so proud.

REPORT OF THE SUPERINTENDENT AND MATRON.

LINCOLN, ILLINOIS, SEPTEMBER 1, 1922.

To the Board of Directors of the Odd Fellows' Orphans' Home, Lincoln, Illinois:

DEAR BROTHERS—Another year has passed and another record has been made. And we sincerely hope we have done our full duty in every respect to all concerned. We want to assure you we have endeavored to render a just stewardship to you and to the great Order that is doing so much for humanity. We fully realize that there is no greater work than training boys and girls for American citizenship.

For almost seventeen years we have endeavored to train the children of our Home for useful lives. Scores of these boys and girls have gone out into active life, where almost every one has made good.

Hence we submit to you the following report:

OUR SCHOOL.

As has been previously said every Odd Fellow and Rebekah in Illinois may well feel proud of our school. We meet every requirement of the State, County and High. Our grades are accepted for admis-

sion in one of the best high schools in the state, namely, the Lincoln Community High School.

The best is not too good for our boys and girls.

Mrs. Greer, our principal, has done a good work with the aid of her assistants and twenty have been given their eighth grade diplomas.

We had eight boys and girls in high school last year and will have nineteen this year.

The commencement address was delivered by the Grand Master, A. L. Yantis. The address was of the most practical kind and will never be forgotten by the class and all who were present.

At the close of the address the Grand Master presented each of the graduates with a bright new ten dollar gold piece as a gift from the Grand Lodge. Immediately following this presentation Sister Thompson, President of the Rebekah Assembly, presented each graduate with a shining new five dollar gold piece. But this was not all. Peoria Rebekah Lodge No. 113 and the Busy Bees of Eudora Rebekah Lodge No. 73 sent a new dollar for each of the graduates, making in all $17.00 that each graduate received as a reward of merit for work done. Dr. J. A. Lucas presented the diplomas and the dollar bills sent by the Rebekah Lodges.

The class motto was "Loyalty." The class colors were gold and crimson. The class flower was the "Rose."

The list of graduates are as follows:

William Alexander McGill, Kenneth R. Ray, Ethel Maxine Shadowens, Oswell Artie Kraay, Goldie Elizabeth Johnson, Lyle Robert Fulk, Signe Pearl Singdahlsen, Charles Nathan Loyd, Cecelia Weinstein, Kenneth Ernest Lind, Arthur Wendell Fredrickson, Mildred Pauline Hurley, Homer Everett Collier, Thelma Margaret Marsh, Robert Dickey, Mildred Lucile Harford, Charles Otto Glick, Imogene Edwards, Everett Carl Legge, and Rocco LaValley.

The prominent people present were: John H. Sikes, Grand Secretary; Mrs, Nellie Thompson, President Rebekah State Assembly; John J. Crowder, Secretary of the Board; W. R. McGaughey, President of the Board; J. Parker Smith, J. W. Birney, T. H. Thompson, Mrs. Mae E. Crowell, Secretary State Assembly; Miss Eva Young, Mrs. Catherine Hoefer, Mrs. Elizabeth Ginter, and J. D. Phillips, Deputy Grand Master, and Mrs. Phillips.

Prof. H. O. Merry, band.

The Band.

The Band has done little in the way of furnishing music for Anniversary occasions and picnics, on account of being handicapped by the scarlet fever in the Home. However, the drill has been constant, and we believe we have the best Band the Home has ever enjoyed. While we have been unable to answer the calls which have been more numerous than ever since the history of the Band, we still hope to furnish good music for the Grand Lodge and Rebekah State Assembly when they meet in October.

Health of the Children.

For many months the Home was seriously afflicted with scarlet fever. The anxiety on the part of the Superntendent, Matron and Governesses was exceedingly great. While there were no fatalities, for which all of us have been devoutly thankful to our Heavenly Father, the extra care and expenses have been exceedingly large, but our good Board of Directors and Auxiliary Board, together with Grand and Assembly Officers and Odd Fellows and Rebekahs, have given their most helpful and sympathetic support on all occasions. Many of the helpers and children were afflicted during the winter months with the "flu."

Other than above mentioned the Home has been free from contagion, and the children are in good physical condition.

Lucile White.

For more than a year Lucile White has been in the Edwards Sanatorium at Naperville, Illinois. She is as cheerful as ever, but confined more closely to her bed. Lucile was eighteen years of age on July 15, 1922. She has been nearly four years in the Sanatorium.

Boy Scouts.

On account of scarlet fever, the activities of the Scouts have been very limited, indeed, as their Scout Master lives entirely outside of the Home, and the boys could not come in contact with the outside scouts on account of quarantine.

Rebekah State Assembly.

God bless the Rebekah State Assembly of Illinois. They have been so good and kind in providing so many things for the Home that we can not command language to justly express our gratitude for their generosity and loving kindness.

The wonderful Thanksgiving dinner which was provided for by the Assembly in their generous donation of $195.05 brought great happiness to our children. I think every one breathed a prayer of thanksgiving to the good Rebekahs for their kind remembrance. All of the $100.00 given for entertainment has not been used on account of the quarantine, but will be used during the fall and winter.

GRAND ENCAMPMENT.

In the early spring, the Grand Patriarch, Charles Byers, asked the Subordinate Encampments for contributions to purchase for our Home and Ideal motor mower. The response to the Grand Patriarch was immediate and satisfying, so in a very short time we received, as a gift from the Grand Encampments, an Ideal mower, which has done splendid work all the summer. We sincerely thank every member of the Encampment in the State of Illinois for his hearty response to the call of the Grand Patriarch.

Entertainment Fund.

Besides the $100.00 given by the State Assembly we have received, from Galesburg Rebekah Lodge No. 791, $10.00; Taurus Sanatorium, $100.00.

We have been to some entertainments during the latter part of the season. The children saw "Friendly Enemies," Barnes Circus, and some good entertainments at Chautauqua. We also have purchased some good records for our Victrola and have purchased a portable Victrola.

In conclusion we wish to thank every member of the Board of Directors for their kindliness of heart and their unmeasured devotion to the Home. We also want to express our gratitude to the Auxiliary Board for their sisterly aid in every time of need and for their resourceful advice. To the Grand Officers, the Officers of the Rebekah Assembly, the Grand Encampment Officers, the Patriarchs Militant, to our helpers in the Home, to every Odd Fellow and Rebekah in the State of Illinois and to every child in the Home for every kind word and act that has in any way contributed to the success of the Home we are extremely thankful.

Yours fraternally and sincerely,

J. A. Lucas, *Superintendent.*

Mrs. Josephine Lucas, *Matron.*

REPORT OF THE AUXILIARY BOARD OF THE ORPHANS' HOME.

"As President of the Auxiliary Board, it is my pleasure to present, for your approval, the official work of that body for the year 1922. In accordance with our laws, three regular meetings have been held during the year, January, June, and August."

Lincoln, Illinois, Thursday, January 5th, 1922.

The Auxiliary Board met in regular session on Thursday, January 5th, with all members present, except Sister Hoefer, who was prevented from attending, having illness in her family. Sister Nellie Thompson, our State President, was with us, this being her first meeting with the Board. Having been the custom for years that the outgoing Board member be made President of the Board for the ensuing year, Sister Fannie Schwartz was therefore declared President accordingly.

Sister Ginter moved that Sister Young be re-elected Secretary of the Board for the present year. Motion carried.

Sister Nellie Thompson conferred with Sister Lucas in regard to the needs of the children and, after investigating, found that clothing was needed most. After writing and obtaining the approval of all Board members, purchased the clothing needed.

The President of the Board, Mrs. Schwartz, suggested the Board give to the governess a token of appreciation of untiring efforts for the Home. Miss Young moved that a gift of $20.00 be given each governess for their efficient past service. Motion carried.

Upon invitation of Board of Directors, we met with them for a short session. President and Sister Trees made interesting talks. Sister Thompson moved that the floors of the main building and the basement of Miss Barr's building be refinished. Motion carried.

An investigation trip was made to the different buildings to ascertain what was most needed in them. The following articles were voted to be purchased:

Children's Kitchen: New zinc on tables. Two 40 qt. dishpans: meat chopper; and potato peeler.

Domestic Science Kitchen: Cooking utensils; varnish linoleum and desk; repair gas range and clock; refinish black board.

Domestic Science Sewing Room: Refinish floor. Build in closet. Purchase sewing machine and scissors; one table 8′ x 4′; one screen. Repair ceiling.

New dormitory: Redecorate all throughout. Change lighting system.

No other business to come before the Board, motion to adjourn was in order. Motion carried.

FANNIE SCHWARTZ, *President.*
EVA YOUNG, *Secretary.*

Lincoln, Illinois, Monday, June 5th, 1922.

The Auxiliary Board met in regular session with all members present, except Sister Schwartz and Trees. In the absence of the President, Sister Ginter was voted Temporary Chairman.

Sister Nellie Thompson, our State President, and Sister Mae Crowell were with us.

The minutes of last meeting were read and approved.

Sister Hoefer moved that lamps be purchased. Sisters Thompson and Young authorized to purchase same.

Sister Thompson read letter and bill for tractor which was purchased for the Home at Lincoln. Also reported that the voucher had been drawn and the $100.00 in gold was here to be given the 20 graduates.

The Grand Master, Brother Yantis, was with us and made us an interesting talk, saying, among other things, that he was particularly satisfied with our Home; that it far excelled any he had visited.

Brother Phillips, Deputy Grand Master, was with us, who spoke very pleasantly of the Home, and Mrs. Philips was also a welcome visitor.

There being no further business, the meeting was adjourned.

The Board of Directors and Auxiliary Board and several State Officers attended the graduation of 20 bright and intelligent boys and girls, which was indeed a real pleasure.

MRS. ELIZABETH GINTER, *President Pro Tem.*
EVA YOUNG, *Secretary.*

Lincoln, Illinois, August 7th, 1922.

The Auxiliary Board met in regular session with all members present, Sister Fannie Schwartz presiding.

The minutes of last meeting read and approved.

We had with us our State President, Sister Nellie Thompson, and Sister Lucas, Matron of the Home.

Sister Nellie Thompson reported there was a nice balance in the Orphans' Home Fund. Sister Thompson suggested the music room be refurnished and redecorated and committees were appointed to look after same.

About 11 A. M., upon invitation of the Board of Directors, the Auxiliary Board met with them for a short joint session.

Sister Schwartz spoke of a hospital being needed, that the children's health should come first, and suggested that the Grand Lodge be asked for an appropriation for a separate building.

Sister Ginter moved that the Auxiliary Board pay all bills for the alterations in the buildings. Sister Trees seconded the motion.

The meeting was adjourned for luncheon as guests of Dr. and Sister Lucas, which was certainly enjoyed by all present.

At 1:30 P. M. we reassembled for a short session before final adjournment.

Brother Birney met with us for a few minutes, suggesting to the Board that we should have an extra helper to relieve our governesses occasionally.

Committees were appointed for all departments of work.

Sister Trees moved that we as a Board give a rising vote of thanks to our President, Sister Thompson, for being such a willing worker. Sister Young seconded the motion.

Sister Ginter moved that a rising vote of thanks be given our retiring member, Sister Schwartz. Seconded and carried.

Sister Schwartz said among other things that she certainly had enjoyed the meetings and appreciated the co-operation of all the members.

After a most pleasant and profitable meeting and there being no further business, motion made and seconded to adjourn. Carried.

FANNIE SCHWARTZ, *President.*
EVA YOUNG, *Secretary.*

REPORT OF CHILDREN AND SCHOOL.

Number of children on August 1st,—187.

The school has maintained its standard of excellent work, shown in all departments.

Twenty of their pupils finished the eighth grade work in June. with high honors.

This is a beautiful tribute to the Home and its splendid workers in every department.

I know the Lord will bless all who are engaged in this good work, caring for the little children. We must become as little children.

With the exception of several cases of scarlet fever in the Home, the health of the family has been exceptionally good.

CONCLUSION.

Your Auxiliary Board met January, June, and August, with the Board of Directors, as is our usual custom.

These meetings were a means of inspiration to us all. The getting together and forming new acquaintances helped us to broaden in our views and put into life more than ever before. The courtesy shown to us by Dr. and Sister Lucas was certainly appreciated.

That was true cultivation which gives us sympathy with every form of human life and enables us to work more successfully for its advancement.

FANNIE SCHWARTZ, *Chairman.*
CATHERINE HOEFER.
ELIZABETH GINTER.
EVA YOUNG, *Secretary.*
ALICE M. TREES, *Vice-President.*

INTRODUCTORY

To Grand Master A. L. Yantis and the Members of the I. O. O. F. of Illinois:

In compliance with the rules of the Grand Lodge, we are pleased to submit the twenty-fifth annual report of the I. O. O. F. Old Folks' Home of Illinois.

The year has been especially free of bickerings and the old members of our Home have seemed to have a happy year. The work on the farm and in and about the Home has progressed smoothly under the watchful care and direction of Superintendent E. R. Sayler and the Matron, Sister Belle Riley.

The officers of the various branches of our Order have been kind and considerate of the needs of the Home and on many occasions have by their presence and fraternal greetings cheered the hearts of the old members.

The Grand Master has made many visitations, as has also the President of the Assembly, and their addresses to the members and management of the Home have been inspiring and helpful.

The Advisory Board has met with the Trustees quarterly instead of semi-annually, and has rendered splendid service and given much valuable time and profitable suggestions in the care and management of the Home and the improvement of the Home buildings.

The Grand Encampment, through its officers, has shown much interest in our Home and has placed beautiful memorial pillars at the entrances to the Home, at an expense of almost eight hundred dollars, which adds much to the decorative beauty of our property.

Crops have been good and live stock has done well. We have butchered more of our meats than ever before and have canned more vegetables and fruit than in any previous year.

Our waiting list is still large, and creates considerable restlessness with applicants and their Lodges, by the necessary delay of their gaining admission. However, the fraternal spirit of the Lodges, aided by the co-operation of the Grand Master, has been such that the worthy dependent members of our Order have been well cared for.

The Home has received many visitors throughout the year, and their expressions of approval on the conditions of the farm, buildings, and live stock, and the contentment and physical care of the old members, have been gratifying to the Trustees and management of the Home. Ministers and congregations of the various churches and societies in Mattoon have been exceedingly kind, and religious and entertainment services in the chapel have been helpful and interesting. To all who have aided us, we express our sincere appreciation.

Herewith we submit our financial and detailed report.

REPORT OF THE ADVISORY BOARD OF THE OLD FOLKS' HOME I. O. O. F.

It is again the pleasure of this Board to submit for your consideration the report of the work of the last year.

We wish it might be possible to paint a word picture so vividly that every one might see the Home in its various phases: its summer beauty, its winter comfort; might see the bountiful crops of the farm,

the heavily weighted fruit trees, and above all else that you might see our dear Home family. Visitors are always welcome, and only by a personal visit can one fully appreciate all that is being done by the membership and what the Home truly is. More and more we realize the value of the Superintendent, Bro. Sayler, and the Matron, Sister Riley, and all that their hard work and devotion to the Home interests mean.

Realizing that at the best the Superintendent and Matron have little opportunity for home life, early in the year plans were laid to remodel the old reception room into two rooms for Bro. Sayler, and to redecorate and refurnish Sister Riley's rooms. These rooms are now very attractive and certainly help to make more comfortable the home life of the Superintendent and Matron. The outside woodwork of all the buildings has been painted, new curtains purchased for the ladies' parlor and various other improvements made, all of which were badly needed.

The great increase of membership thruout the jurisdiction during the past two years has, thru the Home tax increased our resources, and naturally has also increased our responsibilities in expending it wisely. In connection with the Board of Trustees, four meetings have been held during the year and many needs have been considered and adopted as far as funds permitted.

We were much pleased to have the Assembly President, Sister Nellie Thompson, with us at the January meeting and also at the meeting held in September. Her wise counsel and sound advice were greatly appreciated. Grand Master Yantis was with us for a short time during our last meeting of the year and endeared himself to the old people by his genial presence.

Entertainments were provided in the chapel on the evening of each of the four sessions. These consisted of music and recitations rendered by local talent, and the entire program of one pleasant evening was rendered by members of the joint board and Sister Stella Phillips. On two occasions splendid moving pictures were enjoyed by the old people and are their favorite form of entertainment.

There has been perfect harmony and cooperation between the Trustees and the Advisory Board during the year and each has striven to aid the Superintendent and Matron in maintaining the proud assertion that this is the "best Old Folks' Home in the world".

The following are the expenditures from the Home tax which have been approved by both boards and the President:

Mattoon, Ill., August 31, 1922.

To the Advisory Board of the I. O. O. F. Old Folks' Home.

DEAR SISTERS: We have arrived at the time when we must submit our report. It is a pleasure, a great pleasure, to express our appreciation of the many acts of kindness to the Home by the Rebekahs over the State. The Assembly, through its splendid President, Sister Nellie C. Thompson, in cooperation with the Advisory Board and the Board of Trustees, refurnished the living rooms of the Matron and fitted up nice quarters for the Superintendent. Hardwood floors were laid and the walls beautifully decorated. The many people who visit the Home do not fail to express their good opinion of the Sisters who had this work in charge, and compliment them on their thoughtfulness.

All the outside wood work of all buildings on the Home grounds has been painted white; this adds to the appearance very much and we trust you will approve what has been done.

We have had much to contend with during the past year; there were times when we could not tell whether we would get coal and this was indeed discouraging, but fortunately we have not suffered. We are still anxious to know how the winter will serve us.

Our fruit crop has been exceedingly good, and the Matron has been very busy during the hot days in having it all put away. She has labored hard with the help of the Old Folks during the canning season.

We certainly appreciate Sister Nellie C. Thompson, President, Sister Flora Sheets, Vice-President, Sister Ella Dunlay, Warden, for their many visits to the Home, as well as each and every member of the Advisory Board, who have deprived themselves of personal pleasure to attend to the duties of the Home.

Our entertainment shows a larger balance than last report, but we will soon begin the regular shows for the winter and we hope to have enough to supply sufficient entertainment for the season.

In the following we submit a report of receipts and disbursements.

REPORT OF THE GRAND SECRETARY.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

I herewith submit my report as your Secretary for the twelve months beginning October 1, 1921, and ending September 30, 1922.

The statistics of the Order run from January to January, being a combination of the Semi-Annual Reports received at this office for the terms ending June 30th and December 31st, but the general business of my office, including financial transactions, etc., ends on September 30th, 1922.

My report to the Sovereign Grand Lodge made in January, 1922, covering the business of the Order for the year 1921, shows a net gain in Subordinate membership in Illinois of 4,986. This is not the largest gain ever made in a single year, but, everything considered, we made a satisfactory growth.

The volume of business passing through the Grand Secretary's office is ever on the increase. It may be of interest to know that thirty years ago, the Subordinate membership in Illinois was 42, 725, while the membership at the present time is 133,273. An increase of over 300 per cent. The amount of cash handled by the Grand Secretary in 1892 was $27,602.37, whereas, the amount of cash handled during the past pear was $256,969.43, or an increase of more then 900 per cent. The business of the Grand Secretary's office is handled by the Grand Secretary, a bookkeeper, and a stenographer, the same number of people being employed as in the year of 1892. An adding machine, an addressograph, a dictaphone, and added conveniences in the Grand Secretary's office, have enabled the office force of thirty years ago to do the work at the present time.

Illinois is now the third largest jurisdiction in the world and is the largest purchaser of supplies, from which the revenues of the Sovereign Grand Lodge are derived.

The condition of the Order generally throughout the Jurisdiction of Illinois is splendid. The tendency is toward consolidations and larger organizations, thus eliminating a large overhead expense. Comparatively few lodges are being organized. Hard roads and convenience of travel tend toward centralization.

Many phases of the Order might be reviewed by your Secretary, together with recommendations, but these matters are largely left to the Grand Master, who has made a very complete and detailed report.

Following will be found the statistics of the Order, receipts and disbursements, sale of supplies, etc.

Opinion by Brother W. E. P. Anderson, of No. 107.

The facts as disclosed in the record on this case are:—

That on June 25th, 1921, at a regular session of Vera Lodge, a complaint was made to the Noble Grand charging the defendant guilty of meddling with and trying to inquire into the ballot of the application of Bert Ellison to become a member of Vera Lodge.

A committee was appointed by the Noble Grand to investigate the charge.

On July 9th, at a regular meeting of the Lodge, the committee reported as follows:

(1) We charge Robert Rann of this Lodge of trying to pry into the secrecy of the ballot on the application of Bert Ellison, and also charge him with exposing his ballot.

(2) "Specification No. 1. That, on the 7th day of May, 1921, he (Robert Rann) got up in open Lodge, the Lodge being open in the third degree and said he voted a black ball against Brother Bert

Ellison and that there were four of us that would file affidavits to the same."

That on July 23d, at a regular meeting of the Lodge, the defendant in response to a citation appeared and pleaded "not guilty" to the charge against him. Whereupon the Noble Grand appointed Brother Thomas Keneipp as commissioner to take testimony in the case, which appointment was challenged by the defendant and the case continued one week.

That on July 30th, at a regular meeting of the Lodge, the Noble Grand excused Brother Keneipp as commissioner and appointed Oscar Reynolds as commissioner.

That on August 6th, at a regular meeting of the Lodge, the Noble Grand obligated Brother Reynolds as such commissioner to take the testimony in the case, at which time and place the commissioner notified both the prosecuting committee and the defendant to have the Secretary summon their witnesses to appear and give their testimony at the Odd Fellows Hall in Mitchellsville, Illinois, at nine o'clock a. m. on August 13th.

That on August 27th, the Noble Grand called the case for trial, when the defendant asked for a postponement on account of the absence of his attorney. The Noble Grand ruled, however, that the defendant being present it was not a sufficient excuse for a postponement and ordered the trial to proceed. At the conclusion of the reading of the evidence, the prosecuting committee and defendant submitted the case to the Lodge, without argument. There were twenty-four members of the Lodge present entitled to vote. On the vote of "guilty" or "not guilty" the ballot shows 21 white balls and 3 black balls, whereupon the Noble Grand declared the defendant guilty as charged in the complaint. A vote then being taken on the highest penalty, expulsion, the result of the ballot shows 17 white balls and 7 black balls; thereupon the defendant was declared expelled by the Noble Grand.

From the action of the Lodge the defendant appeals and assigns the following grounds therefor: (1) That he did not get a fair trial. (2) That he was not notified of the date set or place to take the evidence. (3) (In substance) That the Noble Grand did not set a time or place to rule on the admissibility of the evidence. (4) The insufficiency of the charge.

Now, as to the fairness of the trial, it appears that the challenge of the defendant to the appointment of Brother Keneipp as commissioner was conceded to by the Noble Grand, and also that eight witnesses testified on the part of the prosecution, and, while the record does not show that the defendant was personally present during the

taking of the testimony, it does appear by a paper attached to the record that nine witnesses were served on the part of the defendant, his name being signed to said paper.

It also appears that the commissioner notified the defendant to have the Secretary notify his witnesses to appear at a time and place on August 13th, to give their testimony, and that neither he nor his witnesses appeared, although the case was continued on that day until 11 a. m. and again until 1 p. m. on account of the absence of the defendant and his witnesses.

It also appears that, upon the coming in of the report of the testimony, the defendant called for a postponement of the trial on account of the absence of his attorney, all of which, in our opinion, goes to show that the defendant was not unapprised as to what was going on in the case, which in our judgment disposes of the first two grounds for appeal.

As to the third ground, it is sufficient to say that it was not necessary for the Noble Grand to set a time and place to rule on the admissibility of the evidence, for the reason that the testimony of the witnesses was confined to the point in issue in the case, and no objection was interposed by the defendant to the questions to, and answers of the witnesses.

As to the fourth ground of the appeal, the insufficiency of the charge, it is sufficient answer to say that the defendant entered his plea "not guilty" to the charge, whereupon if, in his opinion, the charge was insufficient, he should have objected to same prior to pleading. See Merrills' Code 1586 and 1589.

Of the eight witnesses who testified, six of them stated positively that the defendant said in open Lodge that he voted against Bert Ellison, some of them adding the further statement that the defendant also said, "He did not care who knew how he voted."

The testimony of those and the other witnesses discloses the fact that the defendant approached them respectively, for the purpose of ascertaining how other members voted.

We therefore hold that the charge was not only sufficient but proved.

Section 1037 of Merrills' Code says: "It is a violation of law to endeavor to ascertain how a Brother voted upon an application for membership." Sovereign Grand Lodge Code 1915, Section 524. Scott's Code 1922, Section 333.

Violating the secrecy of a ballot is an offense against the Order (Merrills' Code 1431, Clause 3. Scott's Code 1922, Section 450, Clause 3.)

Busbee's Digest, Section 968, states "That a member cannot make known his ballot under any circumstances, except as provided in Section 958, ante, which Section 968 provides that when all the Brothers who voted the black balls against an applicant for membership, vol-

untarily make an application for reconsideration of the ballot, which was done in this case.

The conduct of the defendant as appears from the record was not only defiant in manner, but tended to bring reproach upon and scandalize the action of the officials of this Lodge, which cannot and will not be tolerated by our great Order when no justification on the part of the defendant or any mitigating circumstances for such conduct is shown by him, as in this case.

In our opinion, the action of the Lodge in expelling the defendant should be sustained.

It is, therefore, ordered that the action of Vera Lodge No. 551, I. O. O. F., in expelling from its membership Robert Rann, be and the same is hereby affirmed and approved and also that the appeal of the defendant be and the same is hereby dismissed.

CASE NO. 495.

Treasury Lodge No. 237, I. O. O. F. vs. Lewis W. Neal.	Before Committee on Judiciary and Appeals, February Session, 1922.

Opinion by Brother Thos. C. Stobbs, of No. 80.

This appeal is made by three Brothers of Treasury Lodge No. 237, from the action and judgment of said Lodge, in the matter of charges preferred against Brother Lewis W. Neal.

The record submitted is so incomplete as to give the committee no basis upon which to consider the appeal. There is no copy of the charges, no record of any citation of the defendant, no record of appointment and obligation of commissioner, no record of any vote upon the guilt of the defendent, and the record is otherwise very incomplete.

The law of the Order provides a certain regular procedure in the matter of charges preferred, and the trial of the accused Brother, all of which procedure is set forth in the Code, and is easily followed. Unless this procedure is followed, there is no foundation upon which the committee, on an appeal, can intelligently consider the case.

Under these circumstances, the only action which this committee can take is to dismiss this appeal, and, accordingly, the appeal is dismissed.

JUDICIARY AND APPEALS COMMITTEE, I. O. O. F.
PROCEEDINGS OF THE THIRD SESSION, AUGUST, 1922.

CASE NO. 497.

George C. Mullens, vs. Hettick Lodge No. 753, I. O. O. F.	Before Committee on Judiciary and Appeals, August Session, 1922.

Opinion by Brother Alfred A. Norton, of No. 361.

The Claimant, who is the Appellant, asks the Lodge to pay him benefits for a period of eight months from July 1st, 1920, to March 1st, 1921. The record before the Committee is imperfect and is in such a condition that it is almost impossible to determine all the facts in connection with this case, but from the record the following facts seem to be clearly established:

That Brother George C. Mullens, the Claimant, is fifty-eight years of age and has been an Odd Fellow since 1893, and that he was a member of Hettick Lodge No. 753, I. O. O. F., until the 10th day of December, 1921, on which date at a regular meeting of said Lodge Brother Mullens was dropped for non-payment of dues. It further appears that on the 22d day of December, 1921, subsequent to the action of the Lodge dropping him for non-payment of dues, Brother Mullens made a demand on the Lodge for sick benefits for eight months from July 1,

1920, to March 1, 1921, and that on the 22d day of December, 1921 the Noble Grand appointed Brother O. M. McCollom, Commissioner, who has reported the evidence heard before him.

The Claimant in his testimony before the Commissioner in answer to the question whether or not he had been in good standing up to the time of his sickness started, "NO, I think not." He further stated that during the eight months for which he claims benefits he was unable to do anything. That he was advised by the doctor not to do anything. That he would try at times to do some work and would have to go to bed as a result. That during the eight months for which he claims benefits he was attended by Drs. Powell, Lewis, and White. That he stayed with his daughter and took treatments every day for twenty days from Dr. White. That Drs. Lewis and Powell were of the opinion that his illness was catarrh caused by the flu while Dr. White called his sickness sciatica neuritis. That every time he made an effort to work he would get sick; that his eyes would burn and hurt as if they were going to pop out of his head and he would be forced to go to bed. That he was not in bed all the time during his said illness but that he was unable to get out of the house.

Brother Mullens in his testimony before the Commissioners gave the following answers to questions asked him:

Q. Was the nature of your condition such as to demand the attention of the visiting committee?

A. No. sir; I didn't ask them for that.

Q. What request or statement did you make to the Acting Noble Grand?

A. Well, sir, I was here in town on my way to the doctor and saw the Acting Noble Grand. I took him over to the band stand and told him my condition and asked him to have the Lodge advance my dues until I could see my own way. He said he would see to it.

Q. Did or did you not make any demand for sick benefits?

A. Well, you can call it whichever you want to.

From the evidence this appears to be all that the Claimant did relative to reporting himself sick to the Lodge.

The Noble Grand, Brother L. A. Emery, being called as a witness for the Lodge, testified as follows:

"The Claimant told me that he was running behind and wished that I would bring it before the Lodge, which I did. The Claimant stated to me that he wasn't asking for sick benefits; that he simply asked the Brothers to pay up his dues and keep him in good standing until he could get on his feet again. I brought the matter before the Lodge and the Lodge took no action. At the time that the Claimant had this conversation with me the Claimant was more than thirteen weeks in arrears. Claimant's dues were paid to July 1st, 1920."

Brother Irving P. Rogers, Financial Secretary of Hettick Lodge, also called as a witness by the Lodge, testified the final notice was given to the Claimant as to his arrears in the payment of dues on the last day of September or the first day of October, 1921, and that Brother Mullens was not dropped until December 10th, 1921, at which time Claimant was indebted to the Lodge for dues since July 1, 1920.

The Commissioner made his report to the Lodge of the testimony taken before him, upon which the Lodge voted not to allow the benefits claimed by Brother Mullens and from this decision of the Lodge the Claimant has presented his appeal to this Committee.

The record in this case, meager as it is, shows that the Claimant did not comply with the By-Laws and Constitution of the Lodge. In fact his own testimony is to the effect that he did not report himself sick to the Noble Grand; that he simply requested that the Noble Grand should request the Lodge to pay his dues. The Claimant did not pay any dues after the first day of July, 1920, and was suspended from the Lodge on the 10th day of December, 1921. During all this period, which was almost a year and a half, he did not present any claim for benefit and did not, in fact, present any claim until after he was suspended. It was clearly his duty to comply with the laws of the Order, and he cannot now avail himself of his own negligence, and the action of the Lodge in refusing sick benefits to Brother Mullens and for suspending him for non-payment of dues is hereby sustained and affirmed and the appeal is hereby dismissed.

GRAND REPRESENTATIVES' REPORT.

To the Grand Lodge of the Independent Order of Odd Fellows of Illinois:

Your Grand Representatives to the Sovereign Grand Lodge herewith submit the following report of the proceedings of the Ninety-eighth Annual Communication of the Sovereign Grand Lodge, held in Detroit, Michigan, September 18th to September 22d, inclusive.

SESSION IN DETROIT.

For the second time in the history of our Order The Sovereign Grand Lodge met in the beautiful city of Detroit. Great progress has been made in the growth and development of the city in the twenty-three years that have intervened between the first meeting and the session of 1922. At the first meeting of The Sovereign Grand Lodge, Detroit was one of the smaller cities of the United States, but is now well up in the front rank of American cities. With the exception of New York it is probably the best advertised city on the North American continent owing to its vast manufacturing industries, especially in the automoble line. To think of an automobile instinctively suggests Detroit. While this wonderful growth and development has been taking place in Detroit, an equal growth and development has taken place in our Order. When The Sovereign Grand Lodge met in Deroit in 1899, there were 24,767 Subordinate lodge members, 3,242 Encampment members, and 14,037 Rebekah members in the Jurisdiction of Michigan, whereas the report for December 31, 1921, shows that there are 93,632 Subordinate lodge members, 26,816 Encampment members, and 61,019 Rebekah members, with one of the most live and progressive Departments of Patriarchs Militant under The Sovereign Grand Lodge, with a membership of 2,244 officers and chevaliers.

The brethren of Michigan, and especially of the city of Detroit, entertained the Sovereign Grand Lodge in a splendid manner, and we would be pleased to go into detail as to the many courtesies which were extended to the Brothers and Sisters during this session, but owing to the fact that this report will be exceedingly lengthy we are unable at this time to set forth in words our gratitude for the splendid entertainment which was given, but our hearts will always record the fraternal greetings which were extended to us by the great Jurisdiction of Michigan.

We wish to especially mention the magnificent parade. It was a great demonstration. It was a great outpouring of our Brothers and Sisters from all over the world. Its influence made a great im-

pression upon those who were fortunate enough to witness its splendor. We do wish, however, to extend our thanks to Past Grand Representative Richard Lindsay, chairman of the General Committee. It has been our pleasure to know this good Brother for many years, having had the honor to serve with him in the Sovereign Body. He was untiring in his efforts to make everyone feel at home and he succeeded in an admirable manner and we can only say to "Dick" that we can always be happy in Detroit.

The election of Grand Representative Thompson as Deputy Grand Sire was a great honor to the Jurisdiction of Michigan. It was worthily bestowed upon a splendid man and a great Odd Fellow.

EXTRACTS FROM REPORT OF GRAND SECRETARY.

Officers and Representatives: In presenting his annual report of the business and other transactions of his office for the year ending July 31, 1922, the Grand Secretary takes much pleasure in calling attention to the progress made by the Order, numerically and financially. For the calendar year ending December 31, 1921, all branches of the Order show an increase in membership, notwithstanding the business depression that has prevailed throughout the world. The Encampment branch, all things considered, has made a splendid showing, the gain being almost as great as that of the Subordinate lodges; while the increase in Rebekah membership is the largest ever reported, bringing the total membership well over one million. Correspondence on file in the Grand Secretary's office indicates that for the first half of the year 1922 satisfactory progress has been made and, unless conditions unforeseen prevent, the reports for the present year will show substantial gains in all branches. The Grand Secretary is pleased to acknowledge the uniform courtesy which marked the transaction of all business between himself and Grand Sire Oliver, deceased, and which has continued during the administration of his successor, our present Grand Sire.

For the year ending December 31, 1921, the net increase in membership has been divided as follows: Subordinate membership, 38,886; Encampment membership, 32,302; Rebekah membership, Sisters 66,751, Brothers 34,188; Patriarchs Militant membership, 4,052.

Relief and Receipts of Subordinates in 1921.

The total expenditures for relief in 1921 were $7,660,354.71, as compared with $7,541,914.31, and the total receipts were $27,449,420.27, as compared with $27,601,590.59 for 1920.

Business of the Grand Secretary's Office.

During the fiscal year ending July 31, 1922, the sale of supplies, etc., has amounted to $180,436.68, and the net profit on supplies, etc.,

has been $25,455.90. The assets of The Sovereign Grand Lodge have increased $25,455.90.

Grand Representatives.

The Sovereign Grand Lodge at the session of 1922 consisted of two hundred and eleven Representatives, a gain of three over the session of 1921. This increase is accounted for by the gain of one Representative from the Grand Encampment of British Columbia, one from the Grand Encampment of Alabama, and one from the Grand Encampment of Quebec. As all of these Representatives come from Jurisdictions on the North American continent, the membership at the coming session will be the largest in the history of the Order. But once before has the membership approached this number when in 1910 the Body consisted of two hundred and ten members, but one of these, Brother J. C. Smith, came from Australasia as a Special Representative. This increase in the membership of the Body reflects the good work that has been going on in the Encampment branch in the younger Jurisdictions. Let us hope that it will continue until every Grand Encampment, like the Grand Lodges, may have a full representation at our annual Communications.

NECROLOGY.

On February 2, 1922, Past Grand Sire Cl. T. Campbell, the thirty-second Grand Sire of our Order, passed away.

Brother Campbell was born on the 27th of December, 1843. He was the first Canadian to be chosen to this high office and was for many years the dean of the Sovereign Body. His was a long and useful life and no one ever exemplified the true principles of Odd Fellowship in a more fraternal spirit than Past Grand Sire Campbell.

On January 8, 1922, Grand Sire Joseph Oliver passed away at his home in Toronto, Canada. He was born on November 7, 1852. During the years 1908 and 1909 he served as Mayor of Toronto. During the years of 1914 and 1915 he was president of the Canadian National Exposition. Brother Oliver was of a genial disposition and was a man of honest and firm convictions. He had been very active in the civic affairs of his home city and the members of the Order were deeply attached to him.

Grand Representative William H. Leedy died at his home in Indianapolis on the 29th of March, 1922. For many years Brother Leedy had been the Grand Secretary of Indiana and had served as Grand Representative in the Sovereign Grand Lodge for many years. He had frequently attended meetings in our Jurisdiction and there had always existed between the membership of Indiana and Illinois the most cordial relations. He was greatly beloved, not only in the Sovereign Body, but was deeply attached to the great brotherhood of his own Jurisdiction.

DECISIONS.

The following decisions, rendered by the Grand Sire, were approved by the Committee on Judiciary and by the Sovereign Grand Lodge.

DECISION No. 6. (MINN.)

Question.—(1) Can a Past President's Jewel be worn in lieu of the regalia when acting in official duties and when installing officers?

Answer.—No. See Code, Section 626.

Question.—(2) Can a District Deputy Jewel be worn in lieu of the regalia at any time?

Answer.—No. See Code, Section 626.

DECISION No. 7. (COLO.)

Statement.—In accord with Sovereign Grand Lodge war legislation (Report No. 69, page 227, considered, amended, and adopted, page 238, Session of 1917), the Grand Lodge of Colorado enacted the following:

REPORT No. 10.

Chas. E. Waldo, Past Grand Master, of the Committee on State of the Order, submitted the following report, which was considered and adopted unanimously by a rising vote:

PUEBLO, COLORADO, October 17, 1917.

To the Grand Lodge I. O. O. F., Colorado:

Your committee having had under consideration Resolution No. 7, concerning the War Fund, recommends that the following legislation be enacted:

SECTION 1. There is hereby established by the Grand Lodge of Colorado a fund to be known as the Odd Fellow Soldiers' and Sailors' Relief Fund of the Grand Lodge of Colorado.

SEC. 2. For the purpose of constituting such a fund, each member of a Subordinate lodge is hereby assessed one dollar per annum for the duration of the present World Wide War and for one year after it shall cease, such assessment to be charged and payable to the lodge as dues and to be transmitted to the Grand Secretary, one-half on December 31, and one-half on June 30, of each year.

SEC. 3. In addition to the above assessment, Subordinate lodges, the Rebekah Assembly, and Rebekah lodges are hereby authorized and empowered to vote moneys from their contingent fund, if there be one, for such Odd Fellow Soldiers' and Sailors' Relief Fund, or to raise money for such purpose by any other legitimate means, provided, however, that under no circumstances shall moneys be so appropriated by any lodge, Rebekah lodge, or the Rebekah Assembly from its general fund for said purpose.

SEC. 4. Such sums shall be transmitted to the Grand Secretary with the semi-annual reports, one-half with each report, beginning December 31, 1918, and shall be by him turned over to the Grand Treasurer, who shall keep such moneys in a special fund.

SEC. 5. Such fund shall be expended by a War Commission, consisting of the Board of Trustees of the Grand Lodge, under rules to be adopted by such Board for the following purposes:

(a) For the payment to Subordinate lodges, for members who are and shall be engaged in the military and in the naval service of the United States, of all dues and benefits which have and shall become payable on and after July 1, 1917. Such payments to be made during the continuance of the present World Wide War and for one year after it shall cease; and any such dues which shall have been heretofore remitted by such lodge shall be refunded to said lodge. And, in the case of any such member who shall be honorably discharged before said war shall cease, such payment of dues and benefits at the discretion of such committee may be continued for one year after such discharge.

(b) For the relief of Odd Fellow soldiers and sailors and their families.

(c) For the relief of Subordinate lodges upon whom the burden of war benefits may be particularly heavy.

SEC. 6. Two years after the present World Wide War shall cease, the work of the said War Commission shall terminate and all moneys then remaining in said fund shall be returned, *pro rata*, to the lodges.

SEC. 7. Said War Commission shall make a detailed annual report to the Grand Lodge until its duties terminate by the provisions of this act.

The Committee on State of the Order, having carefully considered the foregoing matters, unanimously urge the adoption of the foregoing resolution.

Report of the War Commission.

DENVER, COLORADO, October 18, 1921.

To the Grand Lodge I. O. O. F., of Colorado:

In compliance with legislation enacted at the Grand Lodge session held in Pueblo, Colorado, October, 1917, Grand Lodge Journal, page 6747, we herewith submit this, our fourth and final report, on the Sailors' and Soldiers' Relief Fund. As the Secretary of the Commission presents a detailed report on this great work so generously undertaken by this Jurisdiction and so splendidly carried out, we content ourselves with an epitome of the receipts and disbursements, showing balance on hand and our recommendations as to disposal of such balance.

Receipts.

The per capita assessment levied and collected for three semi-annual terms, of 50 cents each, yielded the sum of $21,893.25.

Disbursements.

The refund to lodges for war tax, dues, sick and funeral benefits, and expenses connected therewith, as per detailed report of the Secretary, required the sum of $9,991.92, and left a balance of $11,901.33 on hand, of which amount, with your approval, $11,500 is invested in Fourth 4¼ per cent U. S. Liberty Loan Bonds.

We are reliably informed that a practically unanimous sentiment of the membership of this Jurisdiction favors the merging of the residue of the War Fund into the Home Endowment Fund, and, in conformity with this desire, your Commission recommends such action.

Board of Trustees Sitting as War Commission.

Upon the report of the War Commission there was offered, amended, and adopted, report of Committee on State of the Order No. 21, page 7568, Journal, 1921.

L. W. Cunningham, of the Committee on State of the Order, submitted the following report, which was considered and amended as shown in parenthesis and adopted:

DENVER, COLORADO, October 19, 1921.

To the Grand Lodge, I. O. O. F., Colorado:

Your Committee on State of the Order, to whom was referred that part of the report of the War Commission relating to the disposition of the unexpended portion of that fund remaining in their hands, recommend the following:

We approve the report of the War Commission with, however, the following qualifications of the last paragraph thereof:

We recommend that the Secretaries of each lodge be notified by the Grand Secretary that, pursuant to the terms and conditions of Report No. 10, Resolution No. 7, by Past Grand Master Waldo, intro-

duced and adopted by the Grand Lodge in 1917, their members are entitled to the return of their *pro rata* share of the balance of the fund remaining in the hands of the Board (giving the amount due the members of each lodge); also, in the same notice let the Secretary of each lodge be requested to advise the members of his lodge that, unless demand in writing under the seal of the lodge shall be made upon the Grand Secretary for the *pro rata* share of said fund by the members entitled thereto before the meeting date of the next session of the Grand Lodge, whatever remains of the Soldiers' and Sailors' Relief Fund on that date shall merge into the Home Endowment Fund.

We have considered Resolution No. 6 introduced by Bro. L. L. Stinson of Poudre Valley Lodge, No. 12, which was referred to this committee relating to the above subject. Inasmuch as portions of the resolution conflict with the above report, we recommend that said resolution do not pass.

Question.—(1) Had the Grand Lodge the right to assess this tax as dues (Section 2, Report No. 10) being thus payable into the general funds of the lodges and thence to the Grand Lodge as a per capita tax for a specific purpose?

Answer.—By a close reading of Section 2 you will see that the fund is to be raised by assessment, "such assessment to be charged and payable to the lodge as dues (are paid)." That is, the assessment is to be charged against the members as dues are charged and paid as dues are paid, but it remains a special assessment and passes to the Grand Secretary, not to the treasury of the lodge, except temporarily. I think the legislation of 1917 authorized this method of raising the fund, and, with the explanation given, I answer this question in the affirmative.

Question.—(2) Had the Grand Lodge the right to pass Section 6 specifying that any balance remaining be returned *pro rata* to the lodge? (Section 6. Report No. 10.)

Answer.—Section 6 is not entirely clear, but I think it may be interpreted to mean that the unexpended balance should be returned to the lodges in proportion to their original contributions. I think it fair to the section to say also that it did not attempt to fix title in the lodge to any balance that might remain, but only to say that such balance should go back to the contributors. If this is the correct interpretation, I answer this question in the affirmative.

Question.—(3) This money having been paid as dues, into the general fund of the lodges, could the unused balance by any authority (committee, Grand Lodge, or Subordinate lodge) be lawfully distributed to the individual members who originally paid it?

Answer.—Again you assume that the money was paid as dues. It was not. It was paid as a special assessment for the purposes (and no other) designated by The Sovereign Grand Lodge in authorizing

the creation of the fund. These purposes having been met by the expenditure of a part of the fund, the unexpended balance belongs to those who contributed it. I, therefore, answer this question in the affirmative.

Question.—(4) Having thus provided the distribution of the balance to the lodges, *pro rata*, can the Grand Lodge now legally divert this unexpended balance to another purpose without the express consent of each lodge as to its *pro rata* share?

Answer.—This question again assumes that the lodge acquired the fund. As previously pointed out, it was but the temporary custodian. If, by the words, "without the express consent of each lodge as to its own *pro rata* share," you mean the members of the lodge who made the contributions, I answer this question in the negative.

Question.—(5) Can the Grand Lodge lawfully dispose of the unexpended balance in the War Fund otherwise than in the manner provided in the enactment creating it?

Answer.—No.

DECISION No. 9. (KY.)

Question.—(1) Can a lodge give permission to its members to organize a baseball club to play ball on Sunday under the name of the "Odd Fellow or I. O. O. F. Baseball Club"?

Answer.—No.

Question.—(2) Can a Brother of a lodge who has objected to the use of the name, "Odd Fellow Baseball Club", organize a club to play on Sunday, pay salaries, charge admission, and advertise by hand bills and through press as the Odd Fellows' Baseball Club, claiming permission granted by another lodge?

Answer—No.

DECISION No. 10. (N. C.)

Question.—Has a Grand Lodge the right to enact legislation providing for the institution of a special Subordinate lodge for the purpose of retaining in its membership former members of defunct lodges?

Answer.—No. Chapter 6, Article 2, Code.

DECISION No. 11. (MICH.)

Statement.—A Michigan lodge submitted its by-laws to the Grand Lodge By-Law Committee for approval. A clause in said by-laws reads as follows: "No applicant shall be admitted into this lodge (by initiation, card, or certificate) as a beneficial member, who is over 50 years of age." The committee returned the by-laws, without their approval, saying a lodge cannot make such a stipulation. The lodge appealed to me, contending that they could have such a clause and insert any number of years they may desire.

Question.—Is it legal for a lodge to provide in their by-laws "that an applicant cannot be admitted as a beneficial member who is over 50 years of age"?

Answer.—No. See Code, Section 498.

DECISION No. 13. (VT.)

Statement.—In the fall of 1919 a member of the Order was arrested by the state authorities charged with poisoning his wife. In March following and before his trial, he became violently insane and was committed to an asylum. He has never been tried by the state. Subsequent to his arrest and prior to his insanity, charges were preferred against him in his lodge. He became insane and was committed to the asylum before trial upon these charges. Whereupon the charges were allowed to stand without action for some eight months, when they were taken up, a trial was held, and the member expelled.

Question.—(1) May a Brother be legally expelled for an offense committed while sane, but afterwards and before trial becoming insane?

Answer—No. Code, Section 562.

Question.—(2) Should the lodge have waited until after the trial had been held in court?

Answer.—If the member's reason returns, he is subject to trial by the lodge, and it may await action of the civil authorities or proceed independently.

DECISION No. 14. (VA.)

Question.—Can the Grand Encampment of Virginia use jewel and ribbon as regalia instead of collars?

Answer.—Yes. Code, Section 606.

DECISION No. 15. (CALIF.)

Statement.—The law of the Grand Encampment of California provides that a standing committee of that Grand Body shall consist of the elective officers including Grand Representatives, and that this committee may hold special meetings between sessions of the Grand Encampment. The Grand Representatives are chosen by the Grand Encampment in October each year. In October. 1921, Grand Representatives were chosen, but they will not be seated in the Sovereign Grand Lodge until September, 1922.

Question.—Which set of Grand Representatives constitutes the qualified members of this standing committee—those elected in October. 1921, but not yet qualified, or those who attended the session of The Sovereign Grand Lodge in September, 1921, and qualified as such?

Answer.—Section 2 of Article XIII, Constitution of The Sovereign Grand Lodge, provides: "This Grand Lodge shall be the judge of the certificates or returns and qualifications of its members." Under this provision the credentials of a Grand Representative-elect must be approved before he is in fact a Grand Representative. Prior to that time he is but a Grand Representative-elect. I hold, therefore, that the qualified members of the standing committee are those whose credentials have been accepted by The Sovereign Grand Lodge. Sec. 2,

Roy H. Johnson.

GRAND MARSHAL
Clinton, Ill.

Art. XIII, Con. S. G. L. Sec. 1, Subsec. M, Art. IX, Con S. G. L.

DECISION No. 17. (MAR. PROV.)

Statement.—The constitution of our Subordinate lodges provides that a quorum for the transaction of business shall consist of five members, one of whom shall be qualified to preside. Section 534 Busbee's Digest, in its concluding paragraph, says, "Held, that at a meeting at which only five members are present it requires a unanimous vote to appropriate the funds of the lodge."

Question. Can the funds of the lodge be legally voted for any purpose if less than four legal votes be cast in favor of same even if there is more than a quorum of the members present at said meeting?

Answer.—Your question is one of parliamentary procedure and is governed by your local law. Unless you have locally some express limitation upon the power of your Subordinate bodies, then any action of the body, taken by a majority of the quorum, is valid.

DECISION No. 18. (UTAH.)

Statement.—Section 24, Constitution of the Grand Lodge of Utah, provides as follows: "At the last regular meeting of the Subordinate lodges in the month of March Past Grands of the lodges who are in good standing shall in open lodge proceed to vote by ballot for Grand Officers." A lodge whose date of last regular meeting was March 30 held its election for Grand Lodge Officers on March 23; the reason given for holding this election on the 23d of March was that the Grand Master had arranged for his official visit to this lodge on March 31st; that another fraternal organization had its regular meeting night in the hall on March 31, and, in order to receive the Grand Master, the lodge exchanged meeting nights with the other fraternal organization and held a special meeting on the 31st of March, for the purpose of receiving the Grand Master, and held no meeting on the 30th of March.

Question.—(1) Was the election held on March 23 legal?

Answer.—No.

Question.—(2) Should the votes of the lodge cast at the election held March 23 be counted?

Answer.—No.

Question.—(3) If a candidate for a Grand Lodge office were defeated by reason of their counting the votes of this lodge, but would have been elected to office had the votes not been counted, what remedy must he pursue in case it is held that the election was void?

Answer.—The Grand Lodge, by any appropriate procedure, has power to determine the matter.

DECISION No. 19. (MASS.)

Question.—Please define the word, "Jurisdiction", as applied to our law. May Grand Lodges and Grand Encampments be officially de-

signated as Grand Jurisdictions or should the term be used only to designate the territory in which such Grand Bodies have control?

Answer.—(1) It is appropriate to refer to Grand Lodges and Grand Encampments as Grand Jurisdictions.

(2) Webster says' "Jurisdiction is the limits in which any particular power may be exercised or within which a Government or court has authority." This definition emphasizes territory.

(3) Etymology, Latin, from jus, right, and dicere, to proclaim. Hence, power to hear and determine a cause, power to hear and determine the subject matter in controversy. Hence, further, in our law, power to regulate the affairs of the Order within a given territory.

DECISION No. 22. (OHIO.)

Question.—Should a dispensation to organize a Subordinate or Rebekah lodge, when issued, designate the petitioners to whom it is granted or may it be properly issued in blank to befilled out after the institution with the names of the petitioners who were actually received into membership at the institution?

Answer.—The dispensation should designate the petitioners to whom it is granted. See Code, Section 739.

The following decisions rendered by the Grand Sire were modified and changed by the Committee on Judiciary and approved by the Sovereign Grand Lodge as modified:

DECISIONS.

The following decisions were rendered by Grand Sire Oliver:

DECISION No. 1. (MASS.)

Question.—The cities of Boston, Cambridge, and Somerville, Massachusetts, are adjacent. Can a Brother who was a resident of Boston, and a member of a lodge in Boston, and who has removed to Cambridge, join a lodge in Somerville by transfer, and without payment of any membership fee, provided his residence in Cambridge is nearer to the lodge in Somerville than to any lodge in Cambridge and the necessary release of jurisdiction by a lodge in Cambridge, has been granted?

Answer.—Assuming from your reference to "release of jurisdiction" that under your local law the cities of Boston, Cambridge, and Somerville are considered as separate territorial jurisdictions of lodges, and determined by the boundary lines between these places, the member who moved from Boston to Cambridge, and whose residence is now closer to a lodge in Somerville, would not have the right to change his membership from the Boston lodge to the Somerville lodge by the transfer plan without payment of admission fee. See Code, Section 159.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom was referred the decisions of the Grand Sire, beg leave to report that we have carefully

considered decision No. 1, and are of the opinion that the answer to same should be modified; we therefore recommend the following:

Answer—Assuming from your reference to "release of jurisdiction" that under your local law the cities of Boston, Cambridge, and Somerville are considered as separate territorial jurisdictions of lodges, and determined by the boundary lines between these places, the Brother would not be entitled to the benefits of the transfer law, but would be required to unite with the lodge in Somerville by withdrawal card, paying the regular fee required by your local law.

DECISION No. 2. N. J.)

Question.—(1) Does the adoption, at the session of The Sovereign Grand Lodge at session 1921, of the Report of Special Commission on Sovereign Grand Lodge Building constitute a valid and legal assessment and levy against the Grand Lodges?

Answer.—Yes.

Question—(2) If an assessment and levy has been correctly levied by the adoption of such committee or commission's report, then is the assessment and levy a legal one as to manner of adoption and substance, under the existing provisions of the Code authorizing assessments for the legitimate expense of The Sovereign Grand Lodge?

Answer.—Yes. See Constitution S. G. L., Article XIV, Section 1, and authorities cited, and Article XV, Section 2.

DECISION No. 3. OKLA.)

Question.—(1) Is Report No. 42, adopted at the recent session of The Sovereign Grand Lodge, a recommendation or law?

Answer.—The recommendations contained in the report having been approved and adopted by The Sovereign Grand Lodge, it becomes an enactment by that Body.

Question.—(2) If Report No. 42 is a recommendation does it legally and constitutionally levy an assessment against the members of the Grand Jurisdiction?

Answer.—Under the provisions of the report as adopted, a per capita assessment is regularly made against the several Grand Jurisdictions on the continent of North America.

Question.—(3) If Report No. 42 is a law was it drawn and adopted in accordance with paragraphs 1, 2, and 5 of Section 15 of the Constitution of the Sovereign Grand Lodge?

Answer.—Under the provisions of Article 14, Section 1, and authorities cited, and under Article 15, Section 2, it was not necessary to have the matter dealt with by means of a bill, because of the exception as to administrative measures including appropriations, etc.

Question.—(4) Does Report No. 42 levy an assessment against the membership of the Grand Encampment?

Answer.—I take it that, the per capita assessment against the Jurisdictions being equal to 10 cents upon each member of the Order, this cannot be construed as an assessment against the membership of Grand Encampments.

Question.—(5) Is the Secretary of The Sovereign Grand Lodge authorized to call for the payment of the assessments mentioned in Report No. 42?

Answer.—Yes.

DECISION No. 20. (TENN.)

Statement.—The report of the Special Commission on Sovereign Grand Lodge Building (Journal, 1921, page 222), contains these words: "We recommend that each Grand Jurisdiction on the continent of North America be assessed in an amount equal to ten cents upon each member, etc."

Question.—Are we to understand that this includes both Grand Lodges and Grand Encampments?

Answer.—The words, "Grand Jurisdiction", apply with equal force to Grand Lodges and Grand Encampments. Grand Encampments are Independent Grand Jurisdictions. They are chartered and represented in The Sovereign Grand Lodge as such , and I am of the opinion that the proper interpretation of the resolution imposes the assessment upon Grand Encampments as well as Grand Lodges and that this does not constitute a double assessment.

DECISION No. 21. (OKLA.)

Question.—(1) Does the assessment provide for in Report No. 2 apply to Grand Encampments as well as Grand Lodges?

Answer.—Yes.

Question.—(2) If it does, will non-payment on one part deprive us of representation at The Sovereign Grand Lodge at its coming session?

Answer—No.

Question.—(3) Within what date must it be paid so as not to interfere with our representation?

Answer.—The answer to question 2 above answers this inquiry.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom were referred decisions of the Grand Sire numbered 2, 3, 20 and 21, beg to report that we have given these decisions careful consideration and are of the opinion that these decisions should be reversed.

The questions and answers given to all turn on the validity of the assessment attempted to be made by the adoption of the report of the special commission on Sovereign Grand Lodge building at the session of 1921. (Journal 1921, p. 222.) It is the opinion of your committee that a valid assessment can be made only by the passage of a law in

the manner prescribed by the Constitution and that the adoption of the report referred to was not effectual insofar as it attempted to levy an assessment. Having reached this conclusion we recommend that decisions numbered 2, 3, 20, and 21 be reversed.

DECISION No. 4. (KY.)

Question.—(1) Can a Rebekah lodge legally permit children of any age to attend the regular meetings of Rebekah lodge?

Answer.—No.

Question.—(2) And, if any children can attend, at what age must they cease attending?

Answer.—The answer to Question (1) leaves an answer to Question (2) unnecessary.

Question.—(3) Can a Rebekah lodge legally adopt a by-law that any member who has held continuous membership in a Rebekah lodge for 25 years be exempt from paying regular dues to that lodge?

Answer.—No.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom were referred the decisions of the Grand Sire, beg to report that we have carefully considered decision No. 4 and are of the opinion that the answer to Question 3 should be modified; we therefore recommend the following:

Answer.—No, unless the member has attained the age of 60 years. (See Report No. 143, Pages 427, 444, S. G. L. Journal, 1913; Decision No. 10, Pages 25, 172, 178 S. G. L. Journal, 1917; Decision No. 56, Pages 316, 475, 484 S. G. L. Journal, 1918.)

DECISION No. 5. (MONT.)

Question.—(1) Is a Brother who has taken only the Initiatory Degree in a Subordinate lodge eligible to membership in a Rebekah lodge?

Answer.—No. See Code, Section 187.

Question.—(2) Is an official receipt for dues a sufficient "certificate" to comply with the requirements of Section 187, page 91, of the Code?

Answer.—No. See Code, Sections 187 and 188.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Judiciary to whom was referred the decisions of the Grand Sire, have considered decision Number 5 and are of the opinion that the Grand Sire is in error in the decision to both questions.

Subdivision 2 of Section 6 of the Rebekah Code makes all Odd Fellows in good standing eligible to membership in a Rebekah lodge. The 1918 session (1918 Journal, pages 461, 535, 561) amended Sections 187 and 188 of the Code, eliminating the word, "scarlet" from the certificate required so as to make the section conform to the Rebekah Code. By Decision No. 8 of 1918 Journal, page 307, an Initiatory Degree member is held eligible to membership in a Rebekah lodge,

which is contrary to the Grand Sire's decision under condition. A receipt for dues complies with Sections 187 and 188 of the Code as a certificate.

We therefore recommend that the decision number 5 be reversed: that the answer to Question No. 1 be changed to following: "Answer—yes. See Rebekah Code Sec. 6 (2)."

That the answer to Question No. 2 be changed to following: "Answer—yes. See Code Sections 187 and 188, as amended."

DECISION No. 8. (MICH.)

Question.—(1) Has the Grand Encampment power to enact the following in the constitution for the government of Subordiuate Encampments: "The territorial Jurisdiction of all Subordinate Encampments of this Grand Jurisdiction shall be concurrent throughout this Grand Jurisdiction, and all Subordinate local Jurisdictions are hereby abolished?"

Answer.—Yes.

Question.—(2) Has the Grand Encampment power to enact the following in the constitution for the governent of Subordinate Encampments: "The territorial jurisdiction of all Encampments in the lower peninsula of Michigan shall be concurrent throughout the said lower peninsula and the territorial jurisdiction of all Encampments in the upper peninsula of Michigan shall be concurrent throughout the said upper peninsula"?

Answer—Yes.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Judiciary, to whom were referred the decisions of the Grand Sire, beg to report that we have given careful consideration to decision No. 8, and find the answer to question 1 correct and recommend that it be approved.

As to question 2, the answer should be amended by substituting "No" for "Yes" (Section 482 of Code).

Your committee offer the following: Resolved that the answer to question 1 be approved, that the answer to question 2 be "Yes." and that said decision as modified be approved.

DECISION No. 12. (MASS.)

Question.—May a social club composed exclusively of Odd Fellows use the name, "Odd Fellows Club", as the name of said club, provided the apartments of said social club are located in a building separate and apart from that occupied by the lodge, and provided also that the by-laws of said club provide that no games of any kind shall be played in the club-room on Sunday and that gambling is strictly prohibited at all times?

Answer.—Yes. See Code, Section 250.

DECISION No. 16. (KY.)

Statement.—The ex-residents of the Odd Fellows' Home in Kentucky, under the authority of the Grand Lodge, have formed a league known as the League of Ex-Residents of the Odd Fellows' Orphan Home. It is a regular organization and holds annual meetings. The league desires to design and adopt a pin or badge which they may wear as the insignia of their league. In working out the design they plan to use, in connection with it, the three links.

Question—Has this organization a right to the use of the three links as a part of its own insignia?

Answer.—Yes. See Code, Section 249.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Judiciary, to whom were referred the decisions of the Grand Sire, beg to report that we have carefully considered decisions No. 12 and No. 16 and recommend that the answer to each decision herein referred to be changed to No instead of Yes and that the decision be approved as changed.

THE ORDER ABROAD.

Having learned that Grand Sire Oliver had given to Brother Joseph Powley, Past Grand Representative and Past Grand Master of Ontario, letters to the brethern in the Hawaiian Islands, the Phillippine Islands, and Japan, countries he contemplated visiting, I thought it appropriate to supplement these letters with a commission as Special Deputy Grand Sire, in order that he might make official visitations and give such official information and counsel as might be necessary. I accordingly issued a commission and delivered it to Brother Powley before his departure. Brother Powley made his visit and has returned. His report is enlightening. I find pleasure in presenting it to the Order, not only as a message direct from our far away brethren, but for the clear and comprehensive view it gives of their situation, and for the many valuable suggestions it contains. His report is as follows:

"June 29, 1922.

"*Mr. Lucian J. Eastin, Grand Sire, I. O. O. F., St. Joseph, Mo.*

"Dear Brother Eastin: Our late Grand Sire, Brother Joseph Oliver, having learned of my intended visit to the Hawiian Islands and the Orient, and desiring to have the outlying lodges and Encampments visited by some one in close touch with The Sovereign Grand Lodge, availed himself of the opportunity of having me convey to the members in the territory visited the greetings of The Sovereign Grand Lodge, and wrote advising the District Deputy Grand Sires of the details of my proposed visit.

"Before these arrangements could be perfected, Brother Oliver passed away and you succeeded to the office of Grand Sire.

"Learning of the action taken by your immediate predecessor, you supplemented it by entrusting me with a commission as your Special Deputy Grand Sire for the carrying out of the arrangements already agreed upon, together with such duties as were imposed upon me in your commission.

"Acting under this authority, I sailed from San Francisco, Tuesday, February 7, 1922, and arrived at Honolulu the following Sunday evening. At quarantine I was met by our genial Brother, Henry Goehring, D.D.G.S., and welcomed in true Hawaiian style with all the warmth that the native word, 'Aloha!', could convey, but it was not until reaching the pier that I fully realized the extent of the cordiality and sincerity of the Honolulu members' welcome. Here we were met by a deputation representing all the Subordinate and Rebekah lodges and the Encampment and assured of being 'At home' in Honolulu and that the hearts of the local Odd Fellows and Rebekas beat true to The Sovereign Grand Lodge and all that it represents. It was at this point my entertainment began and continued to the moment of my departure for the Orient two weeks later. Sisters and Brothers vied with each other in anticipating my every want and in gratifying my varied wishes. Little by little the beauties and attractions of their charming city and surrounding country were unfolded. Their many kindnesses and generosities will never be forgotten.

"In searching the records, I was somewhat surprised to learn how little attention had been given to these lodges, the first of which was instituted over 75 years ago. From that time down to the date of my visit there appears to have been only two occasions on which an Officer or Representative of The Sovereign Grand Lodge had visited these islands in the interest of the Order. In 1878 Deputy Grand Sire Harmon visited Excelsior Lodge, and in 1920 Grand Sire Borst, while on his way to Australia, had an opportunity of fraternizing with the members during a short stay of his steamer in port. Thirty to forty years between visits is too long a period. These lodges are 2,000 miles away from their nearest neighbor and are suffering for want of closer relationships.

"I visited Harmony Lodge No. 2 on Monday, February 13; Excelsior Lodge No. 1, February 14; Pacific Rebekah Lodge No. 2, February 16; and Polynesia Encampment No. 1 on February 17. On Saturday, February 18, I had the pleasure of joining with Brother Goehring in extending to Brother F. C. Goudy, P.G.S., and Mrs. Goudy a welcome on their first visit to the islands. On February 21, accompanied by Brother Goudy, we visited Excelsior Lodge No. 1, and on February 23 we were joined by Sister Goudy in a visit to Olive Branch Rebekah Lodge No. 1; and in all these visits I cannot speak too highly of the character of the work that is being done by these devoted Sisters and

energetic Brothers. Their conduct of the business affairs of the lodge, the rendition of the various charges in their degree work, and the considerate attention given to not only their own members, but those of the visiting Odd Fellows, are worthy of commendation. And, when we consider the fact that they are so far from the nearest lodge, we marvel at the very excellent character of their work and accomplishments, but they crave for closer communion with The Sovereign Grand Lodge and the larger sphere of Odd Fellowship.

"Although Honolulu is a city of about 85,000 inhabitants, there are only about 10,000 to 12,000 from which our lodges may draw their membership, and other cities and towns in the islands have similar difficulties to contend with. A large percentage of the white population is of a floating character and after two or three years' residence pass on to another part of the world and either transfer their membership or drop out of the Order altogether. This results in a constant drain upon the membership. In the face of these conditions the lodges do not become discouraged, although it increases the difficulty of organizing lodges in other localities. The city of Hilo has a white population that at the present would justify the starting of a lodge, but the fear of the future deters the Brothers in making a move toward that end.

"At one time there existed a healthy Canton at Honolulu, but on account of the warm climate of all seasons they found the regulation uniform too warm, being unable to obtain consent to the substitution of some suitable material, they lost interest and allowed their Canton to become dormant.

"Not only are the Rebekahs and Odd Fellows of Honolulu efficient and enthusiastic, but their very generous hospitality stamps them as being entitled to be ranked with the very highest type of Odd Fellow.

"With feelings of regret I took my departure on February 28, but with a determination to some time return for a renewal of friendships formed under such happy auspices.

"On March 10 I arrived in Yokohama and was met by a delegation from Far East Lodge and warmly welcomed to the Orient, but, being unable to visit the lodge at that time, arranged for a meeting on my return to Japan six weeks later.

"Owing to the change in sailing schedules of most of the steamship lines some difficulty was experienced in getting down to Manila within my time limit, but finally reached there Thursday, March 30, when I was met and welcomed with a like degree of enthusiasm to that accorded me at Honolulu and Yokohama. It was their first opportunity during all the years of their existence of receiving a Representative of the Grand Sire, and their appreciation of what I trust will become a

series of visits by some officials was beyond expression. I attended a joint meeting of the lodges on Saturday evening, April 1, and discussed with the members matters of general interest.

"The difficulties met with in Manila are somewhat similar to those with which the Honolulu lodges have to contend, but good work is being done, and wise precautions taken in the selection of candidates. Brother A. Schipull, D.D.G.S., is a capable and very enthusiastic officer, but feels that having served so long some other qualified Brother should be selected as the local Representative of the Grand Sire. Unfortunately there are but few qualified Brothers to undertake this work. There are several Past Grands who lack the secondary qualification of being a P.C.P., and a way might be found to meet this difficulty. After supplying all the necessary information, Brother A. T. Hashim has undertaken the organization of a Rebekah lodge. Another Brother has an inspiration and proposes making an effort to organize a Subordinate lodge at Shanghai, where there is a sufficient large white population to support a good lodge. There are also other points in the Orient in which a little missionary work would result in the institution of a lodge with bright prospects for the future. I trust the time is not far distant when there may be enough lodges to justify the institution of a Grand Lodge of the Orient.

"Upon my return to Yokohama, April 24, I visited the lodge at this point, and, considering the small membership and the weather conditions, we had a splendid turnout, but here they have many things to contend with which lodges in the Hawaiian Islands or Philippine Islands do not experience. Secret societies are not permitted under the laws of Japan, and, although the authorities may be aware of the existence of an Odd Fellows' Lodge, there will be no interference so long as they are convinced that our Order does not attempt to interfere in the affairs of the state, or so long as we do not become so active in our work as to attract much public attention.

"The Brothers here are very guarded in receiving petitions, and, unless there is some reasonable assurance that the applicant is not likely to soon become a charge upon the lodge by being thrown out of employment, they refuse to take the risk of admitting him.

"In many of the countries it is frequently found that among the most respectable citizens are those who could easily pass as of the Caucasian race. In some instances applications have been received and upon close investigation it was found that the applicant could not be accepted because of a taint of colored blood, and at that late hour the result was an unpleasant rejection which could have been avoided had the applicant been required to declare his color at the time of making application. A suggestion has been made to the effect that application forms should contain a declaration by the candidate to the effect that he is of the white race.

"I cannot close my report without making suggestions which I believe to be in the general interest of the lodges in outlying sections, and of the Order as a whole. These lodges are started on their way, but like an unnatural mother we say in practice, 'Now you may look out for yourself, but, in consideration of having brought you into the world, it becomes your duty to contribute toward my support.' We have not given the new born child proper attention, but, strange to say, it has grown and developed into manhood and contributed toward the parent's support, at which not a murmur is heard.

"What has the Sovereign Grand Lodge as the parent done? In most instances nothing but a little correspondence passes between the parent and child. A few resolutions have been passed, but these lodges require something more substantial. They have their local difficulties to contend with, and under present arrangements are denied representation and an opportunity of giving direct expression to their views and aspirations. They crave closer communion with The Sovereign Grand Lodge and the larger world of Odd Fellowship and some action should be taken to bring about a better condition in that respect. We tax these brethern 5 per cent on all their receipts. That revenue should be used more directly in the interests of the lodges from which it is derived.

"They do not complain of their contribution, but they do feel that The Sovereign Grand Lodge does not give them the necessary attention to ensure healthy results.

"It is an unfortunate circumstance that these lodges have been in existence without a visit from a Representative of The Sovereign Grand Lodge for so many years. Could a change be effected whereby a closer fellowship will result, I believe the Order will grow much more rapidly in the distant lands. Their local conditions are in many cases so different to ours on this continent that we cannot fully appreciate their requests, and in many instances turn a deaf ear to their plea for consideration.

"In view of these observations, I desire to make a few recommendations which should be brought to the serious attention of Grand Lodge.

"1. That the Grand Sire, or other officer of The Sovereign Grand Lodge, or a well qualified Special Deputy shall periodically visit outlying lodges not less frequently than once in every three years.

"2. That lodges under the immediate jurisdiction of The Sovereign Grand Lodge should be empowered to hold semi-monthly meetings and yearly terms upon the passing of a by-law providing for same.

"3. That, in view of the unsatisfactory results of appointing District Deputy Grand Sires merely upon the recommendation of the

retiring officer, all lodges and Encampments shall be hereafter requested to make a recommendation of some well qualified Brother to receive the consideration of the Grand Sire.

"4. That the Code and District Deputy's Commission be so amended as to clear up any doubt as to the authority of the District Deputy to supervise the work of the Rebekah lodges within his district.

"5. That the Patriarchs Militant Code be amended so as to permit Cantons in tropical countries to substitute white duck or similar material for the present heavy cloth used in the uniform.

"In conclusion, I desire to express my hearty appreciation of your kindness and hearty co-operation with me in my attempt to further the interests of the Order in the places visited. My greatest regret is that time did not permit me to do a little more missionary work while in the Orient. Had I gone prepared with the necessary authority, the rituals, etc., one or two Rebekah lodges could doubtless have been instituted with less difficulty than under the conditions existing at present.

"Permit me to express the hope that The Sovereign Grand Lodge will give to outlying lodges all the assistance and encouragement possible, and I am convinced that the special effort will not be in vain.

"Fraternally and faithfully yours,

"J. POWLEY,

"Special Deputy Grand Sire."

SWEDEN—DENMARK—GERMANY.

The Grand Sire issued a commission as Special Deputy Grand Sire to the Rev. W. C. Smalley, Deputy Grand Master of Manitoba, authorizing him to visit officially the Grand Jurisdictions of Germany, Denmark, and Sweden, and we herewith submit Brother Smalley's report to the Grand Sire:

"*Grand Sire Lucian J. Eastin, Sovereign Grand Lodge:*

"Dear Sir and Brother—As promised, I am sending a report of my visit to Germany, Sweden, and Denmark.

"Germany—Owing to a delay in receiving my passport the commencement of my trip had to be postponed one day. This only allowed a one-day stay in Berlin. As I had received no word from Dr. Weiss, I was unable in that limited time to get in touch with any representative Odd Fellows in Germany. There are quite a number of lodges in Berlin, and I am given to understand that good work is being carried on. I did not see any of it, however, and any reference I make to work in Germany will be from information I received from outside.

"Sweden—From Berlin one day's travel brought me to Stockholm, Sweden. Here I met Grand Secretary Geijer. He was kind enough to spend one whole day with me and we discussed Odd Fellowship

from many aspects. I found him a courteous, brotherly gentleman and a true Odd Fellow. As he spoke English fluently, we had no difficulty in understanding one another. As Grand Sire Laurentz was away instituting a new lodge at Haparanda, I was unable to see him, but I conveyed to him through the Grand Secretary your greetings in as warm a way as possible.

"There are 89 lodges in Sweden, 10 of which are in Stockholm. The total membership is 12,892. There are just the Subordinate and Encampment branches of the Order in existence in Sweden. A Grand Encampment was instituted four years ago. This, I was given to understand, is the only Grand Encampment in Europe. Work is carried on in the Third Degree in the Subordinate and in the First Degree in the Encampment branches. The Grand Encampment received its charter from the Swedish Grand Lodge and had its Constitution approved by that body. According to the Constitution of the Encampment, a Brother has to serve a year in a degree before being advanced to the next one. This is the reason for working under the First Degree.

"The basis of representation from the Subordinate lodge to the Grand Lodge is one for the first 150 members and an additional one for the number over 150. All lodges, therefore, have one Representative and none more than two. Grand Lodge meets once every four years. The Home question is before the Grand Lodge of Sweden and a fund is being accumulated. Needy cases are being taken care of as they arise, but no permanent policy has been decided upon. There is no insurance plan, and funeral benefits are not compulsory. These may be paid in amounts to meet the particular need. The decision rests with the Noble Grand and the Chairman of the Committee. Odd Fellowship is on the increase in Sweden. One lodge was instituted this month and another will be next month. There are also five Subordinate and one Encampment in process of formation. The Svensk Odd Fellow Tidning (Swedish Odd Fellow Tidings) is a live paper. Brother Geijer is the founder and editor. The minimum initiation fee of 50 K ($15.50) is charged and the other degrees cost 100 K. Several lodges charge more. Dues are at the rate of 3K per month (90c). Five per cent of the regular Subordinate lodge income, i. e., fees and dues, is paid to the Grand Lodge for the upkeep of that Body.

"Brother Geijer conducted me through the Odd Fellow Building. I found it a well appointed place, giving every indication that careful work was being done. There were splendid lodge rooms, each with its own organ. The largest of these is capable of seating about 300 Brothers. There are also recreation, social, banquet rooms, as well as a splendidly equipped library. Altogether, it is a splendid center for Odd Fellowship. I was informed, however, that the Order is rap-

idly outgrowing it. I am sorry that I was unable to see any work put on. During the months of June, July, and August meetings are held only at irregular intervals. This is so in Denmark as well.

"Odd Fellowship is very prominent in Sweden, and The Sovereign Grand Lodge has every reason to be proud of the work that is being done and the progress that is being made by the Order under the capable and devoted leadership of Grand Sire Laurentz and Grand Secretary Geijer.

"Denmark—Leaving Stockholm about 8 p. m., I arrived in Copenhagen the next morning at 10. Here I was met by Grand Secretary Ravn. It was also my pleasure and privilege to meet the Grand Sire, Dr. Petrus Beyer, and the Grand Treasurer. The forenoon was spent in going over the Odd Fellow Palace. The building is magnificent. Built about the year 1750 by a Danish nobleman and intended for a residence, it was purchased by the Odd Fellows and converted into completely equipped headquarters. There are three splendid lodge rooms. There, again, are organs in each. In the largest, which will seat over 300, there is a magnificent pipe organ. One feature of special interest to me was the arrangement of the symbols of the different Degree. Each symbol is presented in stained glass in a separate panel, and behind each is an electric light operated by a separate switch, so that any symbol can be made to stand out as desired. There are also reception, social, recreation, and banquet rooms. In addition there are two concert rooms. The larger will seat 1,500 people and is used for all the first-class concerts in Copenhagen. The smaller will accommodate 700. This building is a credit to the Order anywhere and has to be seen to be fully appreciated.

"There are 53 lodges in this jurisdiction, three of which are in Iceland. The total membership is about 7,000. There are four Encampments, eleven Rebekah, and one Patriarch Militant branches. In the Subordinate and Encampment branches work is carried on in the Third Degree. In Germany, as in Australia, the work is done in the Initiatory Degree. In Denmark there is no insurance and no compulsory sick benefits. No case of need is allowed to pass unhelped, however.

"The total cost of joining the Order in Denmark is 400 K, about $100, and the dues are 4 K per month. The Order has undertaken a special piece of community work and has established three Homes for Foundling Children. Two of these I had the pleasure of visiting, along with the Grand Sire and Grand Treasurer. On a piece of ground of about 10 acres two Homes are built, each having room for 40 cots. In the first one the children are kept until they are 18 months old. In this Home at present there are over 30 children. In the second Home the children are kept from 18 months to 3½ years. There are 27 in

this Home. After 3½ years the children go to a third Home, where they are brought up and educated. The Homes adopt the latest hygienic methods. A trained nurse, with a competent staff of assistants, is in charge of each. The babies are carefully and completely looked after. Never have I seen such an array of bright and happy faces. The fact that the children are illegitimate reveals a darker side to the picture. There are no Odd Fellows' children in the number. It is merely a piece of service that Odd Fellowship is rendering to Denmark. I was given to understand that there was some criticism leveled at the Order from certain quarters because of its interest in and care for such children. This criticism was based on the idea that such a Home tended to increase immorality. On inquiry I found that no other institution in Denmark is doing the same class of work. Odd Fellowship is responding to a special call. That children born under such a terrible handicap are given adequate care and education, and therefore a chance in life, is to the lasting credit of the Brothers in Denmark. The government of Denmark allows the Order to hold a Tag Day once a year in the interests of these Homes. There is another Odd Fellow Home in Copenhagen, but of a very different kind. Here, for a nominal fee, Odd Fellows living out of Copenhagen may keep their children while they attend school and university.

"International Relations—There are one or two questions of international interest which I met with both in Sweden and Denmark. I pass them on to you for your consideration:

"1. The Brothers in Europe, I am given to understand, feel strongly the action of The Sovereign Grand Lodge in withdrawing from American Brothers the right to conduct lodge business in any other language than English. They claim it to be a right, established by the fathers of Odd Fellowship, and that its withdrawal is a step in the wrong direction. The Swedish Grand Secretary was very strong in his opposition to the action. Of course, all I could do in the matter was to say that I would pass these sentiments on to you. Not being altogether conversant with the action complained of, I was unable to discuss it with any degree of satisfaction. I did endeavor to impress the Grand Officers with whom I discussed the matter that there was not the slightest desire or intention on the part of The Sovereign Grand Lodge to do anything that would reflect on the membership in Europe.

"2. The question of European relief was also discussed in Sweden and Denmark. Both these Grand Bodies have responded handsomely to the appeal by sending relief to Austria. After satisfying themselves that the need was urgent, they have by voluntary subscription done something to meet it. Swedish Odd Fellows became responsible for the care of 130 Austrian orphans, while Danish Odd Fellows took care

of 400, and sent at their own charges a lady to investigate and minister to the need. The Austrian gentleman through whom the Odd Fellows worked has been the means, with the financial help of the Brothers of Sweden and Denmark, of instituting the first Odd Fellows' Lodge in Austria. This has been made possible by the removal since the war of the ban against secret orders in Austria. This response from other jurisdictions throws some light on the attitude of Dr. Weiss, the German Grand Sire, in his appeal to you. He feels that for the parent body to refuse help would be to fail where the offspring Grand Lodges have responded. The Brothers in Denmark and Sweden appreciate the difficulty that you are confronted with, at least to some extent. Whether the German Grand Sire does or not, I do not know. The officers of both these jurisdictions feel that if in some way the appeal could be responded to from our side of the water it would greatly strengthen the ties that bind the brethern on both sides of the Atlantic. It is not for me, who am not a member of The Sovereign Grand Lodge, to suggest a policy; but I feel it my duty to pass this on to you as indicative of a feeling that I discovered in Europe.

"3. There is to be a meeting of the officers of the different Grand Lodges of Europe at Gotheborg, Sweden, next summer. The definite date has not yet been fixed. The officers I met think it would be very much to the advantage of the Order as a whole if some Representative of The Sovereign Grand Lodge could be present. From my observation of Odd Fellowship in Europe, it seems to me that it would be to our mutual advantage to have such a Representative present next summer. This might lead to an arrangement whereby the members of the Order in Europe and America could be drawn closer together, understand each other better, and become helpful the one to the other. The brief visit I made has shown me the need of the unifying of our policies and aims. This, of course, in a general sense.

"Everywhere I was exceedingly well received and found that the European Brothers harbor in their hearts the most cordial feelings for their Brothers overseas. All the Grand Lodge Officers I met, speaking for their jurisdictions, heartily reciprocate the greetings you sent to them through me, and urged me to express to you, and through you to The Sovereign Grand Lodge, their very sincere fraternal greetings. This I have great pleasure in doing.

"Fearing that the difference in language would keep me from expressing adequately the greetings and feelings of yourself and the Brothers across the seas, I took a small American flag, placed beside it a small Danish flag, and beside it a small Canadian flag. I then pinned them together with a gold 'Three Link Brooch' and gave them to the Grand Sire of Denmark as a symbol of the sentiment I was to express on your behalf. I did the same thing in Sweden, using, of

J. Paul Kuhn

course, the Swedish flag instead of the Danish. These symbols were much appreciated. I know you approve the sentiment and trust you will approve the manner in which it was expressed.

"Now, Grand Sire, let me close by giving expression to a conviction that has been growing on me since my visit. There is a door open wide to Odd Fellowship at the present time. Unhampered, as she is, by the limitations of nationality, creed, or language, and possessing, as she does, principles that attract the best in any land, she is in a unique position to draw these countries closer together and create a better understanding and a greater desire for peace. It seems to me that this was the vision the fathers of Odd Fellowship saw when the Past Grand's charge in the Initiatory was penned. "A world wide united brotherhood."

"Trusting that this report has not wearied you and that you will find it of some little service, and thanking you for the honor you have done me and your kindness to me, I remain,

"Yours in F., L. and T.,

"WM. C. SMALLEY."

The following report from the Committee on International Relations was unanimously adopted:

Your Committee on International Relations, having considered the various matters assigned to it, beg to submit in one comprehensive report the following:

Commissions to Special Deputy Grand Sires: We have examined the action of the Grand Sire in appointing Past Grand Representative Joseph Powley as Special Deputy Grand Sire to Hawaii, the Philippine Islands, and Japan, and Deputy Grand Master Reverend W. C. Smalley, of the Jurisdiction of Manitoba, as Special Deputy Grand Sire to Sweden and Denmark, and cordially approve his action in both cases. We have read the instructive reports of these Deputies upon the situation in the respective countries to which they were accredited, and commend them as enlightening and fraternal. The intimate and exhaustive detail with which these brethren have reported the conditions found by them is to be commended.

The importance of securing the closest possible relations practicable with jurisdictions in Europe and the Orient is self-evident, and we commend the further careful study of the problem as possessing great possibilities for the future development of this field of Odd Fellowship. Your committee recommends that the Grand Sire take advantage of similar opportunities for appointment of competent and representative Special Deputies.

Your committee notes the statement of Special Deputy Smalley, that a meeting of the officers of the different Grand Lodges of Europe is to be held in Sweden in 1923, and recommends that the Grand Sire

be requested to attend such meeting in person or to send a proper representative at the expense of The Sovereign Grand Lodge.

We believe the time has come for occasional visits to our outlying Subordinate and Grand Lodges by the Grand Sire, or his duly accredited Deputy, at the expense of The Sovereign Grand Lodge.

We also approve of recommendation three, as contained in Brother Powley's report, and suggest that the Grand Sire, previous to appointing District Deputy Grand Sires, request the Lodges, Encampments, and Rebekah Lodges in each district to recommend a qualified Brother for this important office.

Your committee has favorably considered recommendations numbers two and four, by Special Deputy Grand Sire Powley, and caused bills embodying same to be introduced.

Foreign Languages: We note the attitude of our brethren abroad upon the action of The Sovereign Grand Lodge in reducing ritualistic work in this country to one language, and, while we appreciate the sentiment expressed by them, we nevertheless regard this action for The Sovereign Grand Lodge.

Conditions in Germany: We have examined the correspondence between Grand Sire Eastin and Grand Sire Weiss, and have also carefully considered the individual appeals that have been made for help. From all available data it is evident that a condition of great distress prevails among the members of the Order in Germany. These conditions are inevitably incident to the casualties of the war and to the disturbed business and financial condition ensuing therefrom. The distress, however, is none the less acute.

After the most careful and thorough investigation we are of the opinion that the Order in this country should take some effective measures to perform its full fraternal duty towards those of its members who are suffering and in distress and to the dependents of those members of the Order who are likewise the object of our care. We recommend, therefore, that the Commission created by the action of The Sovereign Grand Lodge at its session in 1920, by Bill No. 8, Journal of 1920, page 539, be authorized, in the manner prescribed by said law, to issue a call for voluntary contributions from the Brotherhood in this country, to be dispensed on behalf of our afflicted and suffering brethren in Germany, the funds thus collected to be handled in the manner defined by the law above referred to.

In considering the foregoing matters relative to relief and in reaching the conclusions above set forth we have acted jointly with the Commission on Conditions of the Order Abroad, authorized by the report of the Committee on Australian Affairs, adopted at the 1921 Session of this Grand Body (Journal of 1921, page 196), and the recommendations herein made have the full approval of said Commission.

It is estimated that if each member of the Subordinate lodges would make he contribution of five cents each, a sufficient amount will be contributed to relieve these worthy Odd Fellows.

SWITZERLAND.

Past Grand Master Emil Hunziker, of Switzerland, was in attendance at the Session of The Sovereign Grand Lodge. He was introduced by the Grand Sire and delivered an address which was highly appreciated. In the parade he was assigned an automobile all by himself and this automobile simply bore the inscription, "Switzerland."

OUR HOMES.

The report of the Committee on Odd Fellows' Homes will be of interest to our membership:

Your Committee on Odd Fellows' Homes, to whom were referred the reports of the several Homes in the different Jurisdictions, beg leave to make the following report:

There are now 58 Homes maintained by the Order, nine of which have made no report for 1921, and others which have made only a partial report. Owing to these facts, the statistical part of this report will necessarily be more or less incomplete; and your committee would earnestly urge upon every Home Board the necessity of making full and complete reports to the Grand Secretary every year, otherwise a lot of valuable information will be lost to The Sovereign Grand Lodge and thus to the Order generally.

Your committee are pleased to report the establishment of a new Home in Australasia, at a cost of about $13,000. This Home is located at Manly, Queensland, and at last report was caring for seven residents.

The incomplete reports show that the 58 Homes are caring for 4,940 residents, and there have been admitted to these Homes since their inception 16,917 orphans and aged Brothers and Sisters.

The original cost of these Homes was $3,487,749.60. The present value is placed at $8,772,629.88.

The total cost for maintenance of the Homes for 1921 was $1,288,-926.84, an average per resident of $260.91. It is pleasing to note just here that the average cost of maintenance per resident for 1921 shows a decrease of $5.93, as compared with the cost in 1920.

The first Home was established at Meadville, Pa., in 1872; the latest Home was founded at Manly, Queensland.

The Jurisdiction of Pennsylvania has seven Homes, six of which report 467 residents (the seventh making no report as to number of residents) and leads all other Jurisdictions in this part of our work.

Nevada reports only three residents, this being the smallest.

There are employed in the several Homes 95 Matrons and Superintendents, who are doing splendid work.

Nearly every Jurisdiction in which Homes are located reports that the maintenance of such Homes is being taken care of by way of a per capita tax on the membership.

Your committee note with pleasure that mention is made in the Grand Secretary's report that a number of Jurisdictions are raising funds for the establishment of Homes in the near future. They also have information that Manitoba is now erecting a new Home at a cost (when completed) of $150,000, and expect to open the same the beginning of 1923.

For further statistical data we would recommend the close study of the Grand Secretary's report on Homes.

WATCH CHARM.

The Sovereign Grand Lodge provided for a Watch Charm and this will be available to the membership through the offices of the various Grand Secretaries as soon as the Committee on Supplies can prepare the design and have the same manufactured.

JUVENILE BRANCH.

The Sovereign Grand Lodge established a Juvenile Branch. The necessary legislation putting this branch into operation will not be passed until next year. A special committee was appointed to present legislation for this purpose at the next session. The report of the Committee is so interesting that we present it in full, believing that the membership will be interested in this new department.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

In reporting on the subject matter assigned to it in 1921, your Special Committee on Juvenile Branch desires at the outset to say that it sincerely regrets that by reason of the death of its Chairman, Brother W. H. Leedy, Grand Representative from the Jurisdiction of Indiana, it lost his invaluable counsel and assistance.

Upon Bro. Leedy's death, the Grand Sire advanced Bro. T. T. Warham, Grand Representative from Minnesota, to the Chairmanship of the Committee.

Owing to the fact that no funds were placed at the disposal of the Special Committee, no meeting of its members could be called until a few days before the opening of this session of the Sovereign Grand Lodge .Therefore, the labors of the committee were in the main confined to the seeking of information by means of correspondence.

The committee received its most valuable information from our brethren at Kansas City, Kansas. There a number of Odd Fellows, filled with a real love for the boy and with an ardent desire to do some constructive work which they hoped would ultimately be for the good of the Order, set in motion an experiment. They organized an association of boys, the sons of Odd Fellows, between the ages of 14 and 21.

A ritual was prepared. There are four Degrees and each Degree is devoted to a distinct lesson for the youth. The first is that of Fraternity: then that of Home and Devotion to Parents; then Patriotism and Devotion to flag and country; and finally the lesson of Devotion to Deity. Each of these lessons is called a corner stone and together they make the four corner stones of the structure of true character. In addition to these there is another Degree, which is called the Knighting Degree. This is an honorary Degree and is only conferred upon a member for actual service. In all, there are eleven points of service and six points must be attained to earn the Knighting Degree. The four degrees are secret, while the Knighting Degree is conferred in the presence of the mothers of the boys belonging to the Association, the Rebekahs, and the Odd Fellows. This association of boys is called "Loyal Sons."

The idea of an association of boys between the ages of 14 and 21 years was the dream of J. J. Stotler, Past Grand of the Jurisdiction of Kansas. His prayer, his hope, his ambition was that his plan for the boys might some day be brought to a realization, and that thereby the boy might be protected and, through such association, he, in conjunction with his fellows, might study the higher purposes of life, and by the lessons thus learned, and by their practical application in his own life, the boy might be strengthened to resist the temptations which so often beset his path.

Brother Stotler unfolded his plan to six of his fellow members in this Order, who became most enthuiastic over the plan and the Order of Loyal Sons was launched. Kansas City, Kansas, is its birthplace and the lodges in said association are termed "Firesides."

Brother Stotler and his associates are all loyal and active Odd Fellows and are prompted by a desire to do something both for the boy and for Odd Fellowship. These Brothers have offered, and are now offering to your Committee on Juvenile Branch, their entire organization, including ritual and equipment, for such use or uses as this Sovereign Grand Lodge may desire to make thereof.

The Kansas City Brothers invited the members of your Special Committee to visit their city and attend a meeting of a "Fireside" of Loyal Sons. This invitation was accompanied by an offer to pay all the expenses of such a visit. The committee, however, could not avail itself of this offer but the writer of this report, on his way to this session of the Sovereign Grand Lodge, stopped off at Kansas City, Kansas, and spent two evenings with the Loyal Sons and their elder brothers. The ritual of the Loyal Sons is the work of Brother Stotler and the ritualistic work done by the Loyal Sons is worthy of the highest commendation.

Up to the time of the aforementioned meetings the several members of this committee by reason of their own views, reinforced by the opinions of many, with whom the subject of a Juvenile Branch had been discussed, had come to the conclusion that the greatest good would be rendered to the greatest number by the adoption of the constitutional amendment, reducing the minimum age limit for membership in our Order from 21 to 18 years, rather than by adopting and inaugurating a Juvenile Branch.

This conclusion was due to two impressions: First, that only one of the two propositions could be adopted; and, second, if the Juvenile Branch were adopted its activities would be confined to centers of population, and the youth of the village and hamlet in valley and on mountain side would still remain beyond the pale of the influence of our Order, while, if the age limit were reduced, then all the youths between 18 and 21, in every community where an Odd Fellows Lodge is located, could be brought into our fold.

We have found these impressions general with the membership and, to be frank with you, we entertained them ourselves, until last week.

There seems to exist an impression that there is a conflict between the two propositions. Such conflict, however, is merely a confusion of mind, for we believe that both propositions could be adopted to advantage by the Sovereign Grand Lodge, and should this be done, then and in that event, the Juvenile Branch would limit its membership to boys from 14 to 18 years of age; and, if the Juvenile Branch only is authorized, then the membership therein will extend between the ages of 14 and 21 years.

As to the impression that the Juvenile Branch only can exist and thrive in centers of population may we say, that in our opinion this will not be the result, for a Unit of the Juvenile Branch can be started with eight boys; all the ritualistic work can be done by these eight, but, as the membership grows, then by additional officers in the degree work and by an amplication of the floor work, as many as 64 boys can be kept busy in the conferring of Degrees. This is a most important feature, for we must keep the boy busy if he is to be kept in health and out of mischief.

You will observe from this that your committee has in mind a ritualistic work that is flexible; so far as numbers are concerned for its ritualistic work, even in the smallest hamlet where a Subordinate lodge exists, as well as in our largest cities, a Unit of the Juvenile Branch can be established and maintained. No Unit, however, should be established unless upon assurance that in the Subordinate lodge there shall be Brothers who love the boys and who have his care and protection at heart for each unit must at all times be under the care

and supervision of the elder brother, who will be given such supervision because of his attachment to the cause of the boy.

So that all the members of your special committee might have the same opportunity as did the writer of this report, the sacrificing and enthusiastic brothers of Kansas City, Kansas, offered to the committee to bring at their own expense the boys of the Loyal Sons of Kansas City to Detroit and there confer the Degree work of the Order of Loyal Sons so that all of the members of the special committee might see the work, and each of the committee form his own opinion of the value thereof. This offer you accepted and on last Tuesday afternoon the ritualistic work of the Loyal Sons was exemplified. To this exemplification the committee invited the officers and members of the Sovereign Grand Lodge, the Past Grand Representatives, Grand Secretaries, Grand Scribes, and members of the Fraternal Press Association. Judging from the many expressions of commendation, the ritualistic work performed by these young men from Kansas City was a revelation as well as an inspiration to those who saw it.

Your committee is indebted to the brethern from Kansas City and to the young men composing the degree team who came to Detroit and we herewith wish to express our sincere appreciation to them for their labor and assistance.

Odd Fellowship owes to the youth a definite and an active help and protection. The investigations made by your Special Committee have brought its members to the conclusion that our Order will be especially served by the organization of a Juvenile Branch, while through its medium the youth will be made strong in character by reason of the lesson of fraternal duty, of devotion to home and parents, of patriotism, and of reverence to Deity. Thus, through the medium of its Junior Branch will Odd Fellowship leave its ineffaceable imprint for good upon the developing character of youth.

We therefore recommend that a Junior Branch be organized and to that end submit the following bill for your approval and adoption.

ASSOCIATION OF REBEKAH ASSEMBLIES.

The Committee on Rebekah Degree submitted its report, which was adopted. We herewith submit the entire report.

Your Committee on the Rebekah Degree, to whom was referred the resolution passed by the Association of Rebekah Assemblies, and, referred to this Body as Resolution 21, page 205, Proceedings of 1921, and continued for further consideration of this committee until this session, Report 65, page 242, Proceedings of 1921, report that after a careful consideration we find the following facts:

That said Association was formed at Atlantic City during the session of this Body in 1914, by representatives from various Rebekah Assemblies;

That membership and representation in said Association by the Assemblies were purely voluntary;

That since said time other Assemblies have affiliated with said Association until now 44 Rebekah Assemblies are members of, and have representatives in attendance at the meeting of said Association now in session in this city, and that all of said Assemblies have by vote expressed an earnest desire that this Grand Body recognize said Association as a legal organization, and that it be given a definite standing in the Order.

That this Sovereign Grand Lodge has at various sessions recognized the existence of said Association by receiving delegations from said Association and by sending to said Association representatives from this Grand Body bearing the greetings of this Grand Body to such Association, and by the enactment of Section 319A of the Code during the session of this Grand Body in 1918, by which Rebekah Assemblies were authorized to create a fund to be used in paying the expenses of representatives to said Association.

We further find that since the organization of this Association it has by its work:

Brought the various Assemblies into closer relationship with each other and through suggested policies has increased the efficiency of the Rebekah Degree, decreased suspension, and increased the membership of that branch of the Order, and has aroused a more enthusiastic and effective effort in support of our Homes and the relief work if the Order, and in many other ways has benefited the Degree.

For these reasons we believe that the granting of the request of the Association as contained in said resolution and giving it a recognized and legal status would be of benefit to this Order.

Therefore, for the purpose of so doing we submit herewith the following resolution and recommend that it be adopted by this Grand Body:

RESOLVED, That the Association of Rebekah Assemblies, as now organized, is hereby recognized as a central body working under the jurisdiction of this Sovereign Grand Lodge, under the name of "Association of Rebekah Assemblies, I. O. O. F.," that said Association is hereby authorized to prepare, adopt, and transmit to this Grand Body for its consideration a constitution in which it may provide for the election of representatives by the various Assemblies of the Association; prescribe the qualification for membership in such Association; provide for such officers as may be necessary to conduct the business of said Association, fix their terms of office, define their duties, and fix their qualifications; determine the time and place of holding the meetings of the Association and otherwise to provide in

said constitution for the maintenance and operation of said Association. That said constitution shall not become effective until approved by this Grand Body.

Upon the approval of such constitution by this Sovereign Grand Lodge the said Association shall receive a charter from the Sovereign Grand Lodge confirming its powers.

The said Association shall have the right to use all, or such parts of the Assembly Degree as will be necessary to its needs and purposes. It may prepare and adopt suitable ceremonies for opening and closing the meetings of said Association and for the installation of its officers; but such ceremonies shall not become effective until submitted to, and approved by this Grand Body.

Said Association shall not have the power to legislate, but it may, and shall be its duty, to make recommendations to the Sovereign Grand Lodge respecting the needs of the Rebekah branch of the Order. It shall have power to receive reports from the Assemblies joined in membership, to disseminate information to the various Assemblies, and to promote by recommendation and cousel a harmonious observance of the objects and principles of Odd Fellowship as exemplified and practiced by the Rebekah branch of the Order.

All recommendations from said Association to the Sovereign Grand Lodge, and all matters to be submitted by said Association to the Sovereign Grand Lodge, shall be transmitted to the Sovereign Grand Lodge through the Grand Sire.

Said Association shall have no right to levey assessments upon the separate Rebekah Assemblies or to receive contributions from such Assemblies except as provided by Section 319A of the Code, enacted at the session of the Sovereign Grand Lodge in 1918, (Journal, 1918, page 491).

That nothing in this report, or no action taken by the Sovereign Grand Lodge thereon, or the granting of a constitution or a charter to said Association shall be construed as denying to the Sovereign Grand Lodge the right to revoke said charter at its pleasure and to dissolve said Association, but such right and power is hereby reserved to the Sovereign Grand Lodge to be freely exercised by it.

The following Constitution was adopted:

FOREIGN LANGUAGES.

A bill was presented to amend Section 373aa of the Code relating to the language in which Subordinate lodges may work.

The substance of this bill was that the Ritualistic work may be given by such lodges and Encampments at the time of the adoption of this section in 1917 that were then and have since continued to be in good standing in their respective Jurisdictions, in the language then authorized and sanctioned by their respective Grand Bodies.

This bill was referred to the Committee on State of the Order. About one hundred of our Brothers and Sisters representing lodges of Illinois which formerly had worked in the languages heretofore authorized by the Grand Lodge, appeared before the Committee on State of the Order, as well as a large representation from the Jurisdiction of New York, and presented their arguments.

The Committee on State of the Order made a favorable report that the Bill pass but the Bill failed of adoption.

TUBERCULOSIS.

A Bill was offered providing for the construction and operation of one or more Tuberculosis Sanitariums in the United States. The Bill was not adopted.

The Sovereign Grand Lodge, however, later in the session, adopted a Resolution directing that a Committee of five members be appointed to make an investigation of the Tuberculosis problem, the work being done by other organizations in this matter, and the advisability of the Odd Fellows erecting and operating a Tuberculosis Sanitarium, which committee was directed to report at the session of 1923.

LIFE MEMBERSHIP.

The Special Committee on Funeral Ceremony presented its report. and recommended that the matter should not now be the subject of legislation. The report of the Committee was adopted and the Committee was discharged.

FUNERAL CEREMONY.

The Special Committee on Funeral Ceremony presented its Report. The same Special Committee was continued and directed to report next year.

COMMITTEE ON SIDE DEGREES.

The Committee on Side Degrees submitted its report and the report was not adopted. The Special Committee was continued for another year and directed to report at the next session.

CONSTITUTIONAL AMENDMENTS.

All pending Constitutional Amendments which were called up for action by the session were declared not in proper form and therefore no action was taken.

AMENDMENTS TO THE CONSTITUTION.

The following amendments were presented, which will come up for consideration at the Session of the Sovereign Grand Lodge in 1923:

AMENDMENT TO SECTION 3 OF ARTICLE 13 OF THE CONSTITUTION OF THE SOVEREIGN GRAND LODGE:

The Amendment provides that Grand Representatives from a Grand Lodge shall be entitled, on legislation and enactment of laws relating to and affecting the ritual of ritualistic work of the order, on questions pertaining to the finances of the Sovereign Grand Lodge, and in the election of Grand Officers, to two votes each where the number of members retained in the last annual report of the Grand Lodge shall be not less than 40,000 and one vote for one and every additional 40,000 members retained in such annual report.

AMENDMENT TO SECTION 1 OF ARTICLE 2 OF THE CONSTITUTION OF THE SOVEREIGN GRAND LODGE:

This Amendment provides that, in addition to being a Past Grand in good standing, and a member of a Subordinate lodge, and a Rebekah lodge in good standing, and having received the Royal Purple Degree, a Representative shall have received the Patriarchs Militant Degree before taking his seat in the Soverign Grand Lodge.

AMENDMENT TO SECTION 1 OF ARTICLE 2 OF THE SOVEREIGN GRAND LODGE CONSTITUTION:

This Amendment provides that the retiring General of the Patriarchs Militant shall be a member of the Sovereign Grand Lodge until his successor be retired.

AMENDMENT TO SECTION 3 OF ARTICLE 1, CONSTITUTION OF THE SOVEREIGN GRAND LODGE:

This Amendment provides that, in the Dominion of Canada, the age qualifications shall in no event be under 18 years of age.

AMENDMENT TO SECTION 1 OF ARTICLE 5 OF THE CONSTITUTION OF THE SOVEREIGN GRAND LODGE:

This Amendment provides that the Deputy Grand Sire shall perform the following duties:

"Make such visitations and perform such other duties as the Grand Sire may direct, or the Sovereign Grand Lodge may prescribe, the expenses whereof may be paid by the Sovereign Grand Lodge in such amount and manner as it may provide".

AMENDMENT TO SUBDIVISION 7 OF SECTION 3 OF ARTICLE 1 OF THE CONSTITUTION OF THE SOVEREIGN GRAND LODGE:

The proposed Amendment to Subdivision 7 would read as follows:

"To organize and enact laws for the government of such other branches or departments of the Order as may be deemed necessary or advisable, to which persons under the age of 21 years may be admitted, and to abolish the same by a majority of two-thirds of the votes cast".

AMENDMENT TO SECTION 2 OF ARTICLE 3 OF THE CONSTITUTION OF THE SOVEREIGN GRAND LODGE.

This Amendment provides for the annual election of officers in the Sovereign Grand Lodge instead of every two years.

SOVEREIGN GRAND LODGE BUILDING.

The Committee on Judiciary, in passing upon the Grand Sire's decision as to the legality of the assessment levied at the Session of 1921, reversed this decision, and the Sovereign Grand Lodge approved this decision, to the effect that the Sovereign Body did not have power to levy an assessment for such purposes in the manner in which the legislation was passed. This action disposed of this question.

The Sovereign Grand Lodge, however, decided to establish an Administration Building at Baltimore, Maryland, for the use of the Executive Officers of the Sovereign Grand Lodge, at an expense of One Hundred Fifty Thousand Dollars ($150,000). This will not require an assessment from the Subordinate lodges throughout the Jurisdiction of

the Sovereign Grand Lodge but the funds necessary for the erection of this building will be available from the regular revenue of the Sovereign Grand Lodge. This seemed to be a happy solution and everyone was well satisfied.

ANNUAL BUDGET.

The Finance Committee submitted an estimate of receipts and expenditures for the fiscal year ending June 30, 1923:

Estimated receipts	$177,904.26
Expenditures	160,137.43

THREE LINKS LODGE NO. 812.

In the matter of Degree Work in the Subordinate Lodge, Illinois was represented by that splendid staff from Three Links. So well did this staff do its work that it was awarded second prize in the First Degree.

This same Lodge was also awarded second prize for the best appearing Subordinate Lodge in the parade.

In view of the fact that many Lodges were represented in these contests, we think that special credit is due this Lodge. The Lodge went to great expense in sending a specially built float from Chicago to Detroit to participate in the parade.

ILLINOIS.

Our Jurisdiction was well represented at the Session and we would like very much to record the names of all those present but regret that we have not before us the list.

Past Grand Master Owen Scott, Past Grand Master H. M. Blood, and Grand Conductor Fred C. Mayer were present. Also Past President of the Rebekah Assembly, Sister Alice Trees, who brought with her the Degree Staff from Peoria, which staff we are informed exemplified this Degree in a beautiful manner. Past President of the Rebekah Assembly, Sister Myrtle Tandy, had the honor to be elected Vice-President of "The Association of Rebekah Assemblies."

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Daniel F. Tobias was admitted to White Oak Lodge No. 667 as an Ancient Odd Fellow January 1, 1880, and had the Second Degree and retained his membership until the 20th day of February, 1922; was never dropped for non-payment of dues nor suspended; was sick for about four years before he died; never received any sick benefits,

and his children over 21 years of age took care of him until his death, and we could not get him in the Old Folks' Home on account of him losing his mind, and his people paid his dues to this lodge during his sickness; and the family extended an invitation to this lodge to come to his home and perform the funeral ceremony. The roads being so bad as to be nearly impassable, the lodge went to the house and gave the funeral ceremony, after which the American Legion acted as pall bearers; and we want a chance to pay $50.00 as funeral expenses. RESOLVED, That the lodges in cities of 50,000 or over be granted the right to hold a referendum vote to say what the fee shall be for that particular city, and after said vote is taken the result shall be the fee for all lodges in that City.

Bro. H. M. Blood, P.G.M., moved that that part of the Grand Master's report relating to the "Sprague Case," be referred to the Committee on Judiciary and Appeals. Motion carried.

DOCUMENT NO. 50.

Second report of the Committee on Judiciary and Appeals, by Bro. Thomas C. Stobbs of No. 80.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee to whom was referred that part of the Grand Master's Report entitled, "THE SPRAGUE CASE" would respectfully report that we have given this matter very careful consideration and have gone through all the correspondence pertaining to this matter in the office of the Grand Master and of the Grand Secretary.

Your Committee finds that Brother Sprague has very persistently declined to act in this matter, in the manner prescribed by the Laws of the Order, and as he has been repeatedly directed to do by the Grand Master, the Grand Secretary, the President of the Assembly and others with whom he has corresponded.

The facts as disclosed by the files in this matter, show that the sole question involved is the legality of the dropping for non-payment of dues of Julia A. Sprague, a member of Gresham Rebekah Lodge No. 464. The action of the lodge in dropping Sister Sprague can be reviewed in only one manner, namely: by appeal to the Judiciary and Appeals Committee from the action of the lodge in dropping Sister Sprague. No such an appeal has been taken, although Brother Sprague has been repeatedly advised that such would be the proper action. Brother Sprague has attempted to induce the Grand Master to file charges against Gresham Rebekah Lodge No. 464, which action the

Grand Master has very properly declined to do, and Brother Sprague now wishes the Grand Lodge to over-rule the action of the Grand Master: and order charges filed against such Lodge. Such action would cause the arrest of the Charter of the lodge and the possible expulsion from the order of the members thereof from the Order, including Brother Sprague himself. Your Committee can find no evidence even tending to sustain any such action. If Sister Sprague was not legally dropped, that question can very easily be reviewed by an appeal from the action of the Lodge.

Your Committee further finds that there is absolutely no merit in the contentions of Brother Sprague, as to this present appeal, and that Brother Sprague's obstinacy and persistency, in setting his personal opinion against the collective opinions of practically all of the Officers of the Order, has not only caused an unnecessarily large amount of correspondence, but has engendered considerable feeling among the members ofthe lodge involved, all of which is to the detriment of Odd Fellowship.

Your Committee, therefore, recommends that the Grand Master be sustained in every particular as to the above matter, and that the appeal of Brother Sprague be dismissed.

MEMORIAL SERVICES

in honor of

PHILIP REITZ,
Late Grand Marshal;

LEVI MONROE KAGY,
Past Grand Master;

JOSEPH P. ELLACOTT,
Past Grand Marshal.

Music by Riedell Quartet.

Closing Prayer by Rev. Wm. M. Groves, P.G.M. and Grand Treasurer.

Bro. H. M. Blood, P.G.M., delivered the oration on the late Bro. Philip Reitz as follows:

PHILIP REITZ.

Brother Philip Reitz was born in Wilton Township, Will County. March 2, 1870, and lived his whole life in this State. Educated in the

Rural Schools, he worked as a boy and young man in a grocery store, and at such other work as he could find. In 1898 he was appointed a Deputy Sheriff at Joliet, and served in that capacity for several years, until he was appointed by the Mayor of Joliet, Chief of Police for that city. For a number of years he served as Special Agent and Chief Claim Agent of the Elgin, Joliet and Eastern Railroad.

Brother Reitz was an ardent Odd Fellow—believed in its teachings and practiced its principles. He was a Past Grand of Powhan Lodge No. 29, Joliet, as well as a member in good standing in the other branches of this Order. For many years he was a Trustee in Powhan Lodge, and as such, was largely responsible for the erection of the splendid temple owned by his lodge. When this building was erected the lodge assumed a heavy indebtedness, but through the conservative influence, good management and efficient guidance of Brother Reitz, the mortgage was burned and the lodge freed of indebtedness at a great celebration last spring, he being the one who applied the lighted match to the document which had hung over his lodge home like a threatening cloud for ten years.

Brother Reitz was a member of several other fraternal and civic organizations, taking a keen interest in all those things which tend to make a better city in which to live, always ready and willing to carry his full share of the burdens. Known and respected by old and young, his influence on the side of good government cannot be properly measured by words.

For many years Brother Reitz represented his lodge in this Grand Lodge. He served with credit to himself and his lodge in whatever position he was placed. At the session in 1921, Grand Master Yantis appointed him Grand Marshal. This position, carrying with it the distinction of a Grand Officer, was highly appreciated by Brother Reitz, and he at once made arrangements to attend every meeting of importance held by the Grand Master, and without regard to distance or inconvenience, Brother Reitz was present at all such meetings up to and until the time of his death.

On the morning of August 7, 1922, our Brother met his death at the hands of an assassin. While in the performance of his duty as a Peace Officer he was instantly killed without warning and without mercy. The Order lost a worthy member, the people of Joliet lost a worthy citizen.

On August 9th, Powhan Lodge performed the last rites a lodge can give to a Brother. A great number of Odd Fellows and citizens of Joliet turned out to participate in these services. Nearly every Grand Officer in Illinois was present, and the Grand Master delivered a remarkable oration at the grave.

It was my good fortune to know and be intimately associated with Brother Reitz in the work of this Order. He was endowed with unusual good health which made it possible for him to perform a great deal of work for the Order he loved so well and that was such a large part of his everyday life. He was a true friend, a lovable companion and a wise counselor. He had unbounded faith in his fellowman, and by force of his sterling character, compelled all with whom he came in contact, to have faith in him.

Taken from us at a time when perhaps he was able to render the greatest service, his memory will be kept green in the hearts of his thousands of friends. While we shall miss his friendly greetings, his warm hand clasp and brotherly association, his influence will abide with us. To his family we offer our deepest sympathy.

Brother Reitz has gone to his reward and has heard the welcome plaudit: Well done thou good and faithful servant, enter into the joys of thy Lord.

Bro. Owen Scott, P.G.M., delivered the oration on the death of the late Levi Monroe Kagy as follows:

LEVI MONROE KAGY.

"We live in deeds, not words; in thoughts, not breaths;
In feelings, not figures on a dial.
We should count time by heart-throbs—
He most lives who thinks most, feels the noblest, acts the best."

You are invited to accompany me into the art gallery of the miraculous chamber of the soul, memory. Here you find paintings of exquisite finish and delicate colors. Yonder hangs a picture of a prattling baby. Its dimpled cheeks, its chubby hands, its heavenly smile and its loving eyes made it fit company for the angels. It was plucked after a brief sojourn in your home, to adorn the courts of Heaven.

On another of memory's walls is a lady, the loveliest ever the sun looked down upon. She it was who gave you birth, and whose great love charmed and chided you into life's avenues of activities and usefulness. She answers to the blessed name of mother. She, too, graces the mansion of the blest.

Yet another is found in this sacred gallery of remembrance. This is the companion of your youth, the sweetheart of the days of long ago. Her grace and charm, her wise counsel, her woman's wisdom, her loyalty and fidelity filled your life with joy and happiness. The wife, too, has been called home. There may be brothers, sisters, and friends who enchant your memory.

Let me, in the last place, point you to a picture of a stalwart man. He is larger and has a more forceful bearing than most of us. His clear eye; his massive head, housing an imperial mind; his genial smile, his cordial manner; his gentlemanly bearing—all these but feebly portray the striking personality of a man we all have delighted to honor. I need not tell you that this picture is of Levi M. Kagy.

During this Grand Lodge one year ago came the message, "Brother Kagy is dead."

"The stars on our banner grew suddenly dim.
Let us weep in our darkness, but weep not for him;
Not for him, who departing, left thousands in tears;
Not for him, who died full of honors and years;
Not for him, who ascended fame's ladder so high—
From the round at the top he stepped into the sky."

The poet again softens our grief when he tells us that—

"There is no death: What seems so in transition,
This life of mortal breath is but the suburb of the life elysian,
Whose portal we call death."

Yet, our Brother is gone. Brother Kagy was born in Seneca County, Ohio, December 15, 1855. At his home in Salem he died October 19, 1921, being in his sixty-sixth year. His wife and two sons survive. He came to Illinois when he was but two years of age, and remained in the same community for more than sixty years. He was one of the most useful citizens, being foremost in every good work in his community. He did not seek office, and yet President Wilson appointed him as a member of the Claims Commission, to settle differences growing out of the Panama Canal. The climate was such that after a time his failing health demanded his return from the tropics. Brother Kagy was a Knight of Pythias as well as an Odd Fellow. Active in religious work, he served as elder in the Presbyterian Church. As an Odd Fellow, none was more loyal and faithful.

Though for years a member of the Grand Lodge, and giving valuable service as a member of the Old Folks' Home Board, he did not aspire to honors in the Grand Lodge. His modesty was such that it was difficult to get his consent to be presented for Grand Warden. His friends persisted and at length he capitulated. When his name was under consideration he shrank from the ordinary methods of seeking votes. On one occasion he was urged at least not to say that he was not a candidate. His friends were rewarded in 1917 with his election. In 1918 he became Deputy Grand Master. In 1919, the centennial year, he served as Grand Master with great ability.

Few men were more profoundly impressed with the obligation imposed by the exalted station his Brethren called him to fill. His

works do follow him. Such a life as he lived cannot be measured. As a citizen, he represented the best elements of Americanism. During the trying days of the war, in recruiting and equipping an army, his service was given with an alacrity characteristic of his great nature. He gave, for a considerable period, almost his entire time to his government. In every walk of life Levi M. Kagy made a record of useful service rarely equalled. To say that he was a Christian gentleman of the highest type will be endorsed by everyone who knew him. His fame as a lawyer was more than state-wide. Spurning the practices of the trickster and the shyster in his profession, he stood four-square for all that high-minded, upright manhood would bring to his clients. It scarcely seems possible that he is gone. With the language of James Whitcomb Riley we can fully agree:

I cannot say, and I will not say
That he is dead—he is just away.
With a cheery smile and a wave of the hand
He has wandered into an unknown land.
And he left us dreaming how very fair
It needs must be—since he lingers there.
And you—oh you, who the wildest yearn
For the oldtime step and the glad return
Think of him faring on, as dear
In the love of There as the love of Here.

Rev. O. F. Jordan, Grand Chaplain, spoke in memory of General Joseph P. Ellacott, deceased. Brother Jordan said:

"To bury the dead is one of the primary obligations of an Odd Fellow. This duty is more than the service of an undertaker and a sexton. It means appreciation, and sympathy, and love. Our task is to erect monuments of affection that shall endure beyond the reaches of time. We are to bury the faults of a brother with his body, but keep a lively recollection of his virtues. My duty today is to give to this Grand Lodge in the performance of these duties for one of our oldest and best beloved members.

General Joseph P. Ellacott was born at Oak Hampton, England, in Devonshire. His real interest in the friendly societies is seen from the fact that he became a member of the Manchester Unity, the parent organization from which our order was born. He settled in Chicago before many of the members of this Grand Body were born. Here he sought the fellowship of an Odd Fellows' lodge more than fifty years ago, being awarded his fifty year jewel some time since. One can scarcely realize what a faithful service it is to be loyal to a

lodge for fifty years, paying dues, attending meetings and accepting responsibilities. Such a service reveals character in the man who performs it.

Chicago Odd Fellows date many things from the new epoch that began with the Chicago fire. That great catastrophe wiped out thousands of homes, scattered families and reduced the inhabitants of a great city to penury. Charity was brought in from the entire civilized world and the great Odd Fellows order was instant in season and out of season in relieving distressed and worthy brothers. The local Odd Fellows quickly formed a relief committee which helped in a just distribution of the bounty given by a great Order. On this committee Brother Ellacott served.

He was a charter member of the Rose Hill Memorial Association of Chicago. Realizing that Odd Fellows should keep alive the memory of their brothers, he urged the formation of this association which has annually held a service in the great Rose Hill cemetery and which has decorated the graves of the brothers who sleep there. The services were often planned by Brother Ellacott in person, and were always of a high order. This service he has so long performed for others will now be rendered him each year.

When the Patriarchs Militant came into being, Brother Ellacott was one of the early joiners. He rose from rank to rank until at last he became Department Commander. Thus he was not General Ellacott because he had ever killed men, but because he had fought in the wars of fraternity against vice and selfishness.

Probably no member of this Grand Lodge has longer been a member. Last year he persisted in coming, though many doubted his strength to perform this ardous journey at his time of life. It was the forty-fifth session of the Grand Lodge since he first became a member, and he had attended most of these sessions, thus setting a record that is probably not equalled by any in the State of Illinois. He was one year Grand Marshal, but never sought higher honors.

Among the services which he rendered this Grand Body was the formation of the Home Libraries Committee. His visits to the Homes convinced him that the Grand Lodge had been derelict in securing reading matter of the right quality and quantity for the two homes. He raised money in local lodges for this purpose and so persisted in his good purpose that at last the Home Library Committee was appointed with Brother Ellacott as chairman. Since then the life of our wards in the two Homes have been much brightened by this new contribution to their comfort.

At the time of his death Brother Ellacott was a live member of Congress Home Lodge No. 8, of Chicago. He also belonged to many other fraternal orders. Indeed his critics sometimes charged him

with neglecting business for fraternity. If this was a fault, at least it was not a fault arising from selfishness. He thought of others, and the consuming hunger of his life was fellowship.

Three great virtues characterized him through this long course. The first and most outstanding was loyalty. In this word you have the test of any man. How a man performs his duty to his family, his nation and his God are the infallible indices of his character. Tested by this great measuring stick, he stands high among the children of men. Patriotism, too, was one of his great enthusiasms. For him the red, white and blue was the dearest emblem in all the wrold, though he had been born under an alien flag. But the highest thing in his life was fraternity. He wanted to live in a house by the side of the road and be a friend of man.

In the great Book of Laws which ever rests upon our altars are words which befit an occasion like this. "Blessed are those that die in the Lord from henceforth, for their labors do follow them." The labors of human life are like bread upon the waters; they shall return again after many days. The wireless message broadcasted from my city reaches the planet Mars, so the scientists say. Its vibrations never cease to the end of the universe. There is a mystic quality like this to the life of a man. His good words and deeds are vibrations in the spiritual ether which go on after his body has gone to the eternal home, and his spirit to God who gave it.

I do not hold with those false systems of religion which would cheapen human life. Man is not a worm of the dust. He is not a child of hell, born full of guilt. I want to say with the Psalmist: "What is man that thou art mindful of him and the son of man that thou visitest him? Thou hast made him but a little lower than God." The older translators did not dare to translate this verse this way, but that is what it is in the original. Nor do I hold with false systems of materialistic philosophy which also degrade human life. Some make man a close relative of the horse and dog. They do not realize that evolution has fixed a great gulf between man and all other forms of life upon this planet. Man is the creature that can imagine, and reason and plan; he has the god-like quality of knowing the difference between right and wrong; he worships and he aspires to everlasting life. It is because of these spiritual atributes of man in the here and now, because of the distance he has already traveled in becoming god-like, that I assert my hope in the everlasting life of the soul, a hope that is fostered in our ritual. When we contemplate the life and labors of our brothers, they are not to seem to us as passing comets, with a brief period of splendor and then everlasting darkness. They are like the stars that shine through a million years with their

glory undimmed. I do not know much about the future life. It befits us to be humble in the presence of a great mystery. But I hold with the great Book of Laws: "Eye hath not seen, nor ear heard, neither hath it entered into the heart of man the things that God hath prepared for those that love Him."

Bro. James Ewing Davis, P.G.M., also spoke on the death of the departed brothers.

Grand Master A. L. Yantis in the chair.

Bro. E. R. Sayler, P.G.M., superintendent of the Old Folks' Home, was given the floor who addressed the Grand Lodge on the subject of the Home, and closed by introducing two brothers, Bros. Stewart and Frankel and Sisters Hunzaker and Bradley, residents of the Home.

The Grand Lodge resumed its sessions.

Bro. John W. Birney, P.G.M., moved that a telegram be sent to Bro. Cicero J. Lindley, P.G.M., of our love and respect and the wish that his health will soon be restored. Motion carried.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Brothers: Many years ago the German Rebekah Lodges of Chicago raised a fund for the Orphans' Home, which for a number of years was carried on the books of the Grand Treasurer under the name of "Special Orphans' Home Fund of Rebekah Lodges working in the German Language".

For a number of years this fund was kept as a separate fund, the income being paid each year into the maintenance fund of the Orphans' Home.

At the Grand Lodge Session of 1913 the Finance Committee recommended that this fund, amounting to $970.38 be transferred to the

Orphans' Home Endowment Fund, and the recommendation was approved. See Grand Lodge Journal 1913, Page 396.

These German Rebekah Lodges, through their Representative, Mrs. Hoeffer, a member of the Orphans' Home Auxiliary Board, request that this fund be now taken out of the Endowment Fund so that they may expend it for some special purpose for the Orphans' Home. They have suggested the building of a wading pool, or additional equipment for the athletic field.

We now present their request for the consideration of this Grand Lodge.

Respectfully submitted,

DOCUMENT NO. 65.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Degree work takes pleasure in submitting for your approval the following report:

The historical prelude presented in the first degree was very instructive as it clears up some points in the Degree which are not clear and we believe that it should be made a part of the Ritualistic work of this degree.

The dramatic work was so vividly and perfectly portraited that one was lead to feel that he was not witnessing the conferring of the

degrees, but the enactment of some famous drama.

The charges and lectures of the degree were faultlessly and clearly rendered.

We feel that Past Grand Master Darnall should be highly complimented for this work as it was through his skill and pains taking efforts that this degree was brought to the high state of perfection in which it was conferred.

The Second degree was a pleasing surprise. We felt that the work would be good but never dreamed that it would be conferred in the high state of perfection in which it was conferred last evening by the degree staff of Bushnell Lodge. Every character was a brilliant star in itself, but we feel that the conductor is entitled to special mention for his splendid work.

We also feel that the Grand Instructor displayed good judgment in selecting the staffs for these degrees at this session.

DOCUMENT NO. 85.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Believing it would be for the best interest of our Order and as all other similar fraternal orders are charging more than our Lodge are for initiation and believing it would tend toward raising the standard and personnel of our Order, we believe the minimum fee for joining our Lodges should be raised to two dollars instead of one dollar we would recommend that the following article be changed as follows:

Article 11, Section 2. No person shall be entitled to membership in this Lodge for a less sum than is herein provided, viz: By initiation one dollar; by deposit of an expired withdrawal card, a dismissal certificate or a certificate of resignation, one dollar. No fee whatever shall be charged for the deposit of an unexpired withdrawal card.

Shall be changed to read:

Article 11, Section 2. No person shall be entitled to membership in this Lodge for a less sum than is herein provided, viz: By initiation two dollars; by deposit of an expired withdrawal card, a dismissal certificate, a certificate of resignation or a Grand Lodge card, two dollars. No fee whatever shall be charged for the deposit of an unexpired withdrawal card or transfer certificate.

DOCUMENT NO. 86.

Fifth report of the Committee on Judiciary and Appeals, by Bro. Thomas C. Stobbs, of No. 80.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee, to which was referred Document No. 17, being the petition of Brother S. B. Ward, of Alexander Lodge No. 24, for an Honorable Veterans Jewel, having given due consideration to the matter find that in 1915, this entire matter was considered by Grand Master Pease and Grand Secretary, and they at that time found that the records were in such shape that a Jewel could not be issued to Brother Ward and we further find that the deficiencies of the record existing at that time have not been supplied and therefore we recommend that the petition lie on the table.

Respectfully submittted,

THOS. C. STOBBS,
ALFRED A. NORTON,
W. E. P. ANDERSON,
OWEN SCOTT.

JUDICIARY AND APPEALS COMMITTEE

Proceedings of the Fourth Session, October, 1922.

CASE NO. 499.

Charity Lodge No. 284 vs. Clyde J. Joiner	Before Committee on Judiciary and Appeals, October Session, 1922.

Opinion by Brother Thos. C. Stobbs of No. 80.

This is an appeal by Brothers of Charity Lodge No. 284 from the action of said lodge upon charges preferred against Brother Clyde J. Joiner.

The grounds of appeal are (1) That the punishment inflicted upon Brother Joiner's plea of guilty is insufficient and (2) That the record does not show the numbers of ballots cast for and against penalties of expulsion and suspension.

It appears from the records submitted that charges were preferred against Brother Joiner on July 6, 1922 in the following form:

> "We charge Brother C. J. Joiner, of this Lodge with whipping his wife on May 28th, 1922. Witness, Police Court record and Anna Joiner."

No further specifications are appended to said charges. A citation Was issued on July 6, 1922, directing Brother Joiner to appear at the second regular meeting (July 20, 1922) and answer said charges, and said citation, together with a certified copy of the charges, were served on Brother Joiner on July 13, 1922, by the Warden of Charity Lodge.

On the same date, July 13, 1922, and prior to the date of return day of said citation Brother Joiner appeared at the regular lodge meeting and (quoting the record) "pled guilty to the charge and asked the lodge to forgive him." Thereupon, a motion was made to excuse Brother Joiner, which motion was lost for want of a second. The lodge then voted on the penalties of expulsion and suspension and the vote was against each of these penalties but the number of votes is not stated in the record. The lodge then proceeded to vote on the penalty of reprimand, which penalty was ordered to be inflicted by vote of 14 to 6, and forthwith carried out.

A great many technical arguments can be presented upon the record before this committee whereby it might be made to appear that the law was not exactly complied with in the handling of this case and the penalty inflicted.

Had the defendant seen fit to question the sufficiency of the charges on account of the lack of specifications thereunder, his position could have been sustained. However, he voluntarily appeared at his lodge at the first meeting after charges were served upon him, acknowledged his guilt, and asked forgiveness. The lodge, who were in possession of all the facts in the case and knew all the circumstances surrounding the case voted against expelling the Brother and against suspending him, and considered that a reprimand was a sufficient punishment. This committee has no evidence before it upon which to reverse or modify the action of the lodge. One of the first principles of Odd Fellowship is that forgiveness should be freely given to an erring Brother. Charity Lodge ,living up to its name, saw fit to extend to Brother Joiner that charity which the spirit of our Order ordains. It would be beyond the province of this committee to interfere with the action of this lodge, especially in view of the fact that neither by the record nor otherwise, have we any evidence that Brother Joiner had committed any aggravated offense or is a persistent offender, or for any other reason should be more severely punished than he has been.

The Brothers appealing this matter are, without question, actuated by worthy motives but the record is insufficient for this committee to take any action except to dismiss the appeal.

The committee are aware that in the decision of this case a great many points of law, technical and otherwise, have been discussed but we believe that the statement contained in the preface to Merrill's Code "after all, what we need is less law and more Fraternity" is absolutely true, and we see no point in discussing abstruse questions of law, when the case at issue has been and ought to be decided upon the facts, which was done by the lodge.

In accordance with the foregoing views, the action and judgment of Charity Lodge No. 284 is affirmed.

§Until 1845 inclusive, proxy representation in the Grand Lodge of the United States was permitted. In 1839 Past Grand Master Samuel Pryor, of Pennsylvania, was elected proxy Representative by the Grand Lodge of Illinois, but did not serve. At the adjourned session in April, 1840, Past Grand Master Augustus Mathiot, of Maryland, presented credentials as proxy Representative of Illinois, which were accepted, and he was also recognized in that capacity at the annual session in October following; but there is no record of his election or appointment. In 1842 and 1843, James Earnest, of New York, was elected and served as proxy Representative of Illinois. In 1844 Past Grand Master William S. Stewart, of Missouri, D.D.G.S., was requested to appoint a proxy Representative for the Grand Lodge of Illinois; but no such proxy was present at the session of that year, unless Stewart himself acted in that capacity. In 1845 no election for Representative was held.

NOTICES.

The next Annual Session of the Grand Lodge of the State of Illinois, I. O. O. F., will be held in the City of Springfield, on the third Tuesday of October, 1923, viz, the 16th day of the month, at 3 o'clock.

The special attention of Secretaries and others is directed to the following law of the Sovereign Grand Lodge:

Resolved, That Grand Scribes and Grand Secretaries are hereby prohibited from delivering or transmitting visiting or withdrawal cards to any person whatever, or to any Encampment or Lodge, excepting upon the order in writing of an Encampment or Lodge, signed by its Scribe (in the case of an Encampment) or by its Secretary (in the case of a Lodge), and authenticated by the official seal of the Encampment or the Lodge.

Also to this law of the Grand Lodge of Illinois:

Resolved, That the Grand Secretary be directed not to fill any orders for supplies, for Lodges or individuals, *unless the cash accompany such order.*

In ordering such supplies as are sent by express, give full instructions; state to what office or station, and in whose care they may be forwarded.

All communications intended for the Grand Lodge, or the Grand Secretary, must be addressed to the undersigned at Springfield. The Grand Secretary's office is in the Grand Lodge Building, 115 W. Monroe Street.

JOHN H. SIKES,
Grand Secretary.

Springfield, Ill., 1923.

THE FLAG CEREMONY.

The following has been adopted by the Grand Lodge and should be used by every Lodge prior to opening:

In order that there may be uniformity in the various lodges of the State a Flag Ceremony has been provided.

The Noble Grand calls the lodge to order and satisfies himself that all present are qualified to remain. Immediately following and before the Lodge is opened he says:

"The Warden and the commiteee (peviously designated by the Noble Grand, the Conductor may be one of the committee) will retire and present the Flag of our country."

They retire, without ceremony, in single file, the Warden in the center. On reaching the ante-room the Warden takes the Flag, which should be mounted on a staff, and with committee returns to the inner room. He gives an alarm to attrace the attention of the inside guardian. The inside guardian says:

"Noble Grand, the Warden and committee bearing the Flag are ready to enter."

N. G.: "You will admit them."

As they enter, without signal, the lodge rises and sings the first verse of "My Country, 'Tis of Thee."

They enter single file, the Warden, bearing the Flag, in the center. They proceed to the center of the room, facing the Noble Grand. As soon as they have reached the center and the singing is completed, the one on the right opens the Bible on the altar before them.

(The Bible should be kept on the altar in the center of the room at all times, except when degrees are being conferred.)

The Noble Grand says:

"Brothers, salute the Flag."

This is the regular military salute, bringing the open right hand to the right side of the forehead, then dropping it to the side.

The Warden and committee proceed in single file to the station of the Noble Grand and the Flag is presented to the Noble Grand, who places it in a socket at his right hand.

The Warden and committee then proceed to their places and the lodge is seated.

(The above is the law of the Grand Lodge and will be continued in Lodges indefinitely.)
